The Treasury

Electricity Industry Reform Act 1998

Office of the Treasurer and Minister of Finance

22 December 1998

The Board of Directors

Electricity Corporation of New Zealand Limited
Wellington

Directions Relating to Split of Electricity Corporation of New Zealand Limited (ECNZ)

1. Background

1.1 Section 98 of the Electricity Industry Reform Act 1998 empowers the shareholding Ministers of ECNZ (being the Minister of Finance and the Minister of State-Owned Enterprises) to direct, by written notice to the board of ECNZ ("the board"), that any or all of the assets and liabilities of ECNZ, or of any wholly owned subsidiary of ECNZ, be transferred to the Crown and/or any State enterprise, and to specify terms and conditions of any such transfer.

1.2 By letter dated 29 September 1998, the shareholding Ministers gave written notice to the board advising it of their intentions or expectations with regard to directions to be given under section 98.

1.3 The Government decided on 14 December 1998 that ECNZ would be split into 3 new State enterprises and a residual ECNZ with effect on and from 1 April 1999.

1.4 For the purposes of section 129 of the Companies Act

1993 (which relates to major transactions), it is intended that the shareholding Ministers of ECNZ will sign resolutions approving the transfer of assets and liabilities from ECNZ to the 3 new State enterprises.

1.5 It is intended that ECNZ's debt securities, swap transactions and electricity hedges will remain with ECNZ after 1 April 1999 and will not be transferred to the new State enterprises. Instead, ECNZ will—

(a) lend to each new State enterprise on 1 April the amount of debt required to complete the purchase of its assets from ECNZ on terms which match ECNZ's underlying debt and swap obligations; and

(b) enter into a hedge offsetting contract with all of the new State enterprises under which ECNZ will agree to make payments to each new State enterprise which correspond to a fixed percentage of each electricity hedge payment received by ECNZ and, in return, each new State enterprise will agree to make payments to ECNZ which correspond to that same percentage of each electricity hedge payment required to be made by ECNZ.

The Minister of Finance, on behalf of the Crown, has entered into arrangements for the purpose of enabling ECNZ to meet its obligations incurred before 1 April 1999 and providing for its ongoing funding after that date.

1.7 Section 99 of the Electricity Industry Reform Act 1998 provides that sections 4 and 5 (1) of the State-Owned Enterprises Act 1986 do not apply to ECNZ from the date on which section 99 comes into force. Sections 4 and 5 (1) state that the principal objective of every State enterprise is to operate as a successful business, and require the directors of a State enterprise to be persons who will assist the State enterprise to achieve its principal objective. The Government intends that section 99 be brought into force by order in council with effect on and from 1 April 1999.

1.8 In view of the transfer of assets and liabilities required by these directions and the bringing into force of section 99 of the Electricity Industry Reform Act 1998—

(a) it will be necessary for ECNZ to change its statement of corporate intent for the quarter beginning 1 April 1999 and subsequent financial years; and

(b) the previous direction given by shareholding Ministers to the board of ECNZ under section 13 of the State-Owned Enterprises Act 1986 will cease to be appropriate on and from 1 April 1999.

1.9 Before giving these directions, the shareholding Ministers have—

(a) advised the board by written notice of the matters to be referred to in these directions at least 14 days before these directions are given;

(b) considered any comments relating to these directions that the board has made to the shareholding Ministers within 10 days of the date on which the board received the advice under paragraph (a);

(c) had regard to Part I of the State-Owned Enterprises Act 1986.

2. Directions

References (by number) to clauses are to the clauses in the Draft Waikato Agreement.

1. Assets and liabilities to be transferred to Waikato SOE

The following assets and liabilities are to be transferred by ECNZ to Waikato SOE:

Assets

The assets as defined in the Draft Waikato Agreement including:

(a) these power stations:

Aratiatia	Waipapa
Ohakuri	Arapuni
Atiamuri	Karapiro
Whakamaru	Marsden A
Maraetai A	Marsden B site, and

all the land, plant and equipment, consents and other assets which constitute part of ECNZ's Northern Generation Group, including those necessary for use in or at, or for the operation of the power stations, but not any funds held;

(b) Intellectual property (subject to the Intellectual Property Agreement);

(c) the rights of ECNZ under all the material agreements (see item 6 of this Schedule) and the commercial contracts;

(d) the land and associated assets held for future development purposes:

(i) associated with any of the power stations or functions performed by the Northern Generation Group; and

(ii) for the development of projects associated with the Marsden BOO;

(e) any non-land assets associated with:

(ii) the Marsden BOO;

(iii) Mokai;

(iv) the development of opportunities in Fiji; and

(v) the development of hydroelectric opportunities in Hawkes Bay and Poverty Bay;

(f) the shares in First Electric Limited;

(g) all shares in the subsidiary used to acquire the assets and liabilities from Mercury Energy Limited; and

(h) any other assets agreed in writing between ECNZ and Waikato SOE.

Liabilities

The assumed obligations as defined in the Draft Waikato Agreement being:

(a) the obligations of ECNZ under the agreements of ECNZ (including, without limitation, the agreements listed in item 6 of this Schedule) relating to the operation or anticipated operation of the Northern Generation Group, the power stations or relating to other assets to be transferred to Waikato SOE; and

(b) all other liabilities relating to the assets to be transferred to Waikato SOE or the operations of the power stations or functions performed by the Northern Generation Group, arising or derived or caused by a transaction or event occurring during the period before the settlement time.

2. Risk

The assets are solely at ECNZ's risk until the settlement time and thereafter solely at Waikato SOE's risk.

3. Settlement

Settlement is to occur on 1 April 1999 or such other time as ECNZ and Waikato SOE may agree.

4. Consideration

The purchase price for the sale and transfer of the assets and liabilities is to be calculated according to the following clauses 4.1, 4.2, 4.3, 4.4 and 4.6 of the Draft Waikato Agreement:

4.1 Consideration

The purchase price for the sale and transfer of the assets and the transfer or novation of the assumed obligations will be the book value of the net assets as shown in the settlement accounts. The purchase price will be allocated to the assets and the assumed obligations in the same amounts as the book values of those assets and assumed obligations. It is agreed that the purchase price equates to market value for the purpose of section EG19 of the Income Tax Act 1994.

4.2 Settlement Accounts

(a) Forthwith after the settlement date, ECNZ (with the assistance of such employees of Waikato SOE as may be necessary) will procure the preparation of the settlement accounts. The settlement accounts will show the book value of the net assets at the settlement time and will be prepared in accordance with:

(i) the Companies Act 1993;

(ii) the Financial Reporting Act 1993;

(iii) the accounting policies and principles adopted for ECNZ's audited published accounts for the year ended 30 June 1998 consistently applied; and

(iv) the transition rules.

(b) In the event of any inconsistency between the transition rules and this agreement, the terms of this agreement will prevail.

(c) ECNZ will ensure that it keeps Waikato SOE (and its accounting advisers) reasonably informed as to the progress of the preparation of the settlement accounts and, from time to time but in any event on completion of each significant section of them, will provide Waikato SOE with such information and papers (including working papers) as Waikato SOE reasonably requests to support the conclusions reached in the settlement accounts as to the value of the net assets.

(d) Waikato SOE (and its accounting advisers) will be permitted to conduct its own review (in accordance with the procedures agreed from time to time between Waikato SOE and ECNZ, both parties acting reasonably) of the settlement accounts and, within 10 business days of the later of the date on which the final draft settlement accounts and the certification by ECNZ's external auditors referred to in the definition of "settlement accounts" are delivered to Waikato SOE and the date on which the procedures referred to in this clause are agreed between the parties, to raise any queries it may have as a result of that review with ECNZ. If any dispute arises in connection with those queries between ECNZ and Waikato SOE, the matter will be resolved under clause 17.

(e) The settlement accounts will be deemed final and binding on the parties on the date that all queries (if any) arising from Waikato SOE's review under paragraph (d) are settled or resolved.

(f) Each party agrees that, as a priority, it will use all reasonable endeavours to complete, without undue delay, all work and documentation required of it in connection with the preparation of the settlement accounts and further

agrees that it will give effect to the close-off procedures developed, or to be developed, in accordance with the transition rules within the required timeframes.

4.3 Deficit in Asset value

If the settlement accounts disclose that the book value of the net assets is less than the estimated consideration, ECNZ will pay an amount equivalent to that deficit to Waikato SOE under clause 7.2 as an adjustment to the purchase price for the assets and the assumed obligations.

4.4 Excess in Asset value

If the settlement accounts disclose that the book value of the net assets is more than the estimated consideration, Waikato SOE will pay an amount equivalent to that excess to ECNZ under clause 7.2 as an adjustment to the purchase price for the assets and the assumed obligations.

4.6 No revaluation

ECNZ and its subsidiaries will not revalue in their books any asset that is to be or may be transferred to Waikato SOE.

The purchase price shall be paid according to clause 7 of the Draft Waikato Agreement as set out below:

7.1 Payment on Settlement

On the settlement date, immediately after ECNZ has complied with clauses 6.3 and 6.4 (but subject to clause 6.5), Waikato SOE will, to perfect settlement, pay to ECNZ the estimated consideration, such payment to be made by direct credit or such other method of payment as the parties may agree.

7.2 Final payment following adjustment

Within the later of:

(a) 5 business days after the date on which the settlement accounts become final and binding on the parties pursuant to clause 4.2 (e); and

(b) the completion of all work and documentation required to be done by each party to give effect to the close-off procedures developed, or to be developed, in accordance with the transition rules,

Waikato SOE or ECNZ (as the case may be) will pay to ECNZ or Waikato SOE (as the case may be) the amount of any adjustment to the purchase price for the assets and the assumed obligations required in terms of clause 4.3 or 4.4 together with interest on such amount calculated from the settlement date up to the due date for payment at the bill rate, such payment to be made by bank cheque or such other method of payment as the parties may agree. The parties agree that they will use all reasonable endeavours to have this final payment made by no later than the date which is 30 business days after the date on which settlement takes place.

7.3 No deductions

All payments required to be made pursuant to this agreement will be made:

(a) free of any restriction or condition; and

(b) free and clear of and (except to the extent required by law) without any deduction or withholding for or on account of tax or on any other account, whether by way of set-off, counterclaim or otherwise.

7.4 Default interest

(a) If any party does not pay any sum payable under this agreement as and when due and in the manner provided, it will on demand by the payee from time to time pay interest on that unpaid sum ("default interest").

(b) Default interest will accrue on any unpaid sum from

day to day from the due date up to the date of actual payment, before and after judgment, at a rate equal to the bill rate plus 5 percent (of the unpaid amount) per annum.

(c) Interest on overdue payments will be capitalised daily.

7.5 Full and final discharge

The parties agree that, provided the settlement accounts have become final and binding on the parties pursuant to clause 4.2 (e), neither party will be entitled to review, and seek an adjustment in respect of, the amount of the final payment due under clause 7.2 after that payment has been made, to the intent and with the effect that that payment will constitute a full and final discharge of the parties' respective settlement obligations and their obligations under clause 7.2. Nothing in this clause 7.5 will limit in any way the provisions of clause 5.3.

5. Conditions precedent to Settlement

Settlement of the transfer shall be conditional upon:

(a) Agreements for sale and purchase between:

(i) ECNZ and Huntly SOE; and

(ii) ECNZ and South Island SOE, being settled at the same time;
