Social Welfare

Social Security Act 1964

Direction by Minister of Social Services, Work and Income

To: The Chief Executive of the Department of Work and Income

Pursuant to section 5 of the Social Security Act 1964, I, Roger Morrison Sowry, Minister of Social Services, Work and Income, give you the following direction.

This direction replaces and revokes the previous directions relating to Advance Payment of Benefits given to the Director-General of Social Welfare and in force, in relation to you, by virtue of section 10 of the Employment Services and Income Support (Integrated Administration) Act 1998.

Advance Payment of Benefits

This direction applies where a Beneficiary makes application for an advance payment of a Benefit under section 82 (6) of the Social Security Act 1964.

In considering whether an advance payment of a Benefit would best meet the Immediate Needs of a Beneficiary and in exercising your discretion to make such payment, you are to apply the following provisions.

Analysis

1. Interpretation
2. Identifying Particular Immediate Need
3. Determining whether an Advance would Best Meet the Immediate Needs of the Beneficiary
4. Amount of Advance
5. Repayment of Advance
6. Exercise of Discretion
7. Advances for Particular Needs

1. Interpretation

1.1 In this direction, unless the context otherwise requires,—

“Act” means the Social Security Act 1964;

“Advance” means an advance payment of a Benefit under section 82 (6) of the Act;

“Cash Assets”, in relation to any person—

(a) mean assets of that person and his or her Spouse (if any) that can be readily converted into cash and include—

(i) shares, stocks, debentures, bonus bonds, and other bonds;

(ii) bank accounts, including fixed and term deposits with any bank, friendly society, credit union, or building society;

(iii) money invested with or lent to any bank or other financial institution or person;

(iv) the net equity held in any property or land not used as the person’s home;

(v) building society shares;

(vi) mortgage investments and other long term loans;

(vii) bills of exchange or promissory notes;

(viii) the applicant’s share in any partnership; but

(b) do not include—

(i) the motor vehicle principally used by the person for his or her personal use;

(ii) a caravan, boat, or other vehicle the net equity in which is less than \$2,000;

(iii) a caravan, boat, or other vehicle which is used by the person or a member of his or her immediate family for day to day accommodation;

(iv) the personal effects of the person and his or her Spouse (if any);

“Immediate Needs”, in relation to a Beneficiary, means all of the Beneficiary’s essential needs, including—

(a) the Beneficiary’s Particular Immediate Need; and

(b) his or her ability to meet the regular and ongoing essential living expenses of the Beneficiary and his or her Spouse and Dependent Children (if any);

“Invalid’s Benefit” means an invalid’s Benefit under section 40 of the Act;

“Particular Immediate Need”, in relation to a Beneficiary, means a particular and immediate need for an essential item or service.

1.2 Expressions otherwise defined in section 3 (1) of the Act are to have the meanings so defined.

Note: Except in headings, words, or phrases whose words begin with capital letters refer to a term defined in clause 1.1 or in section 3 (1) of the Act.

2. Identifying Particular Immediate Need

2.1 To be considered for an Advance, a Beneficiary must be able to identify a Particular Immediate Need.

2.2 In determining if a Particular Immediate Need exists, you are to have regard to the following matters:

(a) the effect on the Beneficiary or the Beneficiary’s Spouse or any Dependent Child if the need is not met;

(b) when that effect might be expected to impact on that or those persons;

(c) the Beneficiary’s ability to meet the need from the Beneficiary’s own resources.

2.3 A Beneficiary can generally be expected to be able to meet a Particular Immediate Need if the Beneficiary and his or her Spouse (if any) has—

(a) Cash Assets of—

- (i) in the case of an unmarried person, a value equivalent to four times the maximum weekly rate of an Invalid's Benefit for an unmarried person without a Dependent Child; and
 - (ii) in the case of a married person or a Sole Parent, a value equivalent to four times the maximum weekly rate of an Invalid's Benefit for a married couple without a Dependent Child; or
- (b) Income (including any New Zealand Superannuation or Veteran's Pension payable to the Beneficiary or his or her Spouse) that would prevent payment of an Invalid's Benefit.

Note discretion in exceptional circumstances in clause 6.2.

3. Determining whether an Advance would Best Meet the Immediate Needs of the Beneficiary

In determining if an Advance would best meet the Immediate Needs of a Beneficiary, you are to have regard to:

- (a) the assistance that is or might be available to the Beneficiary from other sources or under the Act to meet the Beneficiary's Particular Immediate Need;
- (b) the Beneficiary's existing level of debt, and whether the rate of repayment of the proposed Advance (as set out in clause 5) from subsequent instalments of the Benefit would be sustainable, having regard to—
 - (i) whether the reduction of the amount of Benefit payable to the Beneficiary will leave enough for the Beneficiary's living expenses and any other debt repayments; and
 - (ii) the likelihood it would cause the Beneficiary to seek further Advances or other supplementary assistance under the Act;
- (c) whether the Beneficiary is likely to continue to be in receipt of the Benefit for the period over which the Advance would be repayable;
- (d) any other matters put forward by the Beneficiary to justify the Advance.

4. Amount of Advance

4.1 The amount of an Advance should be the least amount required to meet the Beneficiary's Particular Immediate Need.

4.2 In no case is the amount of an Advance to exceed the instalments of the Benefit payable to the Beneficiary and his or her Spouse (if any) in a six week period.

Note discretion in exceptional circumstances in clause 6.2.

5. Repayment of Advance

Subject to clause 7.2.3, every Advance is to be recovered from the Beneficiary at a rate that will ensure the Advance is repaid within 24 months after the making of the Advance.

Note discretion in exceptional circumstances in clause 6.2.

6. Exercise of Discretion

6.1 If you determine that a Particular Immediate Need exists, and that an Advance would best meet the Immediate Needs of the Beneficiary, you are to have regard to the matters set out in clause 6.3 in exercising your discretion whether to make an Advance.

6.2 In the exercise of your discretion, if you determine that a Beneficiary has exceptional circumstances, you may, after having regard to the matters set out in clause 6.3—

- (a) make an Advance where the Beneficiary and his or her Spouse has Cash Assets or Income exceeding the limits set out in clause 2.3; or
- (b) make an Advance in excess of any limit set out in clause 4 or clause 7.1.3; or
- (c) recover an Advance at a lower rate than set out in clause 5 or clause 7.2.4.

6.3 The matters referred to in clause 6.1 and 6.2 are—

- (a) the Beneficiary's ability to repay the Advance;
- (b) whether the Beneficiary could reasonably have been expected to have made provision for the Particular Immediate Need;
- (c) the extent to which not making an Advance, or an Advance in excess of the limit, or requiring recovery at the rate set out in clause 5, would—
 - (i) worsen the Beneficiary's position; or
 - (ii) increase or create any risk to the life or welfare of the Beneficiary or the Beneficiary's Spouse or any Dependent Child; or
 - (iii) cause serious hardship to the Beneficiary, or the Beneficiary's Spouse or any Dependent Child;
- (d) any other matters that you consider to be relevant, in the circumstances of the particular case.

7. Advances for Particular Needs

7.1 Essential Home Repairs

7.1.1 You may, subject to the provisions of this direction, make an Advance to any Beneficiary for the following Particular Immediate Need:

- (a) to carry out essential repairs and maintenance to the Beneficiary's home, or to the paths, fences, or retaining walls of, the property on which that home is located; or
- (b) to provide essential services to the Beneficiary's home such as sewerage, water, or electricity connection.

7.1.2 No Advance under clause 7.1.1 may be made unless—

- (a) the Beneficiary provides proof of his or her ownership (or joint ownership) and occupation of the property to which the Advance is to be applied;
- (b) the work to be done is essential in order to maintain the property in a reasonable living standard; and
- (c) the Beneficiary shows proof that he or she has unsuccessfully applied for financial assistance for the purpose from any other agencies that provide assistance to Beneficiaries for such purposes.

7.1.3 An Advance under clause 7.1.1 should not exceed an amount of \$1,000.

Note discretion in exceptional circumstances in clause 6.2.

7.2 Safety Footwear

7.2.1 You may, subject to this direction, make an Advance to a Work-tested Beneficiary who—

- (a) is directed, under section 111 of the Act, to participate in an Organised Activity that involves undertaking work; and
- (b) is, for the Beneficiary's safety while participating in that activity, required by the provider of the work to wear safety footwear not supplied by that provider; and
- (c) does not already own suitable safety footwear; and
- (d) could not participate in the Organised Activity without purchasing safety footwear.

7.2.2 A Beneficiary may not be refused an Advance under clause 7.2.1 by reason only of the matters set out in clause 3 (b) or (c).

7.2.3 An Advance under clause 7.2.1 should not exceed \$130.

Note discretion in exceptional circumstances in clause 6.2.

7.2.4 Where the Beneficiary receives a Participation Allowance for participating in the Organised Activity, an Advance under clause 7.2.1 should be recovered at the rate of not less than \$5 a week.

Note discretion in exceptional circumstances in clause 6.2.

Dated this 25th day of May 1999.

ROGER SOWRY, Minister of Social Services, Work and Income.

Care Supplement Programme

Pursuant to section 124 (1) (d) of the Social Security Act 1964, I, Roger Morrison Sowry, Minister of Social Services, Work and Income, establish and approve the following welfare programme for special assistance.

I revoke, with effect on the date the programme comes into effect, my approval of the Youth Care Supplement programme dated 31 July 1997.

Dated this 22nd day of June 1999.

R. M. SOWRY, Minister of Social Service, Work and Income.

Programme

1. Title and commencement

1.1 This programme is called the Care Supplement programme.

1.2 This programme comes into effect on 1 July 1999.

2. Purpose

2.1 The purpose of this programme is to give special assistance to former foster parents under the CYPF Act to assist them to continue to provide care to children and young people discharged from the Director-General's care under that Act.

3. Definitions

3.1 In this programme, unless the context otherwise requires,—

“Act” means the Social Security Act 1964;

“Care Supplement”, or “Supplement” means a Care Supplement under clause 5, being the special assistance under this programme;

“CYPF Act” means the Children, Young Persons, and Their Families Act 1989;

“Director-General” means (as the case requires) the Director-General of Social Welfare, or the chief executive of any other department that, after the commencement of this programme, becomes responsible for the administration of the CYPF Act;

“Foster Parent” means an individual into whose charge a Child was placed by the Director-General under section 362 of the CYPF Act; and “Former Foster Parent” has a corresponding meaning;

“Orphan's Benefit” means the Benefit of that name under the Act;

“Unsupported Child's Benefit” means the Benefit of that name under the Act;

3.2 Terms otherwise defined in section 3 of the Act have the same meanings.

Note: Except in headings, words or phrases whose words begin with capital letters generally refer to a term defined in Clause 3.1 or section 3 (1) of the Act.

4. Application of Social Security Act 1964

4.1 Sections 3, 12, 62, 64, 74, 74A, 76, 77, 80A, 81, 82 (1) to (5) and (7), 82A, 84, and 86J of the Act are to apply, with any necessary modification, to this programme and to any Applicant for assistance under this programme as if a Supplement under this programme were a Benefit under the Act.

4.2 Nothing in Clause 4.1 limits any other provision of the Act.

5. Care Supplement

5.1 The Chief Executive may, on application, grant a Care Supplement to a Former Foster Parent who—

(a) Is caring for a Child who—

(i) Is not his or her child or step-child; and

(ii) Had previously been in the charge of the Former Foster Parent under the CYPF Act; and

(iii) Had been discharged from the custody or guardianship of the Director-General under that Act into the care of the Former Foster Parent; and

(b) Is receiving an Orphan's Benefit or an Unsupported Child's Benefit for the care of that Child.

6. Rate of Care Supplement

6.1 The rate of a Care Supplement is the difference between—

(a) The applicable rate of an Orphan's Benefit or an Unsupported Child's Benefit for the Child as set out in clause 1 of the Fourth Schedule of the Act, before any abatement for the Child's income; and

(b) The rate set under section 363 (1) of the CYPF Act of a foster care allowance applicable to the Child, or, in the case of a Child aged 17 years, the rate applicable to a Child aged 16 years.

7. Beginning and ending of Care Supplement

7.1 A Care Supplement begins on the later of—

(a) The date the Orphan's Benefit or the Unsupported Child's Benefit was granted; or

(b) The date the application for the Supplement was received.

7.2 A Care Supplement ends on the date the Former Foster Parent ceases to be entitled to an Orphan's Benefit or an Unsupported Child's Benefit for the care of the Child.

8. Transitional Provisions

8.1 If, under the Youth Care Supplement programme approved by the Minister on 31 July 1997 (“the Former Programme”), a person—

(a) Had been assessed as eligible to receive a Youth Care Supplement on a continuing basis; and

(b) Would have continued to be eligible to receive that Supplement but for the revocation of the Former Programme,—

then—

(d) The Chief Executive may continue to pay the Supplement as if it were granted under this programme until it ends in accordance with Clause 7.2 of this programme; and

(e) The provisions of this programme apply to such Supplement instead of the provisions of the Former Programme.

Notes to and forming part of the Consolidated Financial Statements for the Year Ended 31 March 1999

1. Statement of Accounting Policies

Basis of Reporting

The financial statements presented here are for the reporting entity the Waikato Community Trust Incorporated and its wholly-owned subsidiary Waikato Community Trust Charities Limited.

The financial statements have been prepared in accordance with the requirements of the Institute of Chartered Accountants of New Zealand for the measurement and reporting of profit on an historical cost basis with the exception of investments which are recorded at market value.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

(a) Trust Funds

In order to prudently manage the financial affairs of the trust the trustees have adopted the following policies for accounting for the trust's capital and retained earnings.

** Capital*

Following the sale of the trust's shares in Trust Bank New Zealand Limited in April 1996 the Trustees agreed that the value of the trust at that time should be maintained for the benefit of current and future generations living in the Waikato region. For this purpose the trustees agreed that \$169,800,000 would be considered as the "initial capital" of the trust. The "initial capital value" is increased each year to show the "base capital value" which reflects growth due to inflation and regional growth. An amount was transferred from retained earnings in 1997 to increase the capital of the trust from its original amount of \$21,316,622 to the "initial capital value" and to provide for growth during the 1997 year. Each year an appropriate amount is transferred from income to allow for growth due to inflation and regional population growth.

** Investment Fluctuation Reserve*

The trustees have adopted an investment strategy with a targeted long term annual rate of return of 7.5 percent of the trust's "base capital value". Recognising that actual returns are likely to fluctuate from year to year, the trust holds the variation from the target in an investment fluctuation reserve. In years when investment returns are less than the target an appropriate amount will be transferred to income. At the trust's current risk profile the investment fluctuation reserve should have a lower limit of 8.1 percent and an upper limit of 20.3 percent of the "base capital value". If the reserve falls below the lower limit then the level of annual donations will be reduced. If the reserve exceeds the upper limit then any further excess returns will be transferred to the donation reserve.

** Donation Reserve*

The trust's present donation policy is to distribute annually as donations 3.5 percent of the "base capital value". The trustees recognise that for a number of reasons this might not always be achievable and that there will inevitably be fluctuations between the donations distributed and the actual target. The surplus after transfers to capital and the investment fluctuation reserve is held in the donation reserve and represents the trust's retained earnings. It is the trust's intention to apply this fund to future donations.

(b) Fixed Assets

All fixed assets have been recorded at cost price less accumulated depreciation.

(c) Depreciation

Depreciation of fixed assets is calculated using taxation rates so as to allocate the cost of the assets over their useful lives.

(d) Donations and Distributions

Donations and distributions made are included in the statement of financial performance when approved by the trustees.

(e) Goods and Services Tax

The trust is not registered for goods and services tax purposes. Accordingly, these financial statements are stated on a G.S.T. inclusive basis.

(f) Investments

Investments are stated at market value. Adjustments to market value of investments are included in the statement of financial performance.

(g) Taxation

Income tax expense recognises the current obligations payable to the Inland Revenue Department. No deferred tax is recognised. No deferred tax liability is expected to crystallise in the foreseeable future.

(h) Changes in Accounting Policies

The accounting policies for trust funds have been modified this year, however, as they impact on the treatment of funds within total trust funds it has no impact on the financial position of the trust. All other policies have been applied on bases consistent with those used in the prior year.

2. Incorporation

The Trust Bank Waikato Community Trust was incorporated on 5 August 1988 with trust capital of \$21,316,622. The name of the trust was changed to the Waikato Community Trust Incorporated in December 1997.
