Dumping and Countervailing Duties Act 1988

Termination of Dumping Investigation: ACE Inhibitors From Germany and Switzerland

Notice is hereby given that, acting pursuant to section 11 of the Dumping and Countervailing Duties Act 1988 (hereinafter referred to as "the Act"), I have terminated a dumping investigation in respect of ACE Inhibitors from Germany and Switzerland (the "subject goods" as described in the Notice of Initiation of Dumping Investigation of 8 April 1999 (*New Zealand Gazette*, 15 April 1999, (page 1066)), imported or intended to be imported into New Zealand.

I have terminated the investigation because I am satisfied:

- (a) under section 11 (1) (d) of the Act that the application for the investigation has been withdrawn in writing by

those Australian producers by or on whose behalf the application was made; and

- (b) under section 11 (1) (e) of the Act that the Australian producers who previously expressed support for the application for the investigation have withdrawn that support in writing to such an extent that, by reason of section 10 (3) of the Act, the investigation could not have been initiated.

Dated at Wellington this 30th day of August 1999.

MAX BRADFORD, Minister for Enterprise and Commerce.
