The Community Trust of Mid and South Canterbury Inc.

Community Trusts Act 1999

The Community Trust of Mid and South Canterbury Inc.

Annual Report and Consolidated Financial Statements for the Year Ended 31 March 2000

Trust particulars

The Community Trust of Mid and South Canterbury Inc. was incorporated as a charitable trust in accordance with the provisions of the Trustee Banks Restructuring Act 1988. The purpose of the community trust is to provide charitable, cultural, philanthropic and recreational benefits to the community.

Trustees: Mr P. F. McIlraith (chairperson), Mrs C. E. Brand, Ms R. A. Carruthers, Mr L. K. Cooney, Mr A. R. McKay, Mr T. J. McIntyre, Mrs J. J. Rayne, Mrs M. B. Ross, Mrs H. Weeks.

Bankers: WestpacTrust, 243 Stafford Street, Timaru.

Auditors: Martin Wakefield, Chartered Accountants, 26 Canon Street, Timaru.

Executive director: B. E. C. Strathern, P.O. Box 983, Community House, Timaru.

The Community Trust of Mid and South Canterbury Inc. Chairperson's Report for the Year Ended 31 March 2000

It is with pleasure that I report on the trust's year ended 31 March 2000.

The total net profit was \$4,210,393, including unrealised capital gains of \$2,156,554. After making provision for transfers into reserves, an amount of \$1,830,265 was available for distribution in the Mid and South Canterbury districts.

As signalled in last year's report, New Zealand Guardian Trust assumed responsibility for the investment of trust funds as from the end of April 1999, the investment return for the 12 months to 31 March being a satisfactory 12%.

The appointment of an "active" investment manager was a new venture for the trust, and the year under review was certainly one in which trustees gained valuable experience in this initiative, and learned very quickly about the vagaries of the investment market.

Trustees devote much time and energy into ensuring the trust's capital is invested prudently, to generate the best possible return while focusing on risk minimisation.

Your trust also employs Aon Consultancy to monitor the performance of the investments and assist the trustees on determining asset allocation and risk criteria.

As chairperson, I am satisfied the board policy of investment strategy is correct for an entity of this type where the community money is at stake. Having said that, the investment policy is under constant review.

The environment and function of "not for profit organisations" is experiencing new focus here in New Zealand and indeed, worldwide. Your trust is no exception, as this year we intend to concentrate on corporate governance. The trust is about to embark on a round of strategic planning, looking at aspects of donation criteria and adding creating value to the community we operate in.

During the year, two long-standing trustees completed their terms of office.

Mr Bruce Timpany, who also acted on the former South Canterbury Savings Bank Trust, and Mr Jim Underdown, who latterly assumed the office of chairperson.

Mr Timpany's professional legal experience was invaluable, his contribution to the trust was huge, while Mr Underdown's local knowledge and background, together with his open and friendly personality, brought a new dimension to the office of chairperson. Mr Underdown fostered an atmosphere of goodwill that any incoming chairperson would find a delight to work with. On behalf of all the trustees, I would like to thank the above gentlemen for their contribution, and a job well done.

With the departure of Mr Underdown, I was elected chairperson, with Mrs Carole Brand being elected as deputy chairperson.

We were pleased to welcome Mr Trevor McIntyre as a new trustee, whose experience and skills in the education sector will be of immense value to the trust.

Ms Rosemary Small was also appointed, but after a very brief tenure, she resigned to further business interests in Australia.

The vacancy caused by her resignation has not, as yet, been filled, however the new appointment is due to be announced by the Minister of Finance as this report goes to print.

In an endeavour to raise the profile of the trust, a number of meetings have been held in areas outside Timaru – Ashburton, Waimate and Fairlie, when the opportunity was taken to meet with district organisations, and to inspect facilities partially financed by donations from the trust.

The trust's objective is to provide financial assistance to organisations carrying on charitable, cultural, philanthropic and recreational work which is of benefit to the community principally in the regions of Mid and South Canterbury; and criteria has been established to ensure donations are made on a fair and reasonable basis in the districts.

The trust is conscious of the wonderful and valuable work being undertaken by a large number of individuals in the district who voluntarily work for the welfare of others. The bottom line is that this concept of grant-making can only work as a partnership within a community and the trust wish to thank the community for its contribution to that partnership. Trustees look forward to continuing and expanding their relationship with the district's volunteer organisations.

The more pro-active approach adopted by our organisation has dramatically increased the workload of the trust office at Community House. I wish to thank our executive director, Mr Strathern and his staff for meeting this challenge in such a competent manner.

I thank all trustees for their service and co-operation during the year, and look forward to further serving the community we represent.

P. F. MCILRAITH, Chairperson.

General accounting policies

The general accounting policies adopted in the preparation of these financial statements are:

- The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.
- The matching of revenues earned and expenses incurred using accrual accounting.

Particular accounting policies

The following are the particular accounting policies which have a material effect on the measurement of results and financial position:

(a) Dividend income

Dividend income is included in the Statement of Financial Performance when it is received.

(b) Donations

(c) Investments

Investments held as managed funds are shown at market value. Net income including unrealised gains or losses from holding such investments are recorded in the Statement of Financial Performance.

(d) Fixed assets

Fixed assets are recorded at cost less accumulated depreciation.

(e) Donations reserve

The donations reserve is credited with 75% of the net profit of the trust for each year or lesser sum to maintain the trust's general reserve in terms of the consumer price index. The intended effect of this reserve is to withhold from donations each year a sum sufficient to preserve the trust's capital in real terms to provide for maintenance of current donation levels in future years.

(f) Basis of consolidation

The Community Trust of Mid and South Canterbury Inc. and its subsidiary the South Canterbury Community Trust Charities Ltd have been consolidated using the purchase method of consolidation.
