NOTICE

This Notice shall come into force on the 1st day of October 2000.

- First schedule** Fishing conditions generally common to all Fish & Game regions.
- Second schedule** Regional specific fishing conditions, bag limits, closed and open waters, and the like.

FIRST SCHEDULE

1. INTERPRETATION

Words and expressions in this notice which are defined in the Conservation Act 1987 or the Freshwater Fisheries Regulations 1983, shall be so defined.

"All year" means a 12 month period commencing on 1 October and concluding on 30 September of the following year, both days inclusive.

"Artificial fly" means any lure of feather, fur, wool or other material of any kind customarily used in the making of artificial flies; but shall not include any lure in the tying of which lead or other weight has been incorporated unless the hook incorporated in that lure does not exceed 14mm in length (exclusive of the eye) and the gape of the hook does not exceed 6mm.

“*Bait*”, means:

Natural fly
Natural insect
Natural spider
Natural worm or worms
Natural crustacea
Natural fish (excluding fish ova, or any portion of a fish, or shellfish [mollusca])
Uncoloured bread dough

“*Bait Assembly*” means either a hook rigged with a number of baits, or a single bait rigged with a number of hooks.

“*Bait Fishing*” means to fish for sports fish with bait.

“*Boat*” means any manned flotation device.

“*Fishing*” and “*fish*” in this Notice means;

- (a) The catching, taking, or harvesting of sports fish; and
- (b) Includes-
 - (i) Any other activity that may reasonably be expected to result in the catching, taking, or harvesting of sports fish:
 - (ii) Any attempt to catch, take or harvest sports fish:
 - (iii) Any operation in support of, or in preparation for, any activity described in this definition.

“*Foulhook*” means to hook a sports fish otherwise than from within the mouth.

“*Length*” is the measurement from the tip of the snout to the fork of the tail.

“*Lure*” means any authorised artificial fly, or spinner, or bait.

“*Spinner*” means any artificial lure other than an artificial fly.

“*Spin Fishing*” means to fish for sports fish with a spinner.

“*Sports fish*” means those freshwater fish described in the First Schedule of the Freshwater Fisheries Regulations 1983, namely;

Brown Trout
Rainbow trout
American brook trout or char
Lake trout or char
Atlantic salmon
Quinnat or chinook salmon
Sockeye salmon
Perch
Tench
Rudd (Auckland/Waikato Fish & Game region only).

2. AUTHORISED TACKLE

- 2.1 No licence holder shall fish for sports fish except by using a rod and running line and authorised lure.
- 2.2 Nets:
- 2.2.1 When playing a sport fish a landing net may be used to secure or land that fish.
- 2.2.2 For keeping non-salmonid sports fish alive, a keep net may be used in the water from which the fish was caught.
- 2.3 No licence holder shall use more than one assembled rod and running line.
- 2.4 No licence holder shall fish for sports fish unless within 15 metres of the rod being used.
- 2.5 No licence holder when fishing for sports fish shall use more than one bait assembly.

3. FOUL HOOKING OF FISH

- 3.1 No licence holder shall attempt to foul hook any sports fish.
- 3.2 Any licence holder who foul hooks a sports fish shall return it immediately to the water with as little injury as possible.

4. MINIMUM AND MAXIMUM LENGTH

Every licence holder who catches a sports fish which does not exceed the specified minimum length, or does exceed the specified maximum length, shall immediately return it with as little injury as possible into the water from which it was taken.

5. OPEN SEASON

No licence holder shall fish for any sports fish except during an open season.

6. DAILY LIMIT BAGS

- 6.1 No licence holder shall continue to fish for a particular species of sports fish on any day in which he or she has already killed the limit bag for that species **except in Otago (see second schedule).**
- 6.2 It shall be permissible to make up the difference between a lesser limit bag prescribed in one place and a higher limit bag prescribed in another.

7. AUTHORISED LURES AND BAIT

Authorised lures and baits (subject to any regional restrictions specified in the Second Schedule) are:

Artificial fly
Spinner
