Accident Compensation Corporation

Accident Insurance Act 1998

Consultation on Proposed 2001/02 ACC Premium and Levy Rate Reductions

ACC's recent performance has shown lower accident rates and better and quicker rehabilitation has reduced the scheme's overall costs.

These cost savings are reflected in the premium and levy rate reductions ACC are proposing for consultation.

ACC will be consulting on regulations for 2001/02 premiums for the following Accounts:

- Employers';
- Self-employed Work;
- Earners'; and
- Motor Vehicle.

Premiums will pay for the costs associated with injuries sustained during the premium year from 1 April 2001 to 31 March 2002.

ACC is keen to have public input on its pricing regulation proposals before it makes recommendations to the Minister for Accident Insurance. The ACC Board will make its recommendations in November 2000.

ACC invites premium payers to make submissions on the following proposed rates and regulations.

They are as follows:

Employers' Account

The average premium be reduced by 28% to \$0.80c per \$100.00 of payroll (currently an average of \$1.11).

With the inclusion of Workplace Safety Management Practices loading, the gross average premium be increased to \$0.85c per \$100.00 of payroll (currently an average of \$1.16).

Self-employed Work Account

The average premium be reduced by 21% to \$1.30 per \$100.00 of liable earnings (currently an average of \$1.64).

Earners' Account

The combined premium and levy be reduced by 23% to \$1.00 (G.S.T. inclusive) per \$100.00 of earnings (currently at \$1.30).

Motor Vehicle Account

The ACC portion of the annual motor vehicle licence fee be reduced by 6% to \$124.65 per standard vehicle (currently \$132.20).

This can be summarised as follows:

Account	Premium		Levy		
	Current 2000/01	Proposed 2001/02	Current 2000/01	Proposed 2001/02	Proposed Saving
Employers'	\$1.11	\$0.80	6	6	28%
Self-employed Work	\$1.64	\$1.30	6	6	21%
Earners'	\$0.96	\$0.86	\$0.20	\$0.03	23%
Motor Vehicle	\$82.40	\$62.00	\$49.80	\$62.65	6%

*All premiums and levies quoted are exclusive of G.S.T. (The Earners' Account rates have been rounded).

At the same time, ACC is also consulting on a proposed reduction in the Residual Claims Levy. This levy, collected by Inland Revenue, funds the ongoing costs of claims prior to 30 June 1999.

It is proposed that the average levy be reduced by 23% to \$0.31 of \$100.00 of payroll (currently an average of \$0.40).

Full details of the premium rates have been set out in discussion papers (which include the proposed regulations).

Copies of the discussion papers and the actuarial assessments are available by contacting the ACC Business Service Centre on telephone 0800 222 776 or by writing to:

Premium and Levy Consultation, ACC, P.O. Box 242, Wellington.

Copies of the discussion papers are also available from ACC's web site: www.acc.co.nz

Submissions must be in writing and received by ACC on Thursday, the 26th day of October 2000, no later than 5.00 p.m.

Economic Development**Dumping and Countervailing Duties Act 1988****Anti-dumping Duties—Notice that Anti-dumping Duties on Certain Non-Leather Women's Footwear From China are to Cease to Apply**

Under section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on certain non-leather women's footwear from China* will cease to apply to those goods on 29 March 2001 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Chief Executive of the Ministry of Economic Development to initiate a review before the termination date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the chief executive.

If an application is received which provides positive evidence justifying the need for a review, the chief executive must undertake and complete a review investigation within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to provide reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of certain non-leather women's footwear from China, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New Zealand industry producing certain non-leather women's footwear.

The reasons should be supported by evidence and not based on mere allegations or assertions.
