## Departmental Notices

### Accident Compensation Corporation

#### Accident Insurance Act 1998

##### ACC Board Recommends Premium Reductions Following Consultation on 2001/02 ACC Premium and Levy Rates

ACC has recommended to the Minister for Accident Insurance substantial reductions in the premium and levy rates for the 2001/02 year. This is due to lower claim numbers and costs as ACC continues its emphasis on injury prevention and rehabilitation.

The recommended rates, excluding G.S.T., are as follows:

##### Employers' Account (workers' compensation)

ACC recommends a 28% reduction in the average net premium rate from \$1.11 to \$0.80c for every \$100.00 of payroll. With the inclusion of the Workplace Safety Management Practices loading, the gross average premium would reduce from the current \$1.16 to \$0.85c for every \$100.00 of payroll.

##### Residual Claims Levy

ACC recommends a 23% reduction in the average levy from \$0.40c to \$0.31c for every \$100.00 of payroll. This levy, collected by Inland Revenue, funds the ongoing costs of claims from the old Employers' Account which occurred prior to 30 June 1999.

##### Self-employed Work Account

ACC recommends a 21% reduction in the average premium rate from \$1.64 to \$1.30 for every \$100.00 of earnings. This account covers work accidents suffered by self-employed people.

##### Earners' Account (non-work accidents)

ACC recommends a 23% reduction in the combined premium and levy from \$1.30 to \$1.00 (G.S.T. inclusive) for every \$100.00 of earnings.

##### Motor Vehicle Account (accidents involving motor vehicles)

ACC recommends that the ACC portion of the annual motor vehicle licence fee be reduced by 6% from \$132.20 to \$124.65 for a standard vehicle.

This can be summarised as follows:

Account	Premium		Levy		
	Current 2000/01	Recommended 2001/02	Current 2000/01	Recommended 2001/02	Recommended Saving
Employers'	\$1.11	\$0.80	6	6	28%
Residual Claims	6	6	\$0.40	\$0.31	23%
Self-employed Work	\$1.64	\$1.30	6	6	21%
Earners'	\$0.96	\$0.86	\$0.20	\$0.03	23%
Motor Vehicle	\$82.40	\$62.00	\$49.80	\$62.65	6%

\*All premiums and levies quoted are exclusive of G.S.T. unless specifically indicated.

ACC's premium recommendations are not binding on the Minister who can accept, reject or modify the Corporation's recommendations.

Individual premiums for each classification will be finalised and incorporated into draft regulations by the Department of Labour once the base premiums have been set.

Copies of the detailed recommendations made to the Minister may be obtained by contacting the ACC Marketing Services Department on (04) 918 7588.

#### Notice of Movement Controls for Bovine Tuberculosis

Pursuant to section 131 (2) of the Biosecurity Act 1993, the Animal Health Board declares New Zealand (with the exception of the Chatham Islands) to be an area that is controlled for the purpose of enabling the limitation of the spread of bovine tuberculosis.

Pursuant to section 131 (3) (a) of the Biosecurity Act 1993, the Animal Health Board gives notice that the movement of cattle and deer within the Controlled Area is restricted and regulated to the extent and subject to the conditions specified below.

#### 1. Definitions

In this notice, unless the context otherwise requires:

“Herd” means—

- a group of cattle, or deer, or cattle and deer, that is managed as one unit;
- a group of cattle, or deer, or cattle and deer, that is kept within the same enclosure or behind the same fence.

“Herd of Origin” means the herd with which a cattle beast or a deer is, for the time being, grazing.

“Risk Area” means an area specified in the Schedule to this notice.

“The Controlled Area” means New Zealand (with the exception of the Chatham Islands).

#### 2. Declaration Cards

2.1 Every cattle beast or deer aged 30 days or more that is moved within the Controlled Area from—

- Its herd of origin; or
- The place or establishment at which the animal is being kept—

to a place other than a place occupied by the owner or person in charge of the cattle beast or deer, must be accompanied throughout the movement by a completed Declaration Card relating to that animal, so that a person inspecting that animal may inspect the Declaration Card at the same time.

2.2 A completed Declaration Card must be signed and dated by the owner of the animal to which it relates or a person acting with the authority of the owner, and must contain the following information for each animal to which the card relates:

- The breed, sex and age of the animal; and
- Whether or not that animal was bred within the herd of origin or at the place or establishment at which the animal is being kept; and
- The name and address of the owner of that animal; and
- Whether or not that animal has been tested for bovine tuberculosis while in the possession of the person who signed the Declaration Card or on whose behalf the Declaration Card was signed; and
- If that animal has been tested for bovine tuberculosis while in the possession of the person who signed the Declaration Card or on whose behalf the Declaration Card was signed, the date of the last test and whether or not tuberculosis was detected in respect to:
  - The animal; and
  - The herd of origin; and
- Whether that animal is being moved from a place within a Risk Area and, if so, whether that animal had been tested for bovine tuberculosis within 60 days prior to movement; and
- The bovine tuberculosis status of the animal, which shall be the status given to the animal or herd of origin by the Animal Health Board and shall be one of the following:
  - “Infected (1...n)”, where the index following the status “Infected” represents the number of years the herd has had an infected status.
  - “Clear (1...10)”, where the index following the status “Clear” represents the number of years (to a maximum of 10) the herd has had a clear status, except for those herds classified as “cattle dry stock”, “venison”, or “miscellaneous”. For these herds, the Clear index is capped at a maximum value of “1”.
  - “Suspended”, which refers to animals from a herd in which diagnosis of suspected tuberculosis awaits confirmation or a herd containing animals of unknown testing history (including feral animals), for which sufficient testing information to establish the herd status has yet to be accumulated.
  - “Works monitored”, which refers to animals from a herd not subject to on-farm testing under the operational plan of the Animal Health Board.

#### 3. Testing Prior to Movement From or Within Risk Areas

3.1 No cattle beast or deer aged 90 days or more may be moved—

- From any Risk Area to a place outside that Risk Area; or
- Within any Risk Area from its herd of origin, or the place or establishment at which the animal is being kept, to a place other than a place occupied by the owner or person in charge of the cattle beast or deer—

unless it has undergone, within 60 days prior to the date of movement, a negative test for bovine tuberculosis in accordance with the Biosecurity (National Bovine Tuberculosis Pest Management Strategy) Order 1998.

3.2 The restriction on movement in 3.1 does not apply where an animal is being moved directly to a place of slaughter.

3.3 Notwithstanding 3.1, an animal may be exempted from the requirement for a test in accordance with the Animal Health Board Tuberculosis Operational Plan.

(2) The amount of an allowance granted to a person eligible for it under clause 6 (2)—

- (a) is the amount by which the recipient's weekly accommodation costs exceed the appropriate average regional rent on the date the person first became eligible for the allowance; but
- (b) except as provided in clause 9, must not be more than the weekly amount of the tenure protection allowance payable immediately before that allowance ceased to be payable.

(3) The amount of an allowance granted to a person eligible for it under clause 6 (3)—

- (a) is the amount by which the recipient's weekly accommodation costs exceed the appropriate average regional rent on the date the recipient first became eligible for the allowance; but
- (b) except as provided in clause 9, must not be more than the weekly amount of the allowance payable in respect of the premises in which the recipient was resident immediately before the recipient vacated those premises.

(4) Where a recipient is receiving an accommodation supplement in relation to the premises and the amount of allowance is not taken into account in calculating the recipient's accommodation supplement, the chief executive must reduce the amount of the allowance by the difference between—

- (a) the amount of the accommodation supplement; and
- (b) the amount of the accommodation supplement that would be payable if the recipient's weekly accommodation costs were reduced by the amount of allowance.

(5) This clause is subject to clauses 9, 11 and 12.

**9. Annual adjustment of rate**—The amount of allowance payable to a recipient must—

- (a) be adjusted annually as at 1 April in each year by the percentage by which the rental component of the consumer price index has altered since 1 December of the previous year; but

- (b) must not be adjusted by reason of a change in the recipient's accommodation costs or the average regional rental.

**10. Ending of allowance**—(1) An allowance ceases to be payable if the qualifying person in respect of any premises—

- (a) dies, but the chief executive may, in his or her discretion, for a period not exceeding 3 months—  
 (i) continue to pay the allowance to the recipient; or  
 (ii) if the recipient has died, pay the allowance to a member of the recipient's family—  
 while the recipient or that member is resident in the premises; or  
 (b) vacates the premises.

(2) Where an allowance ceases under subclause (1) (b), the qualifying person may apply for and be granted an allowance in his or her own right, if he or she is otherwise eligible for it.

**11. Provisions where recipient moves to other qualifying premises**—(1) Where—

- (a) a recipient of an allowance moves to other rental premises that are not HNZ housing; and  
 (b) the recipient is a qualifying person, or a qualifying person moves with the recipient to live in the premises—

the recipient's eligibility for the allowance is not affected by reason only of the move, but the rate of the allowance must be reassessed on the basis of the accommodation costs for the premises and the average regional rent appropriate to the premises.

(2) Where subclause (1) applies, then except as provided in clause 9, the amount of allowance must not exceed the amount of the allowance paid to the recipient immediately prior to the move.

**12. Effect of review**—Where an allowance is reviewed under section 81 of the Act, the amount of allowance must remain the same if the recipient otherwise remains eligible for it.

**13. Revocation**—The approval of the special transfer allowance programme dated 6 September 1996 is revoked.

#### Explanatory Note:

*This note is not part of the programme, but is intended to explain its general effect.*

This programme replaces the Special Transfer Allowance Programme approved in 1996. It continues the eligibility for the special transfer allowance of people who were receiving it under that programme and are not residing in rental premises owned or managed by Housing New Zealand Limited. It also confers new eligibility for a special transfer allowance on certain people who lost eligibility for tenure protection allowance by reason only that Housing New Zealand Limited sold the premises they were renting to private landlords. The programme commences on 17 November 2000.

### Accounting Standards Review Board

#### Financial Reporting Act 1993

##### Notice (No. 25) of Determination

Notice is hereby given, pursuant to section 29 of the Financial Reporting Act 1993 ("the Act"), that the Accounting Standards Review Board ("the board") has determined, in accordance with section 27 (3A) of the Act, that all Financial Reporting Standards issued by the Institute of Chartered Accountants of New Zealand which have previously been approved by the board for the purposes of the Act as applicable to reporting entities (as defined in the Act), being the Financial Reporting Standards listed in the Schedule to this notice, apply also to each group (as defined in the Act).

The determination takes effect in respect of accounting periods and interim accounting periods ending after the 28th day following publication of this notice in the *New Zealand Gazette*.

Copies of all the approved Financial Reporting Standards referred to in this notice may be inspected free of charge at, or purchased from, the offices of the Institute of Chartered Accountants of New Zealand, 40 Mercer Street (P.O. Box 11-342), Wellington, and 27-33 Ohinerau Street (P.O. Box 3334), Auckland.

*Explanatory Note:* Previous approvals of Financial Reporting Standards submitted to the Board by the Institute, were expressed to be applicable to all reporting entities and intended to apply also to the consolidated financial statements of reporting entities and their subsidiaries, but did not expressly refer to groups, which are separately categorised in section 27 (1) of the Act.

This determination clarifies the position by expressly extending the application of each of those approved Financial Reporting Standards to groups (as defined in the Act).
