- (iv) That the intention be to use the income to provide financial assistance for 1 or more of the students of former students of the Massey University College of Education (or successor body) in undertaking a course of study or training in New Zealand or elsewhere which in the opinion of the committee will better equip the person taking it as a teacher.
- (v) Should Massey University merge with any other university or college, then the **K A North Scholarship Fund** is to continue with the income being paid to the controlling authority of such amalgamated college and with the committee comprising the nearest equivalent office bearers to those set out in (e) (iii) (1) to (5) above.

## Economic Development

### Dumping and Countervailing Duties Act 1988

#### Anti-dumping Duties: Notice That Anti-dumping Duties on Canned Apricots From South Africa May Cease to Apply

Under section 14 (9) of the Dumping and Countervailing Duties Act 1988 (“the Act”), anti-dumping duties imposed on canned apricots from South Africa\* will cease to apply to those goods on 16 October 2001, unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Chief Executive of the Ministry of Economic Development to initiate a review before the cessation date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Chief Executive.

If an application is received which provides positive evidence justifying the need for a review, the Chief Executive must undertake and complete a review investigation within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to provide reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of canned apricots from South Africa, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New Zealand industry producing canned apricots.

The reasons should be supported by evidence and not based on mere allegations or assertions.

Signed at Wellington this 9th day of April 2001.
