- Been guilty of negligence or incompetence in a professional capacity, and that this had been of such a degree or so frequent as to reflect on his fitness to practise as an accountant or tended to bring the profession into disrepute.
- Breached the code of ethics of the institute.

IN THAT in respect of a complaint against him by a member of his former firm, and more particularly in the

course of acting in regard to an estate and a trust the member:

- Failed to exercise the necessary degree of independence and objectivity while acting as trustee.
- Failed to exercise the necessary degree of skill and/or act with reasonable care.
- Improperly charged fees in circumstances where the fees were not properly based on time and/or failed to describe the nature of the engagement and/or the agreed fee and in circumstances where there was no proper documentation.
- While acting as a trustee and/or advisor to the said estate and the said trust, omitted from G.S.T. returns, fees of approximately \$100,000.00 over a 12 month period.

The Tribunal, in determining the matter of penalty, was of the view that the charges represented serious misdemeanours.

The Tribunal was of the view that the matters under consideration were not about any entitlement to fees but

were to do with professional compliance with the code of ethics and a lack of honesty.

Responsibility to the profession and to the code overrode any special relationship with a particular client.

It was noted that the member was given an opportunity to address the Tribunal and chose not to.

It was a concern that the member showed no indication of any regret or contrition about his actions.

The Tribunal noted that the member's legal counsel had submitted that it was appropriate for the Tribunal to suspend the member and allow him to resign.

The Tribunal did not accept the submission that such a course of action was appropriate.

#### *Orders of the Tribunal:*

- (a) Pursuant to Rule 21.31 (a) of the Rules of the Institute of Chartered Accountants of New Zealand, the Disciplinary Tribunal ordered that **Kevin John Williams** be removed from the Register of Members of the Institute.

- (b) As a consequence, pursuant to Rule 21.31 (d) of the Rules of the Institute of Chartered Accountants of New Zealand, the certificate of public practice held by **Kevin John Williams** be cancelled.

- (c) Pursuant to Rule 21.33 of the Rules of the Institute of Chartered Accountants of New Zealand, the member pay to the Institute the sum of \$17,897.75 (inclusive of G.S.T.) in respect of the costs and expenses of the hearing before the Disciplinary Tribunal and the investigation by the Professional Conduct Committee.

In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the Disciplinary Tribunal directed that this decision be published in the *Chartered Accountants Journal of New Zealand*, the *New Zealand Gazette*, and the newspaper *Hawke's Bay Today* with mention of the former member's name and locality.

Dated this 20th day of June 2001.

MARK SHENNAN, Secretary Disciplinary Tribunal.

**The Waikato Community Trust Incorporated Notes to and Forming Part of the Consolidated Financial Statements for the Year Ended 31 March 2001**

**1. Statement of Accounting Policies**

**Basis of Reporting**

The financial statements presented here are for the reporting entity The Waikato Community Trust Incorporated and its wholly-owned subsidiary Trust Waikato Charities Limited, Trust Waikato Amateur Sport Limited and Trust Waikato District Improvements Limited.

The financial statements have been prepared in accordance with the requirements of the Institute of Chartered Accountants of New Zealand for the measurement and reporting of profit on an historical cost basis with the exception of investments which are recorded at market value.

**Specific Accounting Policies**

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

**(a) Trust Funds**

In order to prudently manage the financial affairs of the trust, the trustees have adopted the following policies for accounting for the trust's capital and retained earnings.

**\* Capital**

Following the sale of the trust's shares in Trust Bank New Zealand Limited in April 1996, the trustees agreed that the value of the trust at that time should be maintained for the benefit of current and future generations living in the Waikato region. For this purpose, the trustees agreed that \$169,800,000 would be considered as the "initial capital" of the trust. The "initial capital value" is increased each year to show the "base capital value" which reflects growth due to inflation and regional growth. An amount was transferred from retained earnings in 1997 to increase the capital of the trust from its original amount of \$21,316,622 to the "initial capital value" and to provide for growth during the 1997 year. Each year an appropriate amount is transferred from income to allow for growth due to inflation and regional population growth.

\* **Investment Fluctuation Reserve**

The trustees have adopted an investment strategy, that is reviewed and revised from time to time, with a targeted long term annual rate of return of 8.4% (2000 – 7.5%) of the trust's "base capital value". Recognising that actual returns are likely to fluctuate from year to year, the trust holds the variation from the target in an investment fluctuation reserve. In years when investment returns are less than the target, an appropriate amount is transferred to income. At the trust's current risk profile the investment fluctuation reserve should have a lower limit of 10% (2000 – 8.1%) and an upper limit of 26% (2000 – 20.3%) of the "base capital value". If the reserve falls below the lower limit, then the level of annual donations will be reduced. If the reserve exceeds the upper limit, then any further excess returns will be transferred to the donation reserve.

\* **Donation Reserve**

The trust's present donation policy is to distribute annually as donations 4.9% (2000 – 3.5%) of the "base capital value". The trustees recognise that for a number of reasons this might not always be achievable and that there will inevitably be fluctuations between the donations distributed and the actual target. The surplus after transfers to capital and the investment fluctuation reserve is held in the donation reserve and represents the trust's retained earnings. It is the trust's intention to apply this fund to future donations.

**(b) Fixed Assets**

All fixed assets have been recorded at cost price less accumulated depreciation.

**(c) Depreciation**

Depreciation of fixed assets other than land, art and artefacts, is calculated using taxation rates so as to allocate the cost of the assets over their useful lives. The following rates are used:

Office Equipment and Furniture	12.0-48.0%	Diminishing Value
Motor Vehicles	31.2%	Diminishing Value
Buildings	4.0-31.2%	Diminishing Value

**(d) Donations and Distributions**

Donations and distributions made are included in the statement of financial performance or statement of movements in equity when approved by the trustees.

**(e) Goods and Services Tax**

The trust is not registered for goods and services tax purposes. Accordingly, these financial statements are stated on a G.S.T. inclusive basis.

**(f) Investments**

Investments are stated at market value. Adjustments to market value of investments are included in the statement of financial performance.

**(g) Taxation**

Income tax expense recognises the current obligations payable to the Inland Revenue Department. The partial method of recognising deferred tax is employed. No deferred tax liability is expected to crystallise in the foreseeable future.

**(h) Currency Translation**

Monetary assets denominated in foreign currency are converted to New Zealand dollars at the exchange rates reported at balance date and any unrealised profit or loss resulting from the conversion is reflected in the statement of financial performance.

**(i) Consolidation Method**

The purchase method is used to consolidate the trust and its subsidiaries. All inter-entity transactions, balances and unrealised profits and losses on transactions between group members have been eliminated.

**(j) Changes in Accounting Policies**

There have been no changes in accounting policies since the previous annual financial statements. All policies have been applied on bases consistent with those used in the prior year.

**2. Incorporation**

The Trust Bank Waikato Community Trust was incorporated on 5 August 1988 with trust capital of \$21,316,622. The name of the trust was changed to The Waikato Community Trust Incorporated in December 1997.
