Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand—Notice of Decision (Member Suspended)—Russell Charles Sears

At a hearing held on the 13th day of March 2002, the Disciplinary Tribunal of the Institute of Chartered Accountants of New Zealand considered an *ex parte* application from the Professional Conduct Committee of the Institute to suspend a member.

The Tribunal received evidence that **Russell Charles Sears**, of Taumarunui, had, in his role as a contract accountant during the period of his contract and without authorisation or knowledge of Athletics New Zealand, banked cheques totalling \$28,550.50 to his personal accounts or accounts of entities controlled by him and falsified the cheque butts to conceal this.

The Tribunal resolved unanimously, pursuant to Rule 21.20 of the Rules of the Institute of Chartered Accountants of New Zealand issued under the Institute of Chartered Accountants of New Zealand Act 1996, to suspend **Russell Charles Sears** from membership on the terms that:

- (a) The Tribunal is satisfied that it is necessary and desirable, having regard to the interests of the public, that **Russell Charles Sears** be and is suspended from membership of the Institute of Chartered Accountants of New Zealand pending the further order of the Tribunal.
- (b) Following the expiration of 14 days from the giving of notice of this decision to **Russell Charles Sears**, notice of suspension be published in *The Dominion*, the *Wanganui Chronicle*, the *New Zealand Gazette* and the *Chartered Accountants Journal of New Zealand*.

At a subsequent hearing of the Disciplinary Tribunal held on the 18th day of April 2002, an application from **Russell Charles Sears** under Rule 21.21 for revocation of the order concerning publication was considered.

The Tribunal resolved unanimously and ordered that:

- (a) Pursuant to Rule 21.21, **Russell Charles Sears'** application for revocation be declined in that the Tribunal was satisfied that it was necessary and desirable, having regard to the interests of the public, that notice of his suspension be published in *The Dominion*, the *Wanganui Chronicle*, the *New Zealand Gazette* and the *Chartered Accountants Journal of New Zealand*.
- (b) Following the expiration of 14 days from the giving of notice of this decision to **Russell Charles Sears**, notice of the suspension be published in *The Dominion*, the *Wanganui Chronicle*, the *New Zealand Gazette* and the *Chartered Accountants Journal of New Zealand*.

Proposed Areas, Conditions and Requirements

It is intended that the following conditions and requirements will apply to the areas as described:

Inner Harbour West

This area is defined as that sea area lying to the east of the Auckland Harbour Bridge and to the west of a line drawn between Point Resolution and the south-eastern end of Devonport Wharf.

Within this area, the following requirement applies:

All vessels, excluding those plying registered ferry operations, are restricted to a maximum speed of 10 knots.

Inner Harbour East

This area is defined as that sea area bounded to the west by a line drawn between Point Resolution and the south-eastern end of Devonport Wharf, to the south by No. 8 and No. 10 buoys, and the northern tip of Fergusson Wharf, to the east by Bean Rocks Lighthouse and by No. 6 and No. 4 buoys, to the north by latitude 36° 46.7' S.

Within this area, the following conditions and requirements apply:

1. All vessels, excluding those plying registered ferry operations, or those using the high-speed lane at the southern and eastern boundaries of the area, are restricted to a maximum speed of 10 knots.

Within this area, race courses will be established for the Louis Vuitton Cup 2002/2003, the Thirty-first America's Cup Match and the Defender's Internal Racing Campaign from day to day and will be publicly announced.

Inside the race courses the following condition will apply:

Only competing International America's Cup Class yachts, associated tenders, umpires, marshal boats and vessels accredited by the event organisers may navigate within the race course area during the period of racing operations for that day.

Outside the established race courses, normal navigation is permitted although speed restrictions may be imposed in coastal areas.

General Conditions and Requirements

The following applies to all areas specified above.

The Auckland Regional Council may:

1. order the suspension or abandonment of racing operations if, in the opinion of the Auckland Regional Council's Harbourmaster, adequate levels of public safety cannot be guaranteed. This power will be exercised in consultation with the New Zealand Police, the event organiser and Ports of Auckland Limited.
2. specify and vary conditions and requirements for the day-to-day management and conduct of activities within each area, for the purpose of protecting the safety of the public and the International America's Cup Class yachts and their support craft.

On race days, the co-ordination and management of commercial shipping in Waitemata Harbour will be conducted jointly between the Auckland Regional Council's Harbourmaster and Marine Services Manager, Ports of Auckland Limited.

Proposed Hours of Operation

All areas, except the America's Cup Village area, will generally be active from 0800 to 1800 hours (subject to changes determined on a daily basis). The specific hours of operation will be announced on public broadcasting and marine communication channels.

Legal Services Agency

Legal Services Act 2000

Amendments to Listing Criteria for Specific Legal Services

The Legal Services Agency is required, under section 71 of the Legal Services Act 2000, to give notice in the *New Zealand Gazette* of new or amended listing criteria for determining when a person may be approved to provide specific legal services.

As a result of the Sentencing Act 2002, the agency is amending the descriptions in its provider manual of criminal provider proceedings categories 3 and 4.

The new descriptions are as follows (new section in italics).

Proceedings Category 3

Jury trials before any court or before a District Court or High Court judge alone following an application under section 361B of the Crimes Act 1961 (including the preliminary hearing of the offence) where the most serious charge carries a maximum penalty of more than 10 years' imprisonment (other than life imprisonment and *other than where the person is convicted and a High Court judge indicates they are considering a sentence of preventive detention. The matter becomes a PC 4 at that stage.*)

Proceedings Category 4

Jury trials in any court (including the preliminary hearing of the offence) where any charge carries a maximum penalty of life imprisonment or *where the aided person, if charged, is likely to face a sentence of preventive detention.*

These changes are to ensure that proceedings categories 2 and 3 providers can continue to represent legally aided people who are potentially liable (but not likely) to face a sentence of preventive detention.

If the High Court judge indicates they are considering a sentence of preventive detention, the agency will assign a proceedings category 4 co-counsel to the case.

The agency's *LSA News* publication dated July 2002 contains details of the relevant changes to assignment procedures.

There are no changes to other proceedings categories descriptions.

The new proceedings categories descriptions are effective 1 July 2002.

The agency's provider manual will be amended in due course to reflect these changes.
