The Community Trust of Mid & South Canterbury Incorporated

Community Trusts Act 1999

The Community Trust of Mid & South Canterbury Inc.

Annual Report and Consolidated Financial Statements for the Year Ended 31 March 2002

Trust Particulars

The Community Trust of Mid & South Canterbury Inc. was incorporated as a charitable trust in accordance with the provisions of the Trustee Banks Restructuring Act 1988. The purpose of the community trust is to provide charitable, cultural, philanthropic and recreational benefits to the community.

Trustees: Mr P. F. McIlraith B.A. (chairperson), Mrs C. E. Brand B.COM., C.A. (retired), Ms R. A. Carruthers LL.B., Mr L. K. Cooney LL.B. NOT. PUB., Mr S. J. Dorman LL.B., Mr G. J. Geering, Q.S.O, Mr T. J. McIntyre B.AGRI., DIP. TCH., Mrs K. Mattingley CERT.SOC.WK., DIP.GRAD (OTAGO), M.N.Z.A.S.W., Mrs M. B. Ross B.A., Mrs H. Weeks.

Bankers: WestpacTrust, 243 Stafford Street, Timaru.

Auditors: Martin Wakefield, Chartered Accountants, 26 Canon Street, Timaru.

Executive Director: B. E. C. Strathern, P.O. Box 983, Community House, Timaru.

Chairperson's Report for the Year Ended 31 March 2002

It is my pleasure to again fulfil the community trust's statutory obligation to report on the financial accounts and operating activities of the trust for the year ended 31 March 2002.

The function of this trust is very much a double act in that the trustees have the dual responsibilities of distribution of funds to our community and the stewardship of the capital invested.

While these are distinct duties, they both carry the goals of best practice. At first instance, granting money may seem a simple and gratifying task, but the reality is, there are good and not so good outcomes to grant making and the measuring of this is not just in dollar terms. Good partnership relationships formed with community organisations contribute to best practice.

Likewise, trustees spend many hours monitoring the investment market, in conjunction with the trust's investment consultant and investment managers. Your trustees seek the best advice available and set policy in the best strategic interest of the community of Mid and South Canterbury. Again this may seem simple, but it is not, for what is best for short term can be inconsistent with longer-term goals.

Donations

In the year ended, the trust donated \$1,027,889 to the districts of:

- Ashburton
- Geraldine
- Mackenzie
- Temuka
- Timaru
- Waimate

This covered the classifications of:

- Community health and welfare
- Schools and child care
- Sport and recreation

- Youth activities
- Culture and heritage
- Environmental

A further \$527,967 was granted to the “Secondary Schools Millennium Technology Project” in line with the original commitment.

Financial Results

I regret to report that the trust incurred a deficit of \$551,462 for the year under review. The contributing cause of this result was the extremely poor performance of the overseas equity market, with the events of 11 September 2001 compounding the problem.

Early in the year, before the overseas market collapse and the disastrous 11 September event, the trustees resolved to carry out a full review of its statement of investment policies and objectives.

As a result of this review, the trust appointed a new investment consultant, Mr Michael Chamberlain of MCA (NZ) Limited, who recommended a more passive investment approach, and a move to a multi-investment manager structure.

Guardian Trust Funds Management now retains responsibility for managing domestic fixed interest and New Zealand Bonds, Bankers Trust advising on New Zealand equities, with the major off-shore investments being managed by State Street Global Advisers.

It has to be accepted that the community trust is a large international investor, and will always be subject to fluctuations in the international financial markets. We believe we have a system which should provide a good return over a long period with minimal risk.

Appointment of Auditor

The trust appointed Martin Wakefield, Chartered Accountants of Timaru, to act as auditors to the trust.

Donations Assessment Process

To ensure that the trust’s donations are channelled into areas of most need, the trust is underwriting the cost of a socio-economic district survey during the next financial year. The well-known researcher, Dr Gabrielle Maxwell, of the Institute of Criminology, Victoria University of Wellington, will undertake the study and the trust will be involving other district organisations with the study to ensure that all areas are canvassed.

Year of the Volunteer

In 2001, the trust decided to recognise The Year of the Volunteer by sponsoring a number of seminars in conjunction with Aoraki Polytechnic to upgrade the secretarial and accounting skills of district voluntary and non-profit organisations. It is disappointing to record that only minor district interest was expressed in this project. The trust intends to further promote this worthwhile project during the next year.

Trustee Appointment

During the year, Mr Angus McKay retired from the office of trustee. He represented the interests of the greater community of Methven in a forceful and effective way. On behalf of those communities, I would like to thank Angus for his long service. Mr Geoff Geering, Q.S.O., of Ashburton, was appointed to replace him. There is no doubt Geoff’s vast knowledge and the respect in which he is held, will play an important part in the contribution he makes to the activities of the trust in the future.

Appreciation

The year has been a challenging one for all trustees, particularly with regard to managing the complexities associated with a volatile investment market. They have the common objective of enhancing the Mid-South Canterbury region, and I express my sincere thanks for all their co-operation and their professional approach which they bring to the decision-making table.

I also want to pay tribute to the work and commitment of the administration staff, who go well beyond the call of any job description. They display a personal commitment in their employment to enhancing the community values our organisation aspires to.

P. F. MCILRAITH, Chairperson.

Notes to the Consolidated Financial Statements for the Year Ended 31 March 2002

1. Statement of Accounting Policies

Reporting Entity

The Community Trust of Mid & South Canterbury Inc. is a charitable trust incorporated under the Trustee Banks Restructuring Act 1988. The financial statements have been prepared in accordance with the Financial Reporting Act 1993 and generally accepted accounting policies.

General Accounting Policies

The general accounting policies adopted in the preparation of these financial statements are:

- The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.
- The matching of revenues earned and expenses incurred using accrual accounting.

Particular Accounting Policies

The following are the particular accounting policies which have a material effect on the measurement of results and financial position:

(a) *Dividend Income*

Dividend income is included in the consolidated statement of financial performance when it is received.

(b) *Donations*

Donations, special projects and community loans are accounted for when they are distributed.

(c) *Investments*

Investments held as managed funds are shown at market value. Net income including unrealised gains or losses from holding such investments are recorded in the consolidated statement of financial performance.

(d) *Trust Capital*

Trust capital is made up of:

- Capital fund – which records initial capital fund (being the realised value of trust bank shares).
- Inflation reserve – it is intended to increase the inflation reserve each year by applying the consumer price index to the sum of the initial capital fund and opening inflation reserve. The amount is to be allocated from trust profit on an annual basis. There is insufficient profit to allow this action to occur in the current year.
- Uncommitted surplus represents the balance of any profit remaining.

(e) *Basis of Consolidation*

The Community Trust of Mid & South Canterbury Inc. and its subsidiary the Trust Bank South Canterbury Community Trust Charities Limited have been consolidated using the purchase method of consolidation.

Changes in Accounting Policies

- While the trust has not changed its policy with respect to the capital and reserves of the trust, unfortunately there is insufficient profit to increase the inflation reserve by the level of inflation.
- There have been no other changes in accounting policy.
