Corrigendum

Restoration of Company to the Register of Companies

The Companies Act 1993

The following company was reinstated to the Register of Companies on the 5th day of May 2003:

Gellert Developments Limited (in liquidation). 469416.

It had been removed under section 318 (1) (c) of the Companies Act 1993 on the grounds that no liquidator was acting.

This was incorrect.

The liquidation was continuing.

However, notice of the intended removal was given in error to a former liquidator.

The procedure for its removal was null and void (refer *Re Crott's Application* (1991) 5 NZCLC 67,325) and it is proper that the Register be corrected by its reinstatement.

Dated this 19th day of May 2003.

NEVILLE HARRIS, Registrar of Companies.

Charitable Trusts Act Notices

Will of the Late Richard James Nicholl

Notice of Application for Approval of a Scheme Varying the Terms of a Will

Pursuant to Part III of the Charitable Trusts Act 1957

Notice is hereby given that **Joseph Thomas Sheffield**, as trustee of the will of **Richard James Nicholl**, company director, late of Auckland and Surfers Paradise, Queensland, Australia, has filed an application for approval of a scheme varying the terms of the will under which the deceased's residuary estate is held, in the office of the High Court at Auckland.

Under the will, the residuary estate is to be held on trust by the trustee to pay the income to the following charitable organisations as tenants in common in equal shares:

- The Auckland Branch of the New Zealand Crippled Children's Society Incorporated;
- The Auckland Branch of the Intellectually Handicapped Children's Society Incorporated;
- The Young Women's Christian Association of Auckland Incorporated;
- Heritage Auckland Incorporated; and
- The Auckland Hospital Board (for the purposes of the Auckland Rehabilitation Centre).

Heritage Auckland Incorporated was wound up in 1992.

The Auckland Rehabilitation Centre (known as the Sutherland Unit Rehabilitation Centre) was wound up in or around 1997.

Under the scheme filed, Barnardos will replace Heritage Auckland Incorporated and receive the latter's share of the income from the residuary estate, and The Spectrum Care Trust will replace The Auckland Hospital Board (for the purposes of the Auckland Rehabilitation Centre) and receive the latter's share of the income from the residuary estate, on the grounds that these organisations are those which now best reflect the deceased's charitable intentions and the charitable purposes of Heritage Auckland Incorporated and the Auckland Rehabilitation Centre.

Copies of the scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the office of the Registrar of the High Court at Auckland, or at the office of Chapman Tripp Sheffield Young, solicitors for **Joseph Thomas Sheffield**, trustee, at 23-29 Albert Street, Auckland.

The application has been set down for hearing in the High Court at Auckland on the 28th day of July 2003 at 10.00 a.m.

Any person desiring to oppose the scheme is required to give notice of his or her intention to do so to:

- (a) The Registrar of the High Court at Auckland;
- (b) **Joseph Thomas Sheffield**, trustee, at Auckland; and
- (c) the Attorney-General

not less than seven clear days before the above-mentioned date for hearing.

Maximum Tuition Fees (and Conditions) for Domestic Students That May be Charged by Tertiary Education Organisations¹

Under sections 159ZA (1), 159ZA (2) (e) and 159ZA (6) of the Education Act 1989, the Associate Minister of Education (Tertiary Education) gives the following notice.

Notice

1. **Title**—This notice may be cited as the Education (Tertiary Tuition Fee Maxima) Notice 2003.

3. **Proposal**—I propose:
 - (a) to set the following maximum tuition fees that tertiary education organisations may charge domestic students in courses that receive student component funding;
 - (b) to specify conditions that the Tertiary Education Commission must attach to student component funding, paid by the commission, to tertiary education organisations.

Proposed Maximum Tuition Fees for the Academic Years 1 January 2004 to 31 December 2006²

4. **Fees**—(1) The proposed maximum tuition fees for courses of more than 0.06 Equivalent Full-time Student (EFTS) value are:

Conditions Attached to Student Component Funding Paid by the Tertiary Education Commission to Tertiary Education Organisations

5. The following items will be included in the maxima: tuition fees, compulsory administration charges, examination fees, other charges associated with a programme of study, material charges, cost of field trips and any compulsory purchase of equipment or books through the organisation.
6. Postgraduate courses are excluded from the maxima. Any increase in post-graduate fees of greater than \$1,000 per EFTS per annum will need to be approved by the Tertiary Education Commission through profile discussions.

7. If a student is charged a fee by a provider that is above the maximum tuition fee (on a pro-rata basis)⁴, the provider will not receive Student Component funding for the relevant course(s). If funding has already been paid to the organisation, the Tertiary Education Commission must recover that funding and may do so by any lawful means, including set-off against future funding.

8. The fee maxima will not apply to private training establishments until the 2005 academic year and after. Private training establishments must either not exceed the maxima, or freeze tuition fees in 2004 in nominal terms at 2003 levels, whichever is the greater, as a requirement for student component funding.

9. Other tertiary education providers that charge tuition fees but do not receive Student Component funding must comply with the relevant maximum tuition fee in this notice; the School of Dance and Drama's courses will be included within the maxima for funding category B.

10. The fee maxima will not apply to cable logging and optometry courses until the 2005 academic year and after. Organisations are exempt from the maximum tuition fees for 2004 only, if their fees are above the maxima, but only on the condition that the existing fee is not raised for this qualification.

Invitation to Make Submissions

12. If any tertiary education organisation, or any other person, body or organisation wishes to make submissions on the proposed maximum tuition fees, they can make those submissions to:

Closing Date for Submissions

Submissions must be received by **12 June 2003**.

Dated at Wellington this 20th day of May 2003.

STEVE MAHAREY, Associate Minister of Education (Tertiary Education).

Note: Effect of this Notice

This note is not part of this notice but is intended to indicate its general effect. The Education (Tertiary Reform) Amendment Act 2002, for the most part, came into force on 1 January 2003. The Amendment Act inserted a new Part 13A (relating to the establishment and operations of the Tertiary Education Commission) into the principal Act. The commission is required to fund tertiary organisations and can impose conditions on funding (including the maximum limits on tuition fees that may be charged to domestic students). Conditions for that purpose can only be imposed if the Minister has issued this notice, considered submissions and determined the maximum tuition fee limits. The Amendment Act also inserted into the principal Act new sections 227 (1A) and 236C which prevent tertiary education institutions and private training establishments, that receive funding from the Tertiary Education Commission, charging domestic students tuition fees above the maxima specified in those conditions when imposed.

Footnotes

¹The term *organisation* is defined in section 159B of the Education Act 1989 as an institution, a private training establishment, a government training establishment, an industry training organisation, and any other person or body that provides tertiary education and is funded through Vote: education for that purpose or identified by the minister by notice in the *New Zealand Gazette*.

²The maxima for subsequent years will be inflation adjusted. The figures provided here for 2005 and 2006 maximum tuition fees are indicative, based on budget economic and fiscal update inflation estimates.

³Business and Law relates to course and programme classifications 4 and 14.

⁴The maximum level of fees part-time students may be charged depends on the number of EFTS they undertake. For example, if a student undertakes 0.6 of an EFTS in category A then the maximum fee will be: $0.6 * 3,900 = \$2,340$. If students undertake study in a mix of funding categories their maxima will be a weighted average of the relevant maxima. For example, if 0.4 of an EFTS is in category A and 0.6 of an EFTS is in category B, then the maximum fee will be: $0.4 * 3,900 + 0.6 * 4,500 = \$4,260$.

Social Security Act 1964

Special Needs Grant Amendment 2003

Pursuant to section 124 (1)(d) of the Social Security Act 1964, the Minister of Social Services and Employment establishes and approves the following amendment to the Special Needs Grant Programme (as established and approved on 18 December 1998).

Dated at Wellington this 14th day of May 2003.

STEVE MAHAREY, Minister of Social Services and Employment.

A m e n d m e n t

1. Title—(1) This amendment is the Special Needs Grant Amendment 2003.

(2) In this amendment, the Special Needs Grant Programme is called “the programme”.

2. Commencement—(1) Clause 3 of this amendment comes into effect on 1 July 2003.

(2) Clause 4 of this amendment comes into effect on the day after the date on which it is approved.

3. Definitions—(1) The definition of **district** in clause 18.5 of the programme is amended by omitting the expression “1974” and substituting the expression “2002”.

(2) The definition of **region** in clause 18.5 of the programme is amended by omitting the expression “1974” and substituting the expression “2002”.

4. Special assistance to the rural sector—Clause 18.8 of the programme is amended by inserting after the words “that person’s income” wherever they occur, the words “which is more than \$80 a week”.

Explanatory Note

This note is not part of the amendment, but is intended to explain its general effect.

This amendment to Part 6 of the Special Needs Grant Programme (Special Assistance to the Rural Sector) introduces an abatement free zone of \$80.00 a week. Where farmers earn in excess of \$80.00 a week, the grant abates dollar for dollar. This amendment also consequentially amends the programme to take account of the Local Government Act 2002, the relevant sections of which come into force on 1 July 2003.
