Economic Development

Building Act 1991

Government Policy Statement Under Section 14 of the Building Act 1991

Pursuant to section 14 of the Building Act 1991, I hereby notify that the following directions relating to the policy of the Government has been given by me to the Building Industry Authority on 11 April 2003:

“The Government is in the process of reviewing the Building Act 1991. This will result in a number of significant changes to the Act, aimed at strengthening building controls and restoring confidence in the building industry. The Government intends introducing a Bill in the House in mid-2003 to enact its policy decisions.

The Government has already decided that the appropriate institutional form for the role and functions currently performed by the Building Industry Authority (BIA) is a department of State rather than a Crown entity. This policy decision will be reflected in the new building industry legislation. A decision on which Department is to be responsible in the longer term for regulation of building will be taken at the end of July 2003.

The Government would like a smooth transition to the new institutional structure when the Bill is passed into law.

The Government requests that the BIA work closely with the Ministry of Economic Development to create a set of transitional arrangements that:

- ensures that the BIA continues to effectively perform its day-to-day regulatory business under the existing legislation;
- repositions the organisation for the enhanced role that will result from the current review and builds strategic capacity and management systems to carry out the role effectively; and
- strengthens relationships with a range of stakeholders and enables them to contribute to the reform and transition processes.

There are changes that can be implemented before legislation is passed. In particular, the Government is looking to the Chair to take the lead in building the credibility and profile of the BIA, and promoting a more proactive culture within the BIA. Stakeholders in the sector are looking to the BIA for real leadership.

In addition, the Government requests that the BIA co-ordinates closely with the Ministry of Economic Development on the development of implementation strategies for the new legislation, on the assumption that the Bill will be passed into law in early 2004.”

Royal & Sun Alliance Insurance (New Zealand) Limited

Insurance Companies (Ratings and Inspections) Act 1994

Change of Rating—Royal & Sun Alliance Insurance (New Zealand) Limited, Royal & Sun Alliance Liability Insurance Limited and Royal & Sun Alliance Accident Insurance Limited

Pursuant to clause 8(1) of the Insurance Companies (Ratings and Inspections) Act 1994, Standard & Poor's (Australia) Pty Limited has upgraded its insurer financial strength and counter-party credit ratings on Royal & Sun Alliance Insurance (New Zealand) Limited, Royal & Sun Alliance Liability Insurance Limited and Royal & Sun Alliance Accident Insurance Limited to "A" from "A-" on 22 May 2003.

The rating is defined as strong.

The new higher rating will also apply to International Marine (IMIA), Axiom and Mariner policies (all of which are underwritten by Royal & Sun Alliance Insurance (New Zealand) Limited).

Our former rating of "A-", with a developing outlook, reflected the uncertainty of the Promina IPO.

However, the IPO has been successful, with the result that we are now rated "A" (strong) with a stable outlook.

As Standard & Poor's credit analyst Michael Vine acknowledged:

"The strong ratings reflect Promina's solid business fundamentals, geographic and product diversity, and well-recognized franchise, which are supported by a strong capital structure and supportive reinsurance arrangements."

ROGER BELL, Chief Executive, Royal & Sun Alliance Insurance (New Zealand) Limited.

Tower Insurance

Insurance Companies (Ratings and Inspections) Act 1994

Change of Rating—TOWER Insurance Limited

Pursuant to section 8(1) of the Insurance Companies (Ratings and Inspections) Act 1994, the insurer financial strength rating for TOWER Insurance Limited has been changed to "BBB+" from "A-".

At the same time, the rating has been removed from CreditWatch.

The new rating is the result of the recent loss announced by the TOWER Group for the half year ended 31 March 2003.

This adverse result has primarily occurred following a review of the carrying value of subsidiary companies in the group's accounts, which does not affect TOWER Insurance's underlying strength.
