Will of the Late Charles Frederick Bennett

Notice of Application for Approval of a Scheme Varying the Terms of a Will

Pursuant to Part III of the Charitable Trusts Act 1957

Notice is hereby given that **The New Zealand Guardian Trust Company Limited** (formerly **The New Zealand Insurance Company Limited**), as current trustee ("the trustee") of the will of **Charles Frederick Bennett**, deceased real estate agent, late of Auckland, has filed in the High Court at Auckland an application for approval of a scheme varying the terms of the will of the said **Charles Frederick Bennett**.

Under the will a perpetual annual bursary is established, the income from which is payable to the "most efficient and practical child being an inmate of any orphanage in the Auckland Education District as now represented by the Auckland Orphanages United Council".

The will further provides for the bursary to be paid by a "committee consisting of the Chief Inspector for the time being of schools in the Auckland Education District the present for the time being of the Auckland Orphanages United Council and my trustee".

As orphanages, the Auckland Orphanages United Council, Auckland Education District and the Chief Inspector of Schools no longer exist, so the terms of the bursary award now require redefinition.

Accordingly, the trustee proposes to apply to the High Court for approval of a scheme under the Charitable Trusts Act 1957 whereby:

- (a) Accumulated interest to date is capitalised.
- (b) One or more bursary is to be paid, after advice from an advisory committee comprising representatives

from the trustee, Childrens Homes United Council Inc and the relevant Government Department (currently the Education Review Office), to the guardian of each child or to the authority controlling the institution where that child lives with recipients being required to be without living natural parents or not living with or supported by a natural parent who is attending an intermediate or secondary school in the Auckland region, being south of Warkworth but north of Port Waikato including the islands of the Hauraki Gulf, but excluding the Coromandel Peninsula.

- (c) The trustee possesses the power to vary the trust deed provided that the charitable purposes not be varied.

Copies of the scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the office of the Registrar of the High Court at Auckland, or at the office of the trustee, 48 Shortland Street, Auckland.

The application has been set down for hearing in the High Court at Auckland on the 11th day of August 2003 at 10.00 a.m.

Any person desiring to oppose the scheme is required to give notice of his or her intention to do so to:

- (a) the Registrar of the High Court at Auckland; and
- (b) the trustee, at Auckland; and
- (c) the Attorney-General

not less than seven clear days before the above-mentioned date for hearing.

J. T. BURLEY, Counsel for the Applicant.

Tertiary Education Commission

Education Act 1989

Requirements and Exemptions for Interim Profiles for 2003 (for Tertiary Education Institutions, Certain Private Training Establishments and Industry Training Organisations and Exemption for Other Organisations)

Under sections 159X (1) and 159Y (3) (b) of the Education Act 1989, and section 7 of the Education (Tertiary Reform) Amendment Act 2002, the Tertiary Education Commission (TEC) gives the following notice.

Notice

1. Title and commencement—(1) This notice may be cited as the Education (Interim Profiles for Tertiary Education Organisations) Notice 2003.

(2) This notice applies from the date of its publication.

2. Introduction—As this is the first notice of the requirements for profiles as described in section 159W of the Education Act 1989 (as inserted by section 9 of the Education (Tertiary Reform) Amendment Act 2002), TEC believes that it is important to advise stakeholders in the tertiary sector of the context within which profiles fit.

The Government has set a new strategic direction for the tertiary education system to ensure that it is more strategically aligned to the needs of New Zealand and has a greater focus on excellence. This new direction is outlined in the Tertiary Education Strategy 2002-07 (TES).

Derived from this strategy is the Statement of Tertiary Education Priorities (STEP). The role of the STEP is to outline the short-to-medium term priorities that the Government expects government agencies and publicly funded tertiary education organisations (public and private tertiary education providers, industry training organisations, government training organisations and other providers – TEOs) to focus on in order to achieve the goals articulated in the strategy.

Activities to be publicly funded have to be aligned with the TES and the STEP. Charters and profiles are the means by which TEOs demonstrate their alignment and the assessment of strategic relevance criteria within charters and profiles are the means by which alignment is assessed.

The charter is a governance document that provides a broad description of a TEO’s mission and distinctive role within the tertiary system. The profile outlines how a TEO will give effect to its charter and what its contribution in terms of the TES and STEP will be. Specifically, profiles serve the following purposes. They:

- demonstrate how an organisation will give effect to its charter;
- provide the basis for monitoring organisational performance, accountability for the use of public funds, and meeting other statutory requirements;
- contribute to a system-wide map of tertiary provision which can inform TEC in its role of giving effect to the TES;
- encourage relevance of educational provision to stakeholders’ needs;
- encourage greater co-operation and collaboration; and
- provide information on existing and planned programmes and activities as a basis for allocating public funding.

These are the consolidated financial statements of The Community Trust of Otago, Otago Community Trust Charities Limited, The Community Trust Amateur Sports Co Limited, The Community Trust District Improvement Co Limited and Fillmor House Limited. The Community Trust of Otago was incorporated as a charitable trust in accordance with the provisions of the Community Trusts Act 1999.

The financial statements have been prepared to comply with the Financial Reporting Act 1993 and comprise consolidated statements of the following: Financial performance, movement in trust funds, financial position, cashflows, as well as notes to these financial statements.

The financial statements are prepared on the basis of historical cost, except for the revaluation of managed funds.

Specific Accounting Policies**Income**

Income from managed funds includes both realised and unrealised income and is recorded gross of fund management expenses.

Interest is recognised on an accrual basis.

Donations

Donations are accounted for once they have been approved by the trustees.

Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Taxation

Income tax is recognised on the surplus after distribution, adjusting for differences between taxable and accounting income.

Future tax benefits are not recognised unless realisation of the asset is virtually certain.

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

Depreciation

Depreciation has been charged to the financial statement using rates which will write off the cost of assets less their estimated residual value over their estimated economic lives. The depreciation rates used are:

Buildings	4%
Office furniture and equipment	12-48%

G.S.T.

Subsidiaries of The Community Trust of Otago, being Fillmor House Limited and The Community Trust District Improvement Company Limited, are registered for G.S.T.

Accordingly, their financial performance and financial position have been consolidated within the accounts on a G.S.T. exclusive basis.

Subject to the above, the trust is not registered for G.S.T. purposes and, therefore, the financial statements have been prepared on a G.S.T. inclusive basis.

Basis of Consolidation

The Community Trust of Otago, Otago Community Trust Charities Limited, Fillmor House Limited, The District Improvement Company Limited and The Community Trust Amateur Sports Company Limited have been consolidated using the purchase method of consolidation.

Capital Maintenance Reserve

The capital maintenance reserve represents the additional amount necessary to preserve the real value of the capital allowing for inflation as measured by the Consumers' Price Index (C.P.I.).

Investments

Investments are valued at year end market value. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Hedging Instruments

The trust, through its investment managers, enters into hedging instruments such as futures, options and forward exchange contracts. These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in the statement of financial performance as income from managed funds.

Statement of Cashflows

Cash comprises cash at bank and call deposits but does not include cash or deposits held by the fund managers.

Financial Instruments

Financial instruments all relate to cash, accounts receivable and accounts payable, and all revenues and expenses relating to these are recognised in the statement of financial performance in the period that any gain or loss becomes certain.

Cash and investments are stated at cost. Receivables are stated at net realisable value.

Payables are stated at amounts owed to those entities at balance date.

The maximum exposure to credit risk is represented by the carrying value of each of the financial assets and liabilities in the statement of financial position.

Income Tax

Income tax expense is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.
