**Notes to the Consolidated Financial Statements for the Year Ended 31 March 2004****1. Statement of Accounting Policies****1.1 Reporting Entity**

Eastern and Central Community Trust Inc. is a charitable trust incorporated in accordance with the provisions of the Community Trusts Act 1999.

The trust has a wholly owned company – Eastern & Central Community Trust Charities Limited – which is registered under the Companies Act 1993.

The consolidated financial statements have been prepared in accordance with the Financial Reporting Act 1993.

### 1.2 Measurement Base

The measurement base applied is that of historical cost adjusted for the market valuation of investments.

### 1.3 Specific Accounting Policies

The following are the particular accounting policies, which have a material effect on the measurement of results and financial position.

#### 1.3.1 Basis of Consolidation

The consolidated financial statements include the trust and its wholly owned company accounted for using the purchase method. All significant inter-entity transactions are eliminated on consolidation. The entities have a common balance date of 31 March.

**1.3.2 Investment Income** is accounted for on an accruals basis recognising both realised and unrealised gains or losses in value.

**1.3.3 Foreign Currency** balances are converted to NZD at the year end rate of exchange unless covered by a forward exchange contract. Where such contracts are in place, the contracted rate is adopted. Transactions completed during the year are converted at the rate applying at the approximate date of the transaction. Foreign exchange gains and losses are included within the statement of financial performance.

**1.3.4 Investments** are recorded at market value at year-end.

**1.3.5 Cash** comprises cash at bank, call deposits and short-term deposits but does not include cash held by fund managers. Cash flows from operations include withdrawals of income from managed funds.

**1.3.6 Donations** are recognised as a liability of the trust when they are approved by trustees and notified to applicants notwithstanding that the applicants may still have to fulfil some conditions.

#### 1.3.7 Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

**1.3.8 Depreciation** is provided on a straight line basis on all tangible fixed assets at rates calculated to allocate the assets' cost less estimated residual value over their estimated useful lives.

The depreciation periods are:

Computer equipment	three years
Fixtures and fittings	nine years
Furniture	ten years
Office equipment	five years

**1.3.9 Income tax** expense recognises the obligation payable to the Inland Revenue Department.

**1.3.10 G.S.T.** inclusive accounting has been adopted, as the trust is not registered for G.S.T.

### 1.4 Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been consistently applied.

**Notes to the Financial Statements for the Year Ended 31 March 2004**

**1. Statement of Accounting Policies**

**General Accounting Policies**

The following general accounting policies have been adopted in the preparation of the financial statements.

- (i) The Community Trust was incorporated as a charitable trust in accordance with the provisions of Community Trusts Act 1999. These financial statements have been prepared in accordance with applicable financial reporting standards.

- (ii) The measurement base adopted is that of historical cost, except for the revaluation of investments. Reliance is placed on the fact that the trust is a going concern.

### Specific Accounting Policies

#### Depreciation

Depreciation has been charged in the financial statements using rates allowed by the Inland Revenue Department which will write off the cost of assets less their estimated residual value over their estimated economic lives.

The depreciation rates used are:

Buildings	3% c.p.
Office equipment	6-60% c.p.
Furniture and fittings	14-40% d.v.
Computer	28-48% d.v.

#### Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

#### Investments

Investments are shown at market value. Net income including realised and unrealised gains or losses from holding or trading these investments is recorded in the statement of financial performance.

Investment properties are stated at open market value less estimated costs of disposal as determined by independent valuers at balance date. Unrealised changes in the value of investment properties are included in revenue. Investment properties are not depreciated.

#### Donations

Donations are accounted for on a cash basis.

#### Dividend Income

Dividend income is included in the statement of financial performance when it is received.

#### Income Tax

Income tax expense is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.

#### Goods and Services Tax

The subsidiary of Community Trust Charities Limited, Canterbury Trust House Limited, is registered for G.S.T. Accordingly, its financial performance and financial position have been consolidated within the accounts on a G.S.T. exclusive basis.

Subject to the above, the trust is not registered for G.S.T. purposes and therefore, the financial statements have been prepared on a G.S.T. inclusive basis.

#### Financial Instruments

Foreign currency transactions are translated to New Zealand currency at the exchange rate ruling at the dates of the transactions. Amounts receivable and payable in foreign currencies at balance date are translated at the exchange rate at that date. Exchange differences arising from the translation of amounts payable and receivable in foreign currencies are recognised in the statement of financial performance.

Off-balance sheet financial instruments that are designated as hedges are recognised on the same basis as the underlying hedged item. Off-balance sheet transactions that do not constitute specific hedges are stated at market value and any resultant gain or loss is recognised in the statement of financial performance.

#### Cash

For the purpose of the statement of cash flows, cash comprises WestpacTrust balances only. Cash excludes bank deposits not used as part of the trust's day-to-day cash management.

#### Basis of Consolidation

The Community Trust, Community Trust Charities Limited and its subsidiaries, Canterbury Trust House Limited, Amateur Game or Sport Promoter Limited and District Improvement Organisation Limited have been consolidated using the purchase method of consolidation.

#### Changes in Accounting Policies

There have been no changes in accounting policies except the accounting for investment properties from which the trust is deriving rental income. From 31 March 2004 these properties, which were previously recorded at cost less accumulated depreciation, have been valued at market value. The effect of this change is an increase in revenue of \$401,630 and is included in the statement of financial performance. All other policies have been applied on bases consistent with those used last year.

Future donation commitments represent donations approved in the current or previous years which are to be distributed from either capital or future income sources.

The trustees recognise that there is a need to ensure a fairness and equity between the regions as far as payments of donations are concerned in relation to budgetary allocations. The allocation of donations between regions is based on population statistics for each region.

**4. Trust Funds**

	2004	2003
Core real capital base reserve:

Total trust funds	<u>453,324,669</u>	<u>421,419,006</u>

The capital base reserve is an allowance for the erosion of the value of the core real capital base reserve, due to inflation. For 2004, this was calculated based on inflation at 1.5% on a core real capital base reserve of \$398,665,315, being the original core real capital base reserve of \$358,000,000 plus the adjusted capital base reserve of \$40,665,315.

The core real capital adjustment recognises an amendment to the trust's capital position to capitalise previously set aside income reserves following the 1996 sale of the Trust Bank NZ Limited shareholding, and also includes an inflationary movement for that adjustment.

**12. Financial Instruments**

Investments are stated at market value at balance date. Accounts receivable and accounts payable are stated at the amounts expected to be received or paid. **Concentration of Investments**

Ninety-eight percent (98%) of the assets of the trust are represented by investments held with a range of financial institutions. The trustees consider the risk of non-recovery of these investments to be mitigated by prudent investment strategies and an appropriately diversified portfolio.

**Currency Risk**

The trust incurs currency risk as a result of investment transactions entered into by fund managers. Such risks are mitigated by foreign currency hedges where appropriate.

**Interest Rate Risk**

The following investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, government and local authority and securities held by fund managers.

***Auditors' Report to the Trustees of The Community Trust***

We have audited the consolidated financial statements. The consolidated financial statements provide information about the past financial performance and cash flows of the trust and subsidiaries for the year ended 31 March 2004 and their financial position as at that date. This information is stated in accordance with the accounting policies set out in Note 1.

***Trustees' Responsibilities***

The trustees are responsible for the preparation and presentation of the consolidated financial statements which present fairly the financial position of the trust and subsidiaries as at 31 March 2004, and their financial performance and cash flows for the year ended on that date.

***Auditors' Responsibilities***

We are responsible for expressing an independent opinion on the consolidated financial statements presented by the trustees and reporting our opinion to you.

***Basis of Opinion***

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the consolidated financial statements. It also includes assessing:

- the significant estimates and judgements made by the trustees in the preparation of the consolidated financial statements; and
- whether the accounting policies are appropriate to the circumstances of the trust and subsidiaries, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give reasonable assurance that the consolidated financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the consolidated financial statements.

We have no relationship with or interests in the trust and subsidiaries other than in our capacity as auditors.

#### *Unqualified Opinion*

We have obtained all the information and explanations we have required.

In our opinion, the consolidated financial statements:

- comply with generally accepted accounting practice in New Zealand; and
- present fairly the financial position of the trust and subsidiaries as at 31 March 2004, and their financial performance and cash flows for the year ended on that date.

Our audit was completed on 28 June 2004 and our unqualified opinion is expressed as at that date.
