Electricity Commission

Electricity Governance Regulations 2003

Notice of the Grant of Variation of Exemption No. 8

This notice of the grant of a variation of exemption is issued by the Electricity Commission ("Commission"), continued under subpart 1 of part 15 of the Electricity Act 1992, pursuant to Regulation 196 of the Electricity Governance Regulations 2003 ("Regulations") in favour of TrustPower Limited ("TrustPower").

Notice of the Grant of a Variation of Exemption ("notice")

Regulation 194 (2) requires that the variation of exemption and the Commission's reasons for granting it are notified in the *New Zealand Gazette* as soon as practicable after being granted.

Subject to the terms and conditions imposed upon TrustPower in respect of any variation of exemption contained within this notice, the Commission hereby notifies it grants a variation of exemption to Exemption No. 8 (granted to TrustPower on 24 February 2004 ("original exemption")) from the requirement to comply with the following Electricity Governance Rules ("Rules"):

1. Rule 6.12 of section II of part G (revision of reserve offers).
2. Rule 6.16 of section II of part G (notifying reserve offers).

Terms and Conditions of the Grant of the Variation of Exemption

Pursuant to Regulation 196, the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, vary or revoke an exemption.

In respect of the variation of exemption contained within this notice, the Commission imposes the following terms and conditions:

1. The exemptions are limited to reserve offers made for Patea power station at the HWA1101 node.
2. The exemptions only apply when TrustPower revises energy offers within two hours prior to the relevant trading period for Patea power station at the HWA1101 node.
3. TrustPower must submit any reserve offers at least 30 minutes prior to the relevant trading period.
4. The original exemption is now varied to expire on 31 March 2005.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on the application by a participant or on the initiative of the Commission.

Commission's Reasons for Grant of the Variation of Exemption Contained in this Notice

The reasons for grant of the variation of exemption are as follows:

1. The required rule changes, which justified the granting of the original exemption, have not been able to be progressed prior to the original exemption's expiry date.
2. On balance, the Commission thinks it is appropriate to grant an extension of the original exemption to allow the Commission more time to investigate the appropriate rule changes.
3. All other reasons for granting the original exemption remain valid.

Date Upon Which the Variation to the Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the variation of exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the variation of exemption, is 1 September 2004.

ROY HEMMINGWAY, Chairman, for and on behalf of the Electricity Commission.

au5684

Notice of the Amendment of Exemption No. 13

This notice of the amendment of an exemption is issued by the Electricity Commission ("Commission"), continued under subpart 1 of part 15 of the Electricity Act 1992, pursuant to Regulation 194 (5) (d) of the Electricity Governance Regulations 2003 ("Regulations") in favour of TrustPower Limited ("TrustPower"), acting as an agent for Carter Holt Harvey Pulp and Paper Limited.

Notice of the Amendment of an Exemption ("notice")

Subject to the terms and conditions imposed upon TrustPower, in respect of any exemption contained within this notice, the Commission hereby notifies it amends the exemption granted to Carter Holt Harvey Pulp and Paper Limited under urgency in reliance upon Regulation 194 (4) (Exemption No. 13 published in the *New Zealand Gazette* on 26 February 2004 from the requirement to comply with the following Electricity Governance Rules ("Rules")):

- Rule 4.11 of section III of part G (compliance with dispatch instructions).

Terms and Conditions of the Grant of the Amendment of Exemption

Pursuant to Regulation 194 (1), the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, exempt any participant, or class of participants, from compliance with all or any of the rules.

In respect of the amendment of exemption contained within this notice, the Commission imposes the following terms and conditions:

1. The exemption shall expire on 1 September 2005.
2. The exemption only relates to generation at KIN0112.
3. Generation at KIN0112 stays within 5 MW of any dispatch instruction issued by the system operator.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on the application by a participant or on the initiative of the Commission.

Commission's Reasons for Grant of the Amendment of Exemption Contained in this Notice

The reasons for grant of the amendment of exemption are as follows:

- (a) Most of the energy produced by generation at the Kinleith plant is used on-site and the on-site processes require the operation of the co-generation plant in conjunction with these processes. The Kinleith plant is therefore unable to comply with the rule requiring them to follow dispatch instructions.
- (b) The Commission is unable to identify any participants who would be unduly affected by the grant of the amendment of exemption.
- (c) Granting the amendment of exemption will allow time for the Commission to investigate a rule change or other mitigation measures which appropriately reflect the operation of cogeneration plant.

Date Upon Which the Amendment of Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the amendment of exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the amendment of exemption, is 1 September 2004.

ROY HEMMINGWAY, Chairman, for and on behalf of the Electricity Commission.

Notes to the Consolidated Financial Statements for the Year Ended 31 March 2004

Basis of Preparation

These are the consolidated financial statements of The Community Trust of Otago and its 100% subsidiaries Otago Community Trust Charities Limited, The Community Trust Amateur Sports Co Limited, The Community Trust District Improvement Co Limited and Fillmor House Limited. The Community Trust of Otago was incorporated as a charitable trust in accordance with the provisions of the Community Trusts Act 1999.

The financial statements have been prepared to comply with the Financial Reporting Act 1993 and comprise consolidated statements of the following: Financial performance, movement in trust funds, financial position, cashflows, as well as notes to these financial statements.

The financial statements are prepared on the basis of historical cost, except for the revaluation of managed funds.

Specific Accounting Policies

Income

Income from managed funds includes both realised and unrealised income and is recorded gross of fund management expenses.

Interest is recognised on an accrual basis.

Donations

Donations are accounted for once they are approved by the trustees.

Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Taxation

Income tax is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.

Future tax benefits are not recognised unless realisation of the asset is virtually certain.

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation.

Depreciation

Depreciation has been charged to the financial statement using rates which will write off the cost of assets less their estimated residual value over their estimated economic lives. The depreciation rates used are:

Buildings	4%
Office furniture and equipment	12-48%

Donations Payable

Donations payable represents donations approved by the trustees but unpaid as at balance date.

Receivables

Receivables are stated at estimated realisable value after providing against debts where collection is doubtful. Bad debts are written off during the period in which they are identified.

Stock on Hand

Stock on hand is stated at the lower of cost and net realisable value.

G.S.T.

Subsidiaries of The Community Trust of Otago, Fillmor House Limited and The Community Trust District Improvement Company Limited are registered for G.S.T.

Accordingly, their financial performance and financial position have been consolidated within the accounts on a G.S.T. exclusive basis.

Subject to the above, the trust is not registered for G.S.T. purposes and the financial statements have been prepared on a G.S.T. inclusive basis.

Basis of Consolidation

The Community Trust of Otago, Otago Community Trust Charities Limited, Fillmor House Limited, The District Improvement Company Limited and The Community Trust Amateur Sports Company Limited have been consolidated using the purchase method of consolidation.

Investments

Investments are valued at period end market value. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Hedging Instruments

The trust, through its fund managers, enters into hedging instruments such as forward exchange contracts. These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in the statement of financial performance as income from managed funds.

Statement of Cashflows

Cash comprises cash at bank and call deposits but does not include cash or deposits held by the fund managers.

Financial Instruments

All assets and liabilities of the trust with the exception of fixed assets are financial instruments and are recognised in the statement of financial position. All financial instruments are recorded at market value or fair value or are not materially different from market value or fair value.

Fund managers utilise financial instruments with off balance sheet risk to reduce exposure to fluctuations in foreign currency exchange rates.

Forward exchange contracts are entered into to hedge foreign currency transactions.

These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in the statement of financial performance.

The quantitative disclosures required by FRS 31 Disclosure of Information About Financial Instruments, have been included throughout the financial statements where material.

Changes in Accounting Policies

There have been no changes in accounting policies during this accounting period. During the year to 31 March 2003, there was a change in the way the trust accounted for donations approved and not paid. This had the effect of reducing equity by \$5,380,295 in the financial year to 31 March 2003. All donations once approved are now included as donations payable.

7. Financial Instruments**Currency Risk**

The trust, through its fund managers, invests in securities that are denominated in foreign currencies and therefore result in a currency risk. The trusts fund managers actively monitor this risk and hedge positions in accordance with their investment guidelines.

Interest Rate Risk

The trust, through its fund managers, invests in securities that are subject to interest rate risk. The trusts fund managers monitor this risk and change asset allocations and maturity profiles in accordance with their investment guidelines.

Credit Risk

The trust, in the normal course of business, enters into arrangements with other parties. These arrangements give rise to credit risk for the trust and hence policies and procedures are maintained so that the risk is minimised. No collateral is required in respect of financial assets.

For all classes of financial assets held by the trust, the maximum credit risk exposure to the trust is the carrying value as disclosed in the financial statements at balance date.

Due to the diversification of the investment portfolio and the policies and procedures in place, there are no significant concentrations of credit risk.

Fair Values

All financial instruments are carried at market value.

Audit Report

To the Trustees of The Community Trust of Otago

We have audited the financial statements. The financial statements provide information about the past consolidated financial performance and financial position of the trust as at 31 March 2004. This information is stated in accordance with the accounting policies.

Trustees' Responsibilities

The trustees are responsible for the preparation of consolidated financial statements which give a true and fair view of the financial position of the trust as at 31 March 2004, and the results of its operations and cashflows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards issued by the Institute of Chartered Accountants of New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Our firm carries out other assignments for the trust in the area of special consultancy projects, taxation and general accounting services. These matters have not impaired our independence as auditors of the trust. The firm has no other relationship with or interest in the trust.

We have obtained all the information and explanations we have required.

In our opinion, the consolidated financial statements:

- comply with New Zealand generally accepted accounting practice; and
- give a true and fair view of the consolidated financial position of the trust as at 31 March 2004 and the results of its operations and cash flows for the year ended on that date.

Our audit was completed on 28 June 2004 and our unqualified opinion is expressed as at that date.

Statement of Accounting Policies and Notes for the Year Ended 31 March 2004**1. Formation**

The West Coast Community Trust (“the group”) was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. The group consists of West Coast Community Trust and its subsidiary West Coast Community Trust Charitable Company Limited. These accounts have been prepared in accordance with the Financial Reporting Act 1993. The group qualifies for differential reporting because its revenue and number of employees fall below the threshold set by the differential reporting standards.

The group has applied all the differential reporting exemptions allowed with the exception of SSAP3 – Accounting for Depreciation.

2. Measurement System

The measurement system adopted is that of historical cost.

3. Particular Accounting Policies

The particular accounting policies adopted in the statements, which have a significant effect on the results and financial position disclosed, are:

(a) *Income Determination*

Interest income has been accrued to balance date on a daily basis.

(b) *Valuation of Assets*

(i) *Investments*

Investments are stated at net realisable value.

(ii) *Fixed Assets*

All fixed assets are recorded at cost less accumulated depreciation to date.
