Land Transfer Act / Joint Family Homes Act Notices

Land Transfer Act Notice

The applicants described below have applied, under section 70 of the Land Transfer Act 1952, for the removal of a redundant easement. It is contended by the applicants that the easement is redundant by reason of the circumstances set out below. I intend to remove the easement at the expiry of one calendar month from the date of the publication of this notice in the *New Zealand Gazette* and provided that there is no objection lodged by anyone before that date.

Application: 6191951.1.

Applicants: William James Burton and Robert John Burton.

Description of the Easement: A right of way easement over part Lot 2, DP 34528 (Computer Freehold Register NA7D/1235) appurtenant to Lot 3, DP 59622 (Computer Freehold Register NA18D/28) created by Transfer A123102.

Circumstances: The continuity of the right of way easement was broken by the deposit of Plan 59622 and the creation of Lot 3 in the same plan. As a consequence, the right of way easement as described became redundant.

Dated at the Auckland Office of Land Information New Zealand this 10th day of November 2004.

Authorities and Other Agencies of State Notices**Electricity Commission****Electricity Act 1992****Making of a Recommendation Concerning the Electricity Governance Rules 2003 – Rule Amendment Proposal No. 11**

This notice of a recommendation concerning the Electricity Governance Rules 2003 (“Rules”), Rule Amendment Proposal No. 11, is issued by the Electricity Commission (“Commission”), established under the Electricity Act 1992 (“Act”), pursuant to section 172E (2) (c) of that Act.

Section 172E (2) (c) provides that, no later than 10 working days after making a recommendation concerning the Rules to the Minister of Energy, the Commission must publicise the recommendation and the assessment completed under section 172F of the Act.

Recommendation

The Commission made a recommendation that Rule 5.2 of Code of Practice D3, Schedule D1 of Part D of the Rules be amended, in reliance on section 172F (3) (effect of recommendation is minor), on 8 November 2004.

Section 172F (3) provides that the Commission is not required to comply with section 172F (1) (assessment) if it is satisfied that the effect of the recommendation is minor and will not adversely affect the interests of any person in a substantial way.

Accordingly no such assessment has been carried out at this stage.

Recommended Amendment to the Rules

The recommended amendment to Rule 5.2 of Code of Practice D3, Schedule D1 of Part D, is the inclusion of an additional note that outlines that the certification validity periods do not need to be shortened if meters of a higher accuracy class are used.

A copy of the Commission’s recommendation is available, at no cost, on the Commission’s web site:

<http://www.electricitycommission.govt.nz/govern/regs/index.html>

Dated at Wellington this 8th day of November 2004.

Making of a Recommendation Concerning the Electricity Governance Rules 2003 – Rule Amendment Proposal No. 12

This notice of a recommendation concerning the Electricity Governance Rules 2003 (“Rules”), Rule Amendment Proposal No. 12, is issued by the Electricity Commission (“Commission”), established under the Electricity Act 1992 (“Act”), pursuant to section 172E (2) (c) of that Act.

Section 172E (2) (c) provides that, no later than 10 working days after making a recommendation concerning the Rules to the Minister of Energy, the Commission must publicise the recommendation and the assessment completed under section 172F of the Act.

Recommendation

The Commission made a recommendation that Rule 3.3 of Code of Practice D3, Schedule D1 of Part D of the Rules be

amended, in reliance on section 172F(3) (effect of recommendation is minor), on 8 November 2004.

Section 172F(3) provides that the Commission is not required to comply with section 172F(1) (assessment) if it is satisfied that the effect of the recommendation is minor and will not adversely affect the interests of any person in a substantial way.

Accordingly no such assessment has been carried out at this stage.

Recommended Amendment to the Rules

The recommended amendment to Rule 3.3 of Code of Practice D3, Schedule D1 of Part D, is the inclusion of an additional sentence that requires all conductors connecting measuring transformers to other components in a metering installation to be clearly and permanently identified.

This is to ensure the accuracy of metering.

A copy of the Commission's recommendation is available, at no cost, on the Commission's web site:

Notice of Making of Electricity Governance Amendment Rules (No. 11) 2004 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992, I notify the amendment of the Electricity Governance Rules 2003 ("the Rules") under section 172H of the Electricity Act 1992.

2. The empowering provisions for the electricity governance regulations in relation to which the Rules are made are sections 172D(1)(1)(b) of the Electricity Act 1992.

3. A brief description of the nature of the amendment is as follows:

The amendment to Rule 5.2 of Code of Practice D3, Schedule D1 of Part D, inserts an additional note that outlines that the certification validity periods do not need to be shortened if meters of a higher accuracy class are used.

4. The amendment is made in reliance on section 172F(3) of the Electricity Act 1992.

5. Pursuant to section 172Z(4) of the Electricity Act 1992, the reasons for my decision to amend the Rules are that:

- the Rule currently has the unintentional effect of discouraging the use of higher accuracy meters being installed due to the illogical requirement to recertify within a shorter period of time; and
- the amendment to the Rule will encourage the use of a greater number of higher accuracy meters, therefore the Rule change better ensures the accuracy of metering.

6. This Rule comes into force on 16 December 2004.

7. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level Seven, ASB Bank Tower, 2 Hunter Street, Wellington.

The Rules can also be viewed on the Electricity Commission web site:

Notice of Making of Electricity Governance Amendment Rules (No. 12) 2004 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992, I notify the amendment of the Electricity Governance Rules 2003 ("the Rules") under section 172H of the Electricity Act 1992.

2. The empowering provision for the electricity governance regulations in relation to which the Rules are made is section 172D(1)(1)(b) of the Electricity Act 1992.

3. A brief description of the nature of the amendment is as follows:

To address concerns around not having an applied standard in colour coded wiring for conductor identity in the Rules, the following amendment to the Rules is made:

- a. Amend Rule 3.3 of Part D, Schedule D1, Code of Practice D3, by including an additional sentence that requires all conductors connecting measuring transformers to other components in new metering installations be clearly and permanently identified.

4. This amendment is made in reliance on section 172F(3) of the Electricity Act 1992.

5. Pursuant to section 172Z(4) of the Electricity Act 1992, the reason for my decision to amend the Rule is that it better ensures the accuracy of metering.

6. This Rule comes into force on 16 December 2004.

7. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level Seven, ASB Bank Tower, 2 Hunter Street, Wellington.

The Rules can also be viewed on the Electricity Commission web site:

Notice of the Grant of an Exemption # 3

This notice of the grant of an exemption is issued by the Electricity Commission ("Commission"), continued under subpart 1 of Part 15 of the Electricity Act 1992, pursuant to Regulation 194 of the Electricity Governance Regulations 2003 ("Regulations") in favour of Norske Skog Tasman Limited ("Norske Skog").

This exemption is being granted under urgency in reliance on Regulation 194(4).

Notice of the Grant of an Exemption ("notice")

Regulation 194(2) requires that the exemption and the Commission's reasons for granting it are notified in the *New Zealand Gazette* as soon as practicable after being granted.

Subject to the terms and conditions imposed upon Norske Skog in respect of any exemption contained within this notice, the Commission hereby notifies it grants an exemption to Norske Skog from the requirement to comply with the following Electricity Governance Rules 2003 ("Rules"):

- Rules 6.1, 6.4 and 6.5 of Schedule C3 of technical code B of part C.

Terms and Conditions of the Grant of the Exemption

Pursuant to Regulation 194(1), the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, exempt any participant, or class of participants, from compliance with all or any of the Rules.

The Commission must include an expiry date pursuant to Regulation 194(5)(b).

In respect of the exemption contained within this notice, the Commission imposes the following terms and conditions:

- The exemption expires on 30 June 2005.
- The exemption only applies to Norske Skog's requirement to provide automatic under-frequency load shedding at the KAW0112 and KAW0113 grid exit points.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on application by a participant or on the initiative of the Commission.

Commission's Reasons for Grant of the Exemption Contained in This Notice

The reasons for the grant of the exemption are as follows:

- Granting the exemption will allow time for the Commission to consult with the electricity industry on the appropriateness of the exemption test in rule 6.6 of Schedule C3 of technical code B of part C of the Rules and to investigate a rule change to address any issues arising from the consultation.

Date Upon Which the Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the exemption, is 18 November 2004.

Pursuant to Regulation 194 (5) (c), the Commission will publicise the exemption on the Commission's web site and will have regard to any views that participants make known to it by 2 December 2004 at 5.00 p.m.

This exemption is being granted under urgency in reliance on Regulation 194 (4).

Notice of the Grant of an Exemption ("notice")

Regulation 194 (2) requires that the exemption and the Commission's reasons for granting it are notified in the *New Zealand Gazette* as soon as practicable after being granted.

Subject to the terms and conditions imposed upon Northpower in respect of any exemption contained within this notice, the Commission hereby notifies it grants an exemption to Northpower from the requirement to comply with the following Electricity Governance Rules 2003 ("Rules"):

- Rules 6.1, 6.4 and 6.5 of Schedule C3 of technical code B of part C.

Terms and Conditions of the Grant of the Exemption

Pursuant to Regulation 194 (1), the Commission may, in its discretion and upon the terms and conditions (if any) that it thinks fit, exempt any participant, or class of participants, from compliance with all or any of the Rules.

The Commission must include an expiry date pursuant to Regulation 194 (5) (b).

In respect of the exemption contained within this notice, the Commission imposes the following terms and conditions:

- The exemption expires on 30 June 2005.
- The exemption only applies to Northpower's requirement to provide automatic under-frequency load shedding at the BRB0331 grid exit point.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on application by a participant or on the initiative of the Commission.

Commission's Reasons for Grant of the Exemption Contained in This Notice

The reasons for the grant of the exemption are as follows:

- Granting the exemption will allow time for the Commission to consult with the electricity industry on the appropriateness of the exemption test in rule 6.6 of Schedule C3 of technical code B of part C of the Rules and to investigate a rule change to address any issues arising from the consultation.

- The exemption expires on 30 June 2005.
- The exemption only applies to Pan Pac's requirement to provide automatic under-frequency load shedding at the WHI0111 grid exit point.

The Commission notes that Regulation 196 provides that an exemption may be varied or revoked, either on application by a participant or on the initiative of the Commission.

Commission's Reasons for Grant of the Exemption Contained in This Notice

The reasons for the grant of the exemption are as follows:

- Granting the exemption will allow time for the Commission to consult with the electricity industry on the appropriateness of the exemption test in rule 6.6 of Schedule C3 of technical code B of part C of the Rules and to investigate a rule change to address any issues arising from the consultation.

Date Upon Which the Exemption Becomes Effective

Pursuant to Regulation 195, the date upon which the exemption contained in this notice takes effect, being a date which is not earlier than the date of the *New Zealand Gazette* notice in respect of the exemption, is 18 November 2004.

Pursuant to Regulation 194 (5) (c), the Commission will publicise the exemption on the Commission's web site and will have regard to any views that participants make known to it by 2 December 2004 at 5.00 p.m.

For and on behalf of the Electricity Commission:

ROY HEMMINGWAY, Chair.

Securities Markets Act 1988

The Authorised Futures Dealers Notice (No. 5) 2004

Pursuant to section 38 of the Securities Markets Act 1988, the Securities Commission gives the following notice.

Notice

1. Title, commencement, and expiry—(1) This notice is the Authorised Futures Dealers Notice (No. 5) 2004.

(2) This notice comes into force on the day after the date of its publication in the *New Zealand Gazette*.

(3) This notice expires on the close of 30 November 2005.

2. Interpretation—(1) In this notice, unless the context otherwise requires:

“Act” means the Securities Markets Act 1988.

“agreed upon procedures engagement terms” means a written agreement, in terms of the *Explanatory Foreword to Reporting Engagement Standards and Guidelines* issued by the Institute of Chartered Accountants of New Zealand, between the compliance reporter and the company to perform specific procedures with respect to the company's compliance with rules contained in the company's compliance manual.

“compliance reporter” means a qualified auditor who has entered into agreed upon procedures engagement terms with the company.

“qualified auditor” has the same meaning as in section 2C of the Securities Act 1978.

“recognised exchange” means an authorised futures exchange or any exchange in a country other than New Zealand which is authorised by the laws of that country to operate as a futures exchange.

“Regulations” means the Futures Industry (Client Funds) Regulations 1990.

“the company” means KVB Kunlun New Zealand Limited.

(2) Any term or expression that is defined in the Act or the Regulations and used, but not defined, in this notice has the same meaning as in the Act or the Regulations.

3. Authorisation—(1) The company is authorised to carry on the business of dealing in futures contracts generally.

(2) The authorisation is subject to the conditions that:

(a) the company does not carry on the business of dealing in futures contracts on behalf of any person other than a person who has entered into a written client services agreement with the company, and then only in accordance with the terms of that agreement.

(b) before the company carries on the business of dealing in futures contracts on behalf of any person, the company has provided that person with copies of the following:

- (i) A document that clearly describes, for the prudent but non-expert investor, the risks associated with trading in futures contracts, including any specific risk factors that apply to trading in any of the particular contracts or classes of contracts dealt with by the company;
 - (ii) one or more documents that clearly describe, for the prudent but non-expert investor, the class or classes of futures contracts in which the company intends to deal on behalf of that person; and
 - (iii) an investment broker disclosure document including the information listed in section 3 of the Investment Advisers (Disclosure) Act 1996.
- (c) no employee, director or agent of the company may give investment advice to any client unless that director, employee or agent has first provided investment adviser disclosure to that client in terms of the Investment Advisers (Disclosure) Act 1996, including the request disclosure under section 4 of the Act.
- (d) any company document that states the company has been authorised by the Securities Commission to carry on the business of dealing in futures contracts includes a statement to the effect that:
- (i) the Securities Commission's role in authorising futures dealers is limited and does not imply approval or endorsement of the business, trading or solvency of the company; and
 - (ii) the Securities Commission has not approved the client services agreement or any disclosure documents of the company.
- (e) the company maintains proper records:
- (i) to record dealings in respect of futures contracts with or on behalf of the client;
 - (ii) to record client money, funds and property held or received in connection with dealings in futures contracts; and
 - (iii) which are audited or reviewed, and reported on, in accordance with the Regulations and the Financial Reporting Act 1993.
- (f) the company has current agreed upon procedures engagement terms.
- (g) the company has appointed a compliance reporter.
- (h) copies of the current agreed upon procedures engagement terms, the company's compliance manual and any amendments to these documents have been deposited with the Securities Commission.
- (i) the company's financial statements are prepared and registered on the basis that the company is an issuer in terms of the Financial Reporting Act 1993 and are audited at least once a year by a qualified auditor under the Financial Reporting Act 1993.
- (j) the agreed upon procedures engagement terms provide for (without limitation):
- (i) the client money, funds and property records in respect of futures contracts to be reviewed and reported on by the compliance reporter at least once a year;
 - (ii) the review of, and reporting on, the dealing practices and systems of the company against the practices and procedures set out in the company's compliance manual by the compliance reporter (including on-site inspections of the company's records and procedures), such review and reporting to be undertaken at least once in every six months;

- (iii) a copy of the compliance reporter's reports to be sent to the Securities Commission by the compliance reporter;
 - (iv) the company to provide the compliance reporter with copies of its annual report and monthly financial statements including a statement of financial position, a statement of financial performance, a statement of cash receipts and payments that includes receipts and payments of client monies, funds and property for the month, and a statement of its position with regard to client funds;
 - (v) the compliance reporter to give notice to the Securities Commission before or immediately upon it resigning or retiring from its position as compliance reporter.
- (k) the company sends a copy of its audited financial statements to the Securities Commission not more than three months after the end of each financial year.
- (l) the company maintains adequate professional indemnity insurance for its business at all times.
- (m) the company immediately notifies the Securities Commission in writing of any of the following events:
- (i) The insolvency of the company or the bankruptcy of any of its directors.
 - (ii) If the company, or any of its directors, is convicted of an indictable offence.
 - (iii) Where a receiver, provisional liquidator, liquidator or a similar officer is appointed, or any resolution is passed or order made for the winding up or dissolution of the company.
 - (iv) Any regulatory action taken against the company, or any of its directors or senior management, whether in New Zealand or elsewhere.
 - (v) If any director or member of the senior management leaves the company or if any new director or member of senior management is appointed to the company.

4. Further condition relating to on-exchange dealing in futures contracts—The authorisation is also subject to the condition, in respect of any futures contract that is made on or effected through a recognised exchange, that any acquisition or disposal of the contract is effected through a person who is an authorised participant or member of the recognised exchange and who is authorised or licensed by the laws of the country in which it operates to deal in futures contracts.

Dated at Wellington this 12th day of November 2004.

The Common Seal of the Securities Commission was affixed in the presence of:

Public Works Act 1981

Notice of Intention to Take Land for the Upgrade of State Highway No. 2—Dowse Drive to Petone, Wellington Land District

1. Notice is hereby given that the Crown, under the provisions of section 23 of the Public Works Act 1981, proposes to take all the underlying fee simple estate in the land described in the First Schedule, which includes all of the existing interests and all entitlements of the registered proprietor of the unit listed in the Second Schedule in:

- (a) that part of the land described in the First Schedule which currently exists as common property, and which for the avoidance of doubt includes those parts above and below Accessory Units 4C, 5C, 6C, 6B, 7D, 7C, 8F, 8E, 8D, 8C, 8B, 8A, 9D, 10D, 11D, 12D, 13D and 1I (“the accessory units”) on Unit Plan 62361 (which together with the accessory units forms all of the land in the First Schedule of the notice) in proportion to the unit entitlements as shown on Unit Plan 62361, which estate was created on deposit of Unit Plan 62361 under section 4 (2) (b) of the Unit Titles Act 1972 (“the Act”); and
- (b) the undivided share in the fee simple estate in the accessory units which the registered proprietor of Unit 8 is contingently entitled to by virtue of sections 45 and 47 of the Act in proportion to the unit entitlement as shown on Unit Plan 62361, which estate was created on deposit of Unit Plan 62361 under section 4 (2) (c) of the Act, and all other rights with respect to the accessory units, including the interest as registered proprietor of Unit 8 to vote in favour of resolutions to give effect to the actions in paragraphs 2 (a) and 2 (b) and/or such other rights or actions required to give effect to the actions in paragraphs 2 (a) and 2 (b); and
- (c) Accessory Units 8A to 8F (inclusive) Unit Plan 62361.

2. In furtherance of the above proposal and the required purpose of taking the land described in the First Schedule, the Minister for Land Information will:

- (a) transfer the accessory units to common property in accordance with section 19 (2) of the Act; and
- (b) subsequently take by Proclamation 933 square metres of common property being the land described in the First Schedule.

3. The land described in the First Schedule to this notice is required for construction of the upgrade to State

Highway No. 2, Dowse Drive to Petone. The land firstly described in the First Schedule is required for road. The land secondly described in the First Schedule is required for use in connection with a road.

- 4. The intended taking is considered reasonably necessary to improve traffic flow and reduce traffic congestion. All practicable alternatives were considered prior to designation of the land. The proposed land use is in accordance with the designation under the district plan.
- 5. The owners of the land and those persons with a registered interest in it have been served with notice of the Crown’s intention to take the land and advised of their right to object.
- 6. Any other person having the right to object may send a written objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, P.O. Box 5027, Wellington, within 20 working days after the date of publication of this notice.
- 7. If any objection is made in accordance with this notice, a public hearing will be heard with the right of the objector to appear and be heard personally, unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.
- 8. Any person requiring further information in respect of this advice should contact Steve Donaldson of The Property Group Limited, P.O. Box 2874, Wellington. Telephone: (04) 470 6112.
