PARTNERSHIP NOTICES

Second Certificate of Registration

In the High Court of New Zealand, Auckland Registry

In the matter of Part II of the Partnership Act 1908, and in the matter of **JACOMNZ Limited and Company**, being the special partnership:

It is hereby certified, pursuant to section 51 of the Partnership Act 1908, that:

1. The name of the special partnership is **JACOMNZ Limited and Company**.
2. The names, addresses and capital contributions of the General Partner, Initial Special Partner and New Special Partners are set out in the Schedule below.
3. The business of the partnership will be as follows:
 - (i) Initially advance a sum of \$5,000,000.00 to No 1 Queen Street Limited, the owners of the property known as No 1 Queen Street Auckland, such sum to be secured by a second registered mortgage over the same property; and
 - (ii) secondly an amount of \$5,850,000.00 will be invested by way of an advance to Britomart Point Supermarket Limited, the vendor of the supermarket site which is being purchased by the partnership at an interest rate of 9% per annum payable calendar monthly in arrears, the principal sum to be secured by way of a second mortgage over the title to the supermarket property.

The funds would initially be placed on deposit at Westpac in JACOMNZ's name on the date when the second advance is due for payment or earlier by mutual agreement, and released to the vendor:

- (a) upon receipt of a satisfactory construction certification, such certification to be on a cost to complete basis;
- (b) upon a separate title having been issued for the supermarket site;
- (c) upon Westpac agreeing to limit its priority under its first mortgage to \$14,800,000.00 plus interest and costs; and
- (d) upon completion of suitable second mortgage documentation.

Interest earned while the sum is on deposit at Westpac will form part of the 9% payable by the vendor.

For the sake of clarity, the vendor will pay interest on the second advance monies from the date of payment at the rate of 9% per annum whether or not the funds have been invested in the second mortgage secured over the Foodtown site or placed on deposit at Westpac pending release pursuant to the terms of the proposed second mortgage.

BOTH ADVANCES WILL ONLY BE MADE IF THE GENERAL PARTNER IS SATISFIED WITH THE SECURITY OFFERED.

If the security does not satisfy the General Partner, then the total amount of \$10,850,000.00 will be invested at the best possible rate with a registered bank (as that term is defined in the Reserve Bank of New Zealand Act 1989).

If the bank investment fails to produce the 9% interest rate required by the purchaser under the Agreement for Sale and Purchase in respect to the Foodtown site, the vendor will reimburse one-half of the shortfall to JACOMNZ Limited monthly and in arrears. JACOMNZ will make up the difference so that the special partner receives the targeted income of 8% per annum; and

- (iii) upon completion of the development, purchase the building and carparks to be known as Foodtown Auckland City Supermarket, currently under construction on a site at the corner of Quay and Tangihua Streets, Auckland City, New Zealand.
4. The principal place at which the business of the partnership shall be situated is at JACOMNZ Limited, care of Takeshi Kato, 11 Beresford Street, Bayswater, Auckland.
5. The partnership commenced on the 2nd day of September 2003, upon registration of a certificate as required by section 54 of the Partnership Act 1908 at the High Court of New Zealand (Auckland Registry) under No. SP6/03. The partnership shall terminate after seven years or at such other time as the Partnership Deed allows.

Education

Education Act 1989

Risk Assessment Criteria for Tertiary Institutions

Pursuant to section 195A of the Education Act 1989 (incorporating all amendments), the Secretary for Education hereby publishes criteria for assessing the level of risk to the operation and long-term viability of tertiary institutions.

Nothing in this notice limits or affects the duties of tertiary councils under section 46 of the Education Standards Act 2001 or any other duties or obligations of institutions or councils under any enactment, regulation or order.

Introduction

Under sections 195B to 195D of the Education Act 1989, the nature of the action available to the Secretary or the Minister depends upon an assessment of the level of risk to the institution or the operation or long-term viability of the institution. The levels of risk and the nature of the actions available are:

1. If the Secretary has reasonable grounds to believe that an institution may be at risk, the Secretary may require the council of the institution to provide specified information or reports about the operation, management or financial position of the institution at a given time (section 195B).
2. If the Minister considers on reasonable grounds that the operation or long-term viability of an institution is at risk, the Minister may appoint a Crown Observer to the institution (section 195C).
3. If the Minister believes on reasonable grounds that there is a serious risk to the operation or long-term viability of an institution and other methods of reducing that risk have failed or appear likely to fail, the Minister may dissolve the council of the institution and appoint a Commissioner to act in its place (section 195D).

After consultation with institution councils, the Secretary has determined (pursuant to section 195A of the Education Act 1989) criteria for assessing the level of risk to the operation and long-term viability of institutions. Those criteria are contained in the table set out below.

The greater the number of criteria which an institution meets, the greater the level of risk to its operation and long-term viability. The more adverse the position of an institution with respect to any of the criteria (for example, the greater the extent to which its Liquid Funds Ratio is less than 12.0%), the greater the level of risk to its operation and long-term viability.

Defined Terms

Words and phrases defined in the Education Act 1989 (and not defined below) bear the same meanings in this notice.

In this notice:

“Approved Borrowing Agreement” means an agreement between an institution and a third party, under which the institution may borrow money, issue debentures or otherwise raise money, which has been entered into by the institution with the written consent of the Secretary pursuant to section 192 of the Education Act 1989 (including any such agreement as it may be modified from time to time with the written consent of the Secretary).

“audited” means, in respect of an institution and any financial statements or financial statements component relating to any financial year of that institution:

- (a) the audited financial statements or audited financial statements component (as the case may be) for that financial year; or
- (b) (except in relation to risk criteria 22 below) if no such audited financial statements or audited financial statements component (as the case may be) for that financial year have or has been submitted to the Secretary within 120 days of the end of the relevant financial year, until they are or it is so submitted the unaudited financial statements or relevant financial statements component (as the case may be) in respect of that financial year most recently submitted to the Secretary.

“Available Credit Lines” is the aggregate amount able to be borrowed by an institution under any committed borrowing facility, less any amounts actually borrowed under those facilities, as at the balance date to which any audited actual or budgeted (as the case may be) statement of financial position for an institution relates.

“Debt” is the total of amounts recorded as debt in the audited or budgeted (as the case may be) statement of financial position of an institution, whether or not interest is payable on that debt.

“debt/equity ratio” means a ratio of debt to equity (however that ratio, that debt and that equity are calculated and described).

“Default Event”, in respect of an institution which is party to an Approved Borrowing Agreement, means any event or circumstance (however described) which (i) constitutes a default (however described) by that institution under that Approved Borrowing Agreement and/or (ii) results (or may result) in the date for repayment of any amount owing by the institution under that Approved Borrowing Agreement being advanced and/or (iii) entitles (or may entitle) any lender under that Approved Borrowing Agreement to require early repayment by that institution of any such amount, to refuse to advance any further amount to that institution, to review loans made by it to that institution or to take or refuse to take any other action under that Approved Borrowing Agreement.

“Default Debt/Equity Ratio” in respect of an institution is the ratio calculated as follows and expressed as a percentage:

$$\frac{\text{Debt}}{\text{Debt} + \text{Equity}}$$

“Default Interest Cover Ratio” in respect of an institution is the ratio calculated as follows:

$$\frac{\text{Operating Surplus/Deficit} + \text{Interest Expense}}{\text{Interest Expense}}$$

“Interest Expense” is the amount recorded as interest expense in the audited annual or budgeted (as the case may be) statement of financial performance of an institution.

“liabilities to assets ratio” means a ratio of the value of liabilities to the value of assets (however that ratio, that value of assets and that value of liabilities are calculated and described).

“Liquid Funds” is the total of amounts recorded in the audited or budgeted (as the case may be) statement of financial position of an institution in the form of cash or securities or other investments which can be as readily converted into cash.

“Liquid Funds Ratio” in respect of an institution is the ratio calculated as follows and expressed as a percentage:

$$\frac{\text{Liquid Funds} + \text{Available Credit Lines}}{\text{Operating Cash Payments}}$$

“Maximum Permitted Debt/Equity Ratio”, in respect of an institution which is party to an Approved Borrowing Agreement, means a debt/equity ratio specified in that Approved Borrowing Agreement, that institution’s exceeding which (or meeting or exceeding which) will constitute or result in a Default Event.

“Maximum Permitted Liabilities to Assets Ratio”, in respect of an institution which is party to an Approved Borrowing Agreement, means a liabilities to assets ratio specified in that Approved Borrowing Agreement, that institution’s exceeding which (or meeting or exceeding which) will constitute or result in a Default Event.

“Minimum Required Interest Cover Ratio”, in respect of an institution which is party to an Approved Borrowing Agreement, means an interest cover ratio specified in that Approved Borrowing Agreement, that institution’s failure to exceed which (or failure to achieve or exceed which) will constitute or result in a Default Event.

“Operating Cash Payments” is the amount recorded as cash paid or applied to operations in the audited annual or budgeted (as the case may be) statement of cash flows of an institution.

“Operating Cash Receipts” is the amount recorded as cash received from operations in the audited annual or budgeted (as the case may be) statement of cash flows of an institution.

“Operating Surplus/Deficit” is the amount recorded as the net surplus or deficit (as the case may be) in the audited annual or budgeted (as the case may be) statement of financial performance (financial statements component) of an institution, adjusted by deducting any non-recurring revenues and adding back any non-recurring costs (in each case as reflected in the relevant statement of financial performance). An example of non-recurring revenue is a profit on the sale of an asset. Examples, of non-recurring costs include losses on asset disposals or revaluations and restructuring costs. An item does not qualify as non-recurring simply because it is unplanned or unexpected.

“Reforecast”, in respect of an institution, means any financial forecast or similar document which is prepared by or for an institution in relation to a financial year in respect of which there is already a council-approved group budget, and which is either approved by the council of the institution as an amendment to or update of that group budget or regarded by the chief executive of that institution as forecasting or reflecting, more accurately overall than that group budget, that institution’s likely actual financial performance for that period; and includes any working papers upon which that financial forecast is based.

“Total Revenue” is the amount recorded as total revenue or total income in the audited annual or budgeted (as the case may be) statement of financial performance of an institution.

“risk criteria” means any of the criteria set out below.

An “unfavourable trend”, in respect of a particular financial ratio and an institution’s audited group financial statements for five consecutive financial years, exists if:

- (a) the average of that ratio calculated with reference to the audited group financial statements for each of the third, fourth and fifth (in time) of those financial years is less favourable to that institution than the average of that ratio calculated with reference to the audited group financial statements for each of the second, third and fourth (in time) of those financial years; and
- (b) the average of that ratio calculated with reference to the audited group financial statements for each of the second, third and fourth (in time) of those financial years is less favourable to that institution than the average of that ratio calculated with reference to the audited group financial statements for each of the first, second and third (in time) of those financial years.

Other words and phrases defined in the Education Act 1989 bear the same meaning in this notice.

Criteria for Risk Assessment

The criteria listed in the table below enable an objective assessment to be made of whether an institution or the operation or long-term viability of an institution is at risk and, if so, the level of such risk. The level of risk determines the nature of action available to the Secretary or the Minister. Each of the criteria is marked in columns 1, 2 or 3. The marking indicates which level of risk the criteria are relevant to assessing. The key to the table is:

Level 1 = relevant to assessing whether an institution *may be at risk*

Level 2 = relevant to assessing whether an institution *may be at risk* and/or whether the operation or long-term viability of an institution *is at risk*

Level 3 = relevant to assessing whether an institution *may be at risk* and/or whether the operation or long-term viability of an institution *is at risk* and/or whether there is a *serious risk* to the operation or long-term viability of an institution

Determination of Hazardous Substances

Pursuant to section 26 of the Hazardous Substances and New Organisms Act 1996 (“the HSNO Act”), the Environmental Risk Management Authority hereby determines the following substances are not hazardous:

Expandable polystyrene (EPS) beads are defined as solid polymers comprising a minimum of 91% polystyrene (CAS number 9003-53-6) and a maximum of 9% of any of the blowing agents listed below, in any combination:

- n-pentane, CAS number 109-66-0

- isopentane, CAS number 78-78-4
- Butane, CAS number 106-97-8

- Propane, CAS number 74-98-6

EPS beads are not intended for sale to the general public. They will generally only be available in the workplace, specifically plastic manufacturers. Thus, although it is recognised that the blowing agents in the beads may out-gas to produce vapours with some risks (e.g. flammability, health risks via inhalation), it is acknowledged that such risks will be managed by legislation other than the HSNO Act, i.e. the Land Transport Rule: Dangerous Goods 1999 (Rule 45001 under the Land Transport Act 1998) and the Health and Safety in Employment Act 1992.

Notice of Intention to Take Land for Sewage Treatment Purposes—Queenstown Lakes District

Pursuant to section 23 (1) (b) of the Public Works Act 1981, take notice that the Queenstown Lakes District Council (“the council”) proposes to take the land being comprised and described as Lot 1, D.P. 306621, contained in certificate of title 5813, Otago Land District, that fronts the Frankton-Ladies Mile Highway, Wakatipu Basin.

The land is required for sewage treatment purposes and it is intended to use the land as a site for a sewage treatment facility.

It is considered necessary to take the land due to:

- the projected population growth in the Wakatipu area is such that the present sewage discharge arrangements will be unable to support growth beyond the immediate future. That growth is already permitted due to the zoning provisions of the council’s district plan.
- land in the Queenstown Lakes District that is suitable for the siting of a new sewage disposal site is limited due to the need to control the treatment on to land.
- the land described herein is suitable for the siting of a new sewage disposal facility due to the proximity

to the current facility and also the nature of the surrounding land.

Any person wishing to object to the proposed taking of the said land may forward a written objection to the Registrar, Environment Court, Tribunals Division, Justice Department, P.O. Box 2750, Wellington, within 20 working days of the date of publication of this notice.

If you make an objection in accordance with this notice, a public hearing will be held and you will be advised of the time and place of the hearing and will have the right to appear and be heard.

D. C. FIELD, Chief Executive Officer, Queenstown Lakes District Council.
