“easement” means the easement of the right of support and right of way described in this Schedule.

“grantor” means the Crown.

“grantee” means the registered proprietor(s) of the dominant land.

“MSE” means a mechanically stabilised embankment to be constructed as part of the proposed Hutt Road Interchange on the land adjoining Section 2 on SO 341776.

“servient land” means Section 2 on SO 341776.

“structures” means that part of the external wall, concrete column bases and foundation beams and footings, and all associated fittings, fixtures and attachments constructed on, under, through and over the servient land.

2. Grant of Easement

2.1 The grantor GRANTS to the grantee as an easement imposed upon the servient land and appurtenant to the dominant land, pursuant to section 48 of the Public Works Act 1981, the right to:

- (a) use the structures as a support for the building on the dominant land;
- (b) subject to clause 2.2, from time to time and at all reasonable times enter upon the servient land with or without engineers, contractors and workers for the purpose of inspecting the structures and the wall of the building they support and, subject to 5.2, to do all things that may appear reasonably necessary for their maintenance, support and repair.

2.2 The grantor may temporarily exclude entry by the grantee, pursuant to clause 2.1 (b), if it believes on reasonable grounds that it is necessary to do so to ensure safety.

2.3 The easement shall be forever appurtenant to the dominant land, subject however to termination as set out in clause 2.4 below. For the avoidance of doubt, the term shall not be capable of revocation on the giving of three months’ notice as provided for in section 48 of the Public Works Act 1981.

- 2.4 (a) The easement shall only exist for so long as the present building remains on the dominant land. Should the present building be demolished, the grantee shall, at the grantee’s cost as part of such works, remove all parts of the structures from the servient land. On demolition of the building, the easement shall extinguish absolutely and the parties shall be released from any further liability arising pursuant to the easement with effect from such date but without prejudice to either party’s rights arising before that date.
- (b) If at any time an application made for the cancellation of the Unit Title shown on DP 68792 is lodged with the District Land Registrar under the provisions of the Unit Titles Act 1972, the easement shall determine when all other

conditions for cancellation are complied with to the satisfaction of the District Land Registrar.

- (c) In the event that the easement is extinguished, the District Land Registrar may make an entry in the Register accordingly in respect of the title to the dominant land.
- (d) In the event that the easement determines, pursuant to clause 2 (b), prior to demolition of the building, the grantor shall, at the request of the grantee, grant a new easement on like terms as recorded in this easement (amended as may be required in the circumstances) subject to the grantor having first complied with any statutory or regulatory requirements.

3. Covenants

3.1 The grantor and the grantee covenant as follows:

- (a) The grantee shall not do or permit to be done anything by which the MSE (or any other replacement or additional roading structure of the grantor) shall be in any way damaged or rendered unstable or unsafe.
- (b) The grantee will regularly inspect the structures and the wall of the building they support adjacent to the servient land to ensure that the same continue to comply with all relevant statutes, regulations or consents, and that no damage to the structures and the wall of the building they support has occurred.
- (c) If the structures and/or the wall of the building do not comply with all relevant statutes, regulations or consents, the grantee will put the same into the condition required to make them comply with the relevant statutes, regulations or consents immediately upon the non-compliance being made known to the grantee.
- (d) If the grantee defaults in any of its obligations to maintain or repair under clause 3.1 (c), the grantor may arrange for such repair or maintenance at the cost of the grantee and the grantee shall immediately reimburse the grantor for such expense, but without prejudice to the grantor’s other rights and remedies under the easement.
- (e) The grantor shall, at all times during this easement, ensure that an adequate security fence and gate is installed along the Hutt Road boundary between the building and the MSE and keep the same in good repair. The grantor shall make available to the grantee keys to the security gate to allow the grantee reasonable access pursuant to clause 2.1 (b).
- (f) Nothing in this easement shall prevent the grantor from making excavations of the servient land or the adjoining road for the purpose of laying foundations for any roading structure or other building, and the grantor may in future do all such things on the servient land or the adjoining road as the grantor shall see fit at its sole discretion (which actions might but for this proviso be a derogation from the grantor’s own grant) provided that in so doing the grantor shall provide sufficient artificial means of support to the building on the dominant land both during the progress of and after the completion of any such work on the servient land or the adjoining road.

4. Agreement to Subsist

- 4.1 No power is implied in respect of the easement or any right or obligation under it for the grantor to determine the easement or any right or obligation set out in this

easement, it being the intention that the easement and all rights and obligations shall subsist for the term (subject to early termination under clause 2.4) unless surrendered by the grantee or modified or terminated by the mutual written agreement of the grantor and the grantee.

5. *Statutory Rights Implied*

5.1 The rights and powers implied by the Fourth Schedule to the Land Transfer Regulations 2002 shall be deemed incorporated and form part of the easement, but where any conflict arises the terms of the easement shall prevail.

5.2 Nothing in the easement shall override any statutory and regulatory provisions relating to the servient land. The grantee shall, in taking entry under the easement and in completing any works on the servient land, comply with any such statutory requirements, including without limitation obtaining the consent of the grantor prior to completing any works that affect the surface of the servient land or that may produce subsidence affecting the servient land.

6. *Disputes*

6.1 The parties acknowledge their desire that all questions or differences whatsoever which arise between the parties concerning the easement or its subject matter or arising out of or in relation thereto and whether as to interpretation or otherwise be resolved amicably by bona fide discussion between them.

6.2 If any question or difference (the "Dispute") is not resolved by written agreement between the parties within 20 business days of one party giving notice to the other of a proposal for resolution of the Dispute, the Dispute shall be referred to mediation in accordance with clause 6.3.

6.3 Each party agrees not to commence any legal proceedings relating to the Dispute unless it has complied with the following:

(a) On notice (the "Notice") by one party to the other party of the failure of formal discussions between the parties in respect of the Dispute, and its decision to apply for mediation, the parties shall endeavour in good faith to resolve the Dispute expeditiously using informal dispute resolution techniques such as mediation, expert evaluation or determination or similar techniques agreed by them.

(b) If the parties do not agree within 10 business days of receipt of the Notice (or such further period as agreed in writing by them) as to:

- (i) the dispute resolution technique and procedures to be adopted;
- (ii) the timetable for all steps in those procedures; and
- (iii) the selection and compensation of the independent person required for such techniques,

the parties shall mediate the Dispute in accordance with the mediation rules of the New Zealand Chapter of Lawyers Engaged in Alternative Dispute Resolution ("LEADR") and the executive chair of LEADR or the executive chair's nominee will select the mediator and determine the mediator's remuneration.

(c) Where the Dispute is not resolved by mediation in accordance with this clause 6.3, then either party may take such other action, as it considers appropriate, including commencing legal proceedings;

(d) Pending resolution of the Dispute, the parties shall continue to perform their respective obligations pursuant to the provisions of the easement.

7. *Notices*

7.1 Without prejudice to any other procedures for the giving of notice at law, all notices and other communications required or permitted under the easement shall be in writing and shall be delivered personally or sent by prepaid post or by facsimile transmission to such address notified for this purpose.

7.2 A notice or other communication delivered by hand shall be deemed to have been received at the time of delivery. However, if the delivery is not made on a business day or is made after 5.00 p.m. on a business day, then the notice or other communication will be deemed to have been received on the next business day.

7.3 A notice or other communication delivered by prepaid post shall be deemed to have been received on the third business day after posting.

7.4 A notice or other communication sent by facsimile shall be deemed to have been received on the date of transmission. However, if the date of transmission is not a business day or the transmission is sent after 5.00 p.m. on a business day, then the notice or other communication will be deemed to have been received on the next business day after the date of transmission.

8. *Governing Law*

8.1 The easement is governed by, and shall be construed in accordance with, the laws of New Zealand. The parties to the easement agree to:

- (a) submit to exclusive jurisdiction of the Courts of New Zealand;
- (b) waive any immunity they may have to the New Zealand Courts jurisdiction; and
- (c) consent to the enforcement, or execution, in any court of competent jurisdiction in any country, of any order or judgment which may be made by the Courts of New Zealand.

9. *Severability*

9.1 If any part of the easement is held by any Court or administrative body of competent jurisdiction to be illegal, void or unenforceable, such determination shall not impair the enforceability of the remaining parts of the easement.

10. *No Partnership*

10.1 Nothing in the easement shall evidence or be deemed to constitute a partnership between the parties.

11. *No Waiver*

11.1 A waiver of any provision of the easement shall not be effective unless given in writing, and then it shall be effective only to the extent it is expressly stated to be given.

11.2 A failure, delay or indulgence by any party in exercising any power or right shall not operate as a waiver of that power or right. A single exercise of any power or right shall not preclude further exercises of that power or right or excuse from any other power or right.

12. *Force Majeure*

12.1 Notwithstanding any other provision of the easement, if either party shall fail to comply with or observe any provision of the easement and such failure is caused by an event which is outside the reasonable control of that party, that failure shall not itself give rise to any cause of action or liability based on breach of that provision of the easement.

Given under the hand of Her Excellency the Governor-General of New Zealand, and issued under the Seal of New Zealand this 20th day of September 2005.

[L.S.]

PETE HODGSON, Minister for Land Information.

Deer Industry New Zealand

Deer Industry New Zealand Regulations 2004

Deer Industry New Zealand

1. Deer Industry New Zealand.
 - 1.1 Deer Industry New Zealand is a marketing authority established by Regulation 4 of the Deer Industry New Zealand Regulations 2004.
2. DINZ levy.
 - 2.1 Under Regulation 18(1) of the Deer Industry New Zealand Regulations 2004, DINZ fixes the rates of DINZ levy (which levy rates are exclusive of goods and services tax imposed by the Goods and Services Tax Act 1985) as follows:
 - (a) On each deer, other than fallow deer, slaughtered in deer slaughtering premises, on the basis of hot clean carcass weight after removal of condemned parts:

18.2 cents (eighteen point two cents) per kilogram.
 - (b) On each fallow deer slaughtered in deer slaughtering premises, on the basis of hot clean carcass weight after removal of condemned parts:

13.2 cents (thirteen point two cents) per kilogram.
 - (c) On each killed game deer carcass received at a packing house, zero cents per kilogram cold clean carcass weight after removal of condemned parts.
 - (d) On velvet from deer other than fallow deer received at a packing house for processing or packing, on a frozen weight basis:

337 cents (three hundred and thirty-seven cents) per kilogram.
 - (e) On velvet from fallow deer received at a packing house for processing or packing, on a frozen weight basis:

102 cents (one hundred and two cents) per kilogram.

- 2.2 For the purpose of paragraphs 2.1 (a) and 2.1 (b) above, hot clean carcass weight is defined in the DeerQA Venison Processors Industry Agreed Standards (dated 21 July 2003) at Standard IAS-3: Venison Standard Carcass. This document is available on request from Deer Industry New Zealand by telephone (04) 473 4500 or mail P.O. Box 10-702, Wellington.
- 2.3 No levy is payable on velvet when the value of the applicable velvet grade, as defined by the Industry Agreed Grading Guidelines, is less than or equal to \$15.00/kg (G.S.T. exclusive).
- 2.4 If the Deer Slaughtering Premises (“DSP”) or Packing House (“PH”) (formerly Game Packing House) fails to keep accurate records relating to the DINZ levy or to file accurate returns relating to the DINZ levy, then the levy payable will be assessed by DINZ with reference to such information as DINZ considers fit.
3. DSPs are not required to collect levies on Tb reactors but will be required to report the number of reactor deer slaughtered to DINZ in their monthly returns. The levy will be waived for those Tb reactors which are identified with an official reactor tag and where they arrive at the DSP accompanied by an official permit to move.
4. A nil rate of levy applies to any farmed deer or killed game deer carcasses which are wholly condemned for any reason following slaughter or receipt into a PH.
5. No levy is payable in respect of any one farmed deer carcass or piece of velvet more than once.
6. These rates of levy come into effect on and from 1 October 2005 and apply until 30 September 2006, or until such time as new levy rates are fixed and come into force.
7. Under Regulation 19, notice is given that DINZ fixes the rate of additional levy payable in respect of failure to pay, or late payment of, amounts of levy payable on or after 1 October 2005 at 10 percent of the amount of levy unpaid.
8. The additional levy for failure to pay or late payment may be applied by the board at a rate of 10 percent on the outstanding balance following expiration of the period within which payment is required to be received by DINZ, and is payable by the DSP or PH concerned.
9. Of the DINZ levy, a portion will be paid to the Animal Health Board as the deer industry’s contribution to the Animal Health Board’s activities under the national pest management strategy for bovine tuberculosis. The DINZ levy will be broken down as follows:
 - 9.1 For Deer Industry New Zealand:
 - Venison (fallow) 7 cents per kilogram.
 - Venison (other) 12 cents per kilogram.
 - Velvet (fallow) \$0.40 per kilogram.
 - Velvet (other) \$2.75 per kilogram.
 - 9.2 For the Animal Health Board:
 - Venison 6.2 cents per kilogram.
 - Velvet 62 cents per kilogram.
