Dumping and Countervailing Duties Act 1988

Anti-dumping Duties: Notice That Anti-dumping Duties on Household Refrigerator-Freezers and Refrigerators From Korea May Cease to Apply

Under section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on household refrigerator-freezers and refrigerators from

Korea* will cease to apply to those goods on 10 June 2006 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request that the Chief Executive of the Ministry of Economic Development initiate a review before the cessation date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the chief executive.

If an application is received which provides positive evidence justifying the need for a review, the chief executive must undertake and complete a review investigation within 180 days of initiation, on whether the anti-dumping duties should continue to be applied.

Positive evidence justifying the need for a review would need to include reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of refrigerator-freezers and refrigerators from Korea, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New Zealand industry producing refrigerator-freezers and refrigerators.

The reasons should be supported by evidence and not be based on mere allegations or assertions.

Pursuant to section 124 (1) (d) of the Social Security Act 1964, the Minister for Social Development and Employment establishes and approves the following programme for special assistance.

Dated at Wellington this 12th day of September 2005.

STEVE MAHAREY, Minister for Social Development and Employment.

Programme

1. Title—This programme is the Family Start and Early Start (Childcare Assistance) Programme.

2. Commencement—This programme comes into effect on 1 December 2005.

3. Purpose—The purpose of this programme is to provide childcare assistance to families who are enrolled in selected Family Start or Early Start programmes.

4. Interpretation—(1) In this programme, unless the context otherwise requires:

Act means the Social Security Act 1964

applicant means a person who applies for assistance or a person on whose behalf an application for assistance is made

assistance means Family Start and Early Start childcare assistance, being the special assistance under this programme

eligible child means a child who is a dependent child of an applicant and who:

- (a) is not less than 18 months and not more than 36 months of age; and
- (b) is from a Family Start or Early Start family; and
- (c) is enrolled in an approved early-childhood programme

Family Start or Early Start family means a family who is enrolled in a programme for the time being recognised by the chief executive as a Family Start programme or an Early Start programme (as the case may be) and selected by the chief executive for the purposes of this programme

Family Start or Early Start worker means the family/whanau worker allocated to a Family Start or Early Start family and who provides services relating to the Family Start programme or Early Start programme

Regulations means the Social Security (Childcare Assistance) Regulations 2004¹

working day means working day as defined by the Act together with any day the approved early-childhood programme is operating from 25 December in any year to 15 January the following year.

(2) Terms otherwise defined in the Act or the Regulations have the same meanings in this programme.

5. Application of Social Security Act—(1) Sections 12, 62, 74 (1) (a), 74A, 80 (1), 80A, 80BD (1), 81, 84, 84A and 86J of the Act apply to this programme and to any applicant as if the special assistance under it were a benefit and the applicant were a beneficiary.

(2) Nothing in subclause (1) limits or affects the application of any other provision of the Act.

6. Family Start or Early Start childcare assistance: Eligibility—The chief executive may grant assistance in respect of the attendance of each eligible child of the applicant at an approved early-childhood programme up to a maximum of:

- (a) 20 hours per week for an eligible child under 30 months of age; or
- (b) 15 hours per week for an eligible child 30 months of age or older.

7. Applications and evidence—(1) No person can be granted assistance unless he or she:

- (a) has applied for it in writing on a form required by the chief executive; and
- (b) has given the chief executive the evidence the chief executive requires to satisfy the chief executive that the person is eligible for the assistance.

8. Rate of assistance—(1) The amount of assistance payable in respect of any week is:

a – b but not more than **c**

(2) No assistance is payable in respect of any week in which **b** is greater than **a**.

(3) In this clause:

a is the weekly cost:

- (a) of the eligible child's attendance at the approved early-childhood programme based on:
 - (i) the actual hourly fee payable; or
 - (ii) if a periodic flat fee is payable, the average hourly fee payable obtained by dividing the periodic flat fee by the number of hours during the period concerned for which the child is enrolled to participate in the programme; or

(b) where clause 9 (a) applies, for keeping open the eligible child's place in that programme;

b is any payment made by a person other than the applicant towards **a** calculated on a weekly basis;

c is \$6.00 per hour multiplied by the number of hours per week (not exceeding the appropriate number of hours set out in clause 6) for which the child is enrolled to participate in the programme.

9. Payment during absences of eligible child—If an approved early-childhood programme charges a fee for holding open the places of eligible children who are absent from the programme when the programme is available:

(a) assistance may continue to be paid for an eligible child for any continuous period of not more than 30 working days when the child is absent from the programme because:

- (i) the child or applicant is injured or ill; or
- (ii) of a family bereavement; or
- (iii) the child is on holiday; or
- (iv) of other reasonable circumstances; and

(b) assistance may be ceased where an eligible child is absent from the programme for a continuous period of 15 working days or more and none of the circumstances in paragraph (a) (i) to (iv) exist.

10. Notification of absences of eligible child—(1) It is a condition of any grant of assistance under this programme that, within a reasonable time after an eligible child for whom assistance is payable is absent from the approved early-childhood programme concerned:

(a) the applicant must notify the approved early-childhood service or early-childhood care arranger (as the case may be) of the child's absence; and

(b) the approved early-childhood service or approved early-childhood care arranger in respect of the

programme to whom any payment of assistance is made under clause 11 must notify an officer of the department and the appropriate Family Start or Early Start worker of the child's absence.

(2) Nothing in subclause (1)(a) limits the applicant's obligations under section 80A of the Act (as applied to this programme by clause 5 (1)).

11. Assistance usually payable to approved early-childhood service or early-childhood care arranger—(1) Assistance must be paid for each eligible child (as the case may be) to:

- (a) the approved early-childhood service providing the approved early-childhood programme; or
- (b) the approved early-childhood care arranger that arranged the scheme under which the approved early-childhood programme is provided.

(2) Subclause (1) does not prevent the chief executive from paying a lump sum of assistance directly to an applicant if:

- (a) the sum represents an underpayment of the amounts:
 - (i) that should have been paid to the approved early-childhood service in respect of the eligible child's participation in the approved early-childhood programme it provides; or
 - (ii) that should have been paid to an approved early-childhood care arranger in respect of the eligible child's participation in an approved early-childhood programme provided under a scheme it arranged; and

- (b) the applicant has already paid the amount of the underpayment to the respective approved early-childhood service or approved early-childhood care arranger.

12. Overpayments recoverable—If, because a child has ceased to be enrolled or has been absent from an approved early-childhood programme, assistance has been paid in excess of the amount the applicant was entitled to under this programme, the amount of the excess is recoverable from:

- (a) the applicant; and
- (b) to the extent it was paid to an approved early-childhood service or early-childhood care arranger under this programme, from that service or arranger.

Explanatory Note

This note is not part of the programme, but is intended to indicate its general effect.

This Ministerial welfare programme, which comes into effect on 1 December 2005, provides childcare assistance to enable the children of families who are enrolled in selected Family Start or Early Start programmes and who are not less than 18 months and not more than 36 months of age to attend approved early-childhood programmes.

Electricity Commission

Electricity Act 1992

Notice of Decision to Recommend Making the Electricity Governance Amendment Regulations 2005 and Notice of Reasons for Decision

1. Pursuant to section 172Z(4) of the Electricity Act 1992 ("Act"), I notify my decision to recommend that the Governor-General make the Electricity Governance Amendment Regulations 2005 and the reasons for my decision.

Recommended Amendment to Electricity Governance Regulations 2003

2. I decided to recommend to the Governor-General that the Electricity Governance Amendment Regulations 2005 be made, as recommended by the Electricity Commission and without change.

3. I made this recommendation pursuant to subpart 2 of Part 14 of the Act and in accordance with section 172E of the Act.

4. The recommended amendment to the Electricity Governance Regulations 2003 will:

- (a) limit the liability of a person who provides an ancillary service, as defined in the Rules (known as

an "ancillary service agent" or "ASA"), in its capacity as an ASA, under Part G and Rule 8 of Technical Code B of Schedule C3 of Part C of the Electricity Governance Rules 2003 ("the Rules") to:

- (i) in respect of any one event or series of closely related events arising from the same cause or circumstance, the lesser of \$100,000 or 5% of the expected annual fees for the relevant type of ancillary service; and
 - (ii) in respect of all events occurring in the 12 month period ending with the breach, the lesser of \$300,000 or 20% of the expected annual fees for the relevant type of ancillary service; and
- (b) relieve an ASA of its obligations to perform as an ASA under the Regulations and Rules if the ASA is unable to perform those obligations as a result of a *force majeure* event.

Reason for Decision

5. The reason for my decision is that the recommended amendments will facilitate the continued and efficient provision of ancillary services which contribute to the stability and effective operation of the New Zealand electricity market.
