Rules for ENROL Student Enrolment Records

Under section 77A (3) of the Education Act 1989, I make the following rules.

These rules apply to all user schools.

For non-user schools, the Rules for Student Enrolment Records published in the *New Zealand Gazette*, 18 February 1999, No. 21, page 498, and any amendments to those rules, will continue to apply.

Definitions

In these rules, unless the context otherwise requires:

“Authorised user” means a person who has completed a user authorisation form and who has been provided with access to ENROL by the Ministry.

“ENROL” means the enrolment management system established by the Ministry to provide a central enrolment record for all school students. The system is accessed at:

www.leadspace.govt.nz

“Ministry” means the Ministry of Education.

“Non-user school” means a school that is a full primary school, special school or a composite school that enrolls students in Year 1 and above. These schools will not be using ENROL.

“Parent” means a person who is a student's mother, father or guardian.

“Student” means a person enrolled in a user or non-user school as an intermediate or secondary student, whether as a domestic student or a foreign student.

“Task” means an action, which has been initiated by ENROL, that a user school must complete.

“User school” means an intermediate school, a secondary school, or a composite school that enrolls students in Year 7 and above only.

Rule 1 – Principals' responsibilities for the use of ENROL

The principal of a user school must ensure that:

- a. every student enrolled at the school is recorded in ENROL in accordance with these rules;
- b. the data in ENROL relating to the students currently enrolled in the school is maintained accurately and promptly by the school's authorised users;
- c. enrolment changes are updated in ENROL within the timeframes specified in these rules;

- d. that tasks generated by ENROL, which relate to a student enrolled or previously enrolled in the school, are completed as soon as possible, but within five school days;
- e. the Ministry of Education is advised immediately an authorised user no longer requires access to ENROL;
- f. all reasonable steps are taken to ensure that school employees are aware of their obligations in respect of the appropriate use and protection of personal information in ENROL; and
- g. parents are provided with the Ministry of Education information sheet in accordance with Rule 7.

Rule 2 – Authorised use of ENROL

- a. An authorised user in a user school must use ENROL only for the purpose of facilitating and monitoring the accurate and efficient enrolment of students.
- b. An authorised user in a district health board must use ENROL only for the purpose of updating the student's enrolment record with hearing and vision test results.
- c. An authorised user in a user school must not share a user logon or password with any other person and must protect the password to prevent unauthorised access to the system.

Rule 3 – Enrolling students

When enrolling a student, a principal must ensure that:

- a. when a student, whether domestic or foreign, enrolls in a user school, ENROL must be checked to confirm whether an enrolment record already exists for the student. A new record will be required if the student comes from a non-user school, is returning from overseas or is entering a New Zealand school for the first time;
- b. he or she creates a record for a student who does not have an existing enrolment record in ENROL. A new record must have all mandatory fields, including the legal name;
- c. the ENROL records for existing students are updated with the following information when a student changes schools during the year:
 - criteria used to confirm the student's eligibility status, e.g. New Zealand citizen, New Zealand resident, dependent of a person holding a valid work permit;
 - type of verification document used to verify the eligibility status and the serial number; and
 - citizenship;
- d. where a student wishes to be enrolled under an alternative name, that name must be entered in the Aliases field on the same enrolment record as the student's legal name;
- e. ENROL is updated within five school days of the student being confirmed as attending the school;
- f. where there is a conflict over the enrolment of a student, i.e. when one user school is enrolling a student who has been confirmed as still enrolled at and attending another user school, the two principals will liaise to resolve the issue, and
- g. if the “Keep Information Private” checkbox is activated, he or she confirms with the parent that this requirement should continue. If the principal clears this checkbox then he or she must be satisfied that appropriate authorisation has been given to remove the checkbox.

Rule 4 – Monitoring the eligibility status of students

- a. Where a student, other than those students with eligibility criteria of New Zealand or Australian citizen, or New Zealand residency, transfers to another school, the principal of that user school must verify the

student's continued eligibility status and update ENROL if appropriate.

- b. Where a principal in a user school becomes aware that the domestic student eligibility status for a student has changed, he or she must ensure the status in ENROL is updated.

Rule 5 – Recording when students leave a school

- a. The principal of a user school must ensure that ENROL is updated with the appropriate leaving reason(s), teaching and learning note(s) where necessary, and correct last day of attendance when one of the following occurs:
- the school has been advised that the student is no longer attending the school;
 - the student has been absent for 20 school days without the principal being informed that the absence is only temporary; or
 - the student has been absent for less than 20 days but the principal has reason to believe they will not return to school.
- b. The principal of a user school must ensure that when teaching and learning notes are included on a student's ENROL record, supporting information has been kept on the student's file in the school.
- c. When the principal of a user school has ascertained the last day of attendance at their school, he or she must ensure that the student's record in ENROL is updated with that information within five school days.

Rule 6 – Non-enrolment notifications

- a. When a non-enrolment notification task is emailed to a user school from ENROL, the principal of that user school must ensure that the non-enrolment notification form is completed and emailed to the Ministry as soon as possible but within five school days.
- b. The principal of a user school must ensure that all contact details for the student held by the school, and any additional information (e.g. involvement with other agencies) that will assist with locating the student, are entered on the form.

Rule 7 – Access to information held in ENROL

- a. The principal of a user school must provide parents and students with the information sheet provided by the Ministry when the student enrolls. The information sheet will explain:
- the purpose of ENROL;
 - who the authorised users of ENROL are and their obligations and responsibilities in respect of their use of ENROL;
 - that information related to the student's enrolment will be available to the next school;
 - that parents and students are entitled to request access to and/or correction of, their personal information held in ENROL from the current school of enrolment or the Ministry; and
 - students' entitlements and parents' obligations in respect of enrolment.
- b. The principal must ensure that the "Keep Information Private" check box is activated on the student's ENROL record in the following circumstances:
- the principal is notified that one of the following exist:
 - a protection order under the Domestic Violence Act 1995;
 - a restraining order under the Harassment Act 1997; or
 - where the student or a family member is under a witness protection programme under the Evidence Act 1958; or

- where the principal has reasonable cause to believe the student is likely to be at significant risk if the checkbox is not activated.
- c. Principals must comply with all relevant legislation when responding to requests for information from a student or parent.

Rule 8 – Records to be retained by schools

The principal of a user school must ensure that:

- a. the school's own enrolment record is completed and signed by the parent(s) and/or student;
- b. a copy of the school's enrolment form for the student is retained for seven years after the students have left the school; and
- c. the E19/22A forms for all students whose enrolment details are entered into ENROL are retained for the period of seven years after the students have left the school.

Rule 9 – Updating the enrolment record when a student transfers to a non-user school

- a. Where a student, who has previously been registered in ENROL, transfers to a non-user school, the principal of the non-user school, the principal of the last user school, and the Ministry, must follow the process outlined below to maintain the student's record in ENROL once it has been created. Schools will need to follow this manual process until all schools are using ENROL.

Dated at Wellington this 6th day of July 2006.

DAVID BENSON-POPE, Minister for Social Development and Employment.

A m e n d m e n t

1. Title—This amendment is the Ministerial Direction – Living Alone Payments Amendment 2006.

2. Commencement—This amendment comes into effect on 1 July 2006.

3. Direction amended—This amendment amends the Ministerial Direction – Living Alone Payments.

4. Revocations—The definition in clause 1 of **household expenses**, and clauses 3, 3A and 4 are revoked.

Explanatory Note

This note is not part of the amendment, but is intended to indicate its general effect.

Exempt Persons Personal Allowance Programme 2006

Pursuant to section 124 (1) (d) of the Social Security Act 1964, the Minister for Social Development and Employment establishes and approves the following welfare programme for special assistance.

Dated at Wellington this 6th day of July 2006.

DAVID BENSON-POPE, Minister for Social Development and Employment.

Programme

1. Title—This programme is the Exempt Persons Personal Allowance Programme 2006.

2. Commencement—This programme comes into effect on the day after the day on which the Minister gives his approval to it.

3. Purpose—The purpose of this programme is to continue to provide for a personal allowance for exempt persons in long-term residential care who would otherwise be required to contribute the whole of their benefits to the cost of contracted care services provided to them.

4. Interpretation—(1) In this programme, unless the context otherwise requires:

Act means the Social Security Act 1964;

allowance means an exempt person's personal allowance (being the special assistance under this programme); and

expiry date means the earlier of the dates set out in clause 8.

(2) Terms otherwise defined in section 3 (1) and in Part 4 of the Act have the same meanings.

5. Application of the Social Security Act—(1) Sections 12, 62, 74, 74A, 77 (1), 80A and 86J of the Act apply to this programme and any exempt person as if the assistance under this programme were a benefit under the Act.

(2) Nothing in subclause (1) affects or limits the application of any other provision of the Act.

6. Exempt person's personal allowance—(1) An exempt person in receipt of any benefit is entitled to receive an exempt person's personal allowance under this programme.

(2) The amount of an allowance is the same amount as Regulations made under section 155 of the Act prescribe as the amount of a personal allowance for the purposes of Part 3 of Schedule 27 of the Act (not exceeding the amount of the benefits received by the exempt person).

7. Period for which allowance payable—(1) An allowance commences on the date on or after 3 July 2006 on which the exempt person becomes liable, under sections 139 and 142 of the Act, to make payment of any benefit received by the person towards the cost of contracted care services provided to the person.

(2) An allowance ends on the earliest of the following dates:

(a) The date on which the exempt person ceases to be entitled to any benefit;

(b) the date on which the person ceases to be an exempt person or dies;

(c) the expiry date.

8. Expiry—Unless sooner revoked, this programme expires:

(a) with the close of 30 June 2007; or

(b) with the beginning of any earlier day on which the following amendments to the Act (as set out in clauses 6 (2) and 9 of the Social Security (Long-term Residential Care) Amendment Bill) come into force:

(i) The proposed new definition of **personal allowance** in section 136; and

(ii) the proposed new section 142 (1).

Explanatory Note

This note is not part of the programme, but is intended to indicate its general effect.

This programme, which comes into effect on the date the Minister approves it and replaces the Exempt Persons Personal Allowance Programme that expired on 30 June 2006, provides an exempt person in long-term residential care, who would otherwise be required to contribute the whole of the person's benefits to the costs of the care, with a personal allowance of the same amount as other residents assessed as requiring care are allowed to retain from their benefits, but not exceeding the amount of the benefits the person receives.

General Section

Dental Council of New Zealand

Health Practitioners Competence Assurance Act 2003

Notice of Scopes of Practice and Prescribed Qualifications

Issued by the Dental Council of New Zealand, pursuant to sections 11 and 12 of the Health Practitioners Competence Assurance Act 2003, the following scope replaces the Scope for Orthodontic Auxiliary Practice published in the *New Zealand Gazette*, 13 October 2005, No. 175, page 4416.

“Scope for Orthodontic Auxiliary Practice

The scope of practice for orthodontic auxiliaries is set out in the documented “Detailed Scope of Orthodontic Auxiliary Practice” produced and published from time to time by the Dental Council of New Zealand.

Orthodontic auxiliary practice is a subset of the practice of dentistry, and is commensurate with an orthodontic auxiliary’s approved training, experience and competence.

Orthodontic auxiliaries practise under the direct clinical supervision of a dentist or orthodontist who is present on the premises at which the work is carried out, who has prepared a treatment plan for the patient concerned and who is responsible for patient’s clinical care outcomes.

Orthodontic auxiliaries assist the dentist or orthodontist in implementing orthodontic treatment through performing

such orthodontic procedures as taking impressions and making study models, inserting and removing some orthodontic appliances, preparing teeth for bonding, removing bonding composite and banding cement and providing oral health education and advice on the care and maintenance of orthodontic appliances.

Prescribed Qualifications

- Graduate Certificate of Orthodontic Assisting, Academy of Orthodontic Assisting; possession of a dental therapy, dental hygiene or dentistry qualification or registration as a dental auxiliary and approved experience in the provision of orthodontic auxiliary services under the direction and supervision of a dentist or dental specialist who can attest to competency.¹

For Applications Received Before 31 March 2006²

- A minimum of 600 clinical hours' experience subsequent to 1 July 2001 in the provision of oral health services within the scope of orthodontic auxiliary practice, under the direction and supervision of a dentist or dental specialist who can attest to competency.

¹The Dental Council approved this prescribed qualification on 10 July 2006.

²Given that it was not illegal for unregistered persons to undertake orthodontic auxiliary duties prior to the establishment of the Restricted Activities List on 1 August 2005, any orthodontic assistants who did not apply for registration prior to 18 September 2004 but had the requisite clinical experience could apply for registration under amnesty provisions until 31 March 2006."
