WELLINGTON: WEDNESDAY, 29 NOVEMBER 2006 — ISSUE NO. 158

EASTLAND NETWORK LIMITED

INFORMATION FOR DISCLOSURE

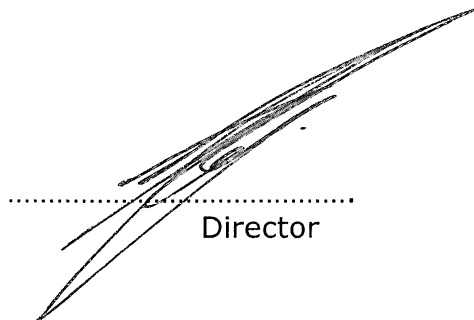

PURSUANT TO
SECTION 57T OF THE COMMERCE ACT 1986

CERTIFICATION OF FINANCIAL STATEMENTS, PERFORMANCE MEASURES, AND STATISTICS DISCLOSED BY EASTLAND NETWORK LIMITED

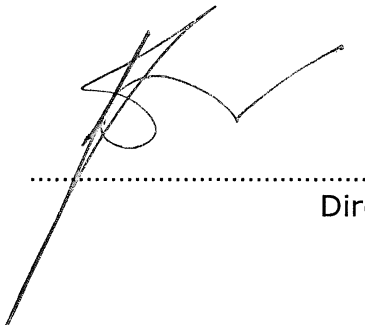

We, Trevor William Taylor and Roger Neil Taylor, directors of Eastland Network Ltd certify that, having made all reasonable enquiry, to the best of our knowledge, -

- (a) The attached audited financial statements of Eastland Network Ltd, prepared for the purposes of requirement 6 of the Commerce Commission’s Electricity Information Disclosure Requirements 2004 comply with those Requirements; and
- (b) The attached information, being the derivation table, financial performance measures, efficiency performance measures, energy delivery efficiency performance measures, statistics and reliability performance measures in relation to Eastland Network Limited, and having been prepared for the purposes of requirements 15, 16, 20 and 21 of the Electricity Information Disclosure Requirements 2004, comply with those Requirements.

The valuations on which those financial performance measures are based are as at 31 March 2004.

Add opening cash brought forward		<u>1,327</u>	<u>654</u>
Ending cash carried forward		<u>2,682</u>	<u>1,327</u>

Notes to the financial statements

For the year ended 31 March 2006

1) Statement of accounting policies**Basis of Preparation**

The financial statements prepared are the consolidation of the electricity lines businesses of Eastland Network Limited and Eastland Infrastructure Limited (the management company owned by the shareholder of Eastland Network Limited). Both companies are registered under the Companies Act 1993 and are reporting entities for the purposes of the Financial Reporting Act 1993.

The financial statements have been completed in accordance with Commerce Commission's Electricity Information Disclosure Requirements 2004.

Measurement base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed, with the exception that certain property has been revalued.

Specific accounting policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied.

(A) Fixed Assets**Owned Assets**

Fixed assets are initially stated at cost and depreciated as outlined below. Where appropriate, the cost of fixed assets includes site preparation costs, installation costs, and the cost of obtaining resource consents.

Leased Assets

Leases in terms of which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Assets acquired by way of finance lease are stated at an amount equal to the present value of the future minimum lease payments, and are depreciated as outlined below.

Revaluations

Land and buildings are stated at valuation as determined, on a cyclical basis not exceeding three years by an independent valuer. The basis of valuation is market value less the estimated costs of disposal, on an existing use basis.

Notes to the financial statements (continued)

For the year ended 31 March 2006

Network assets are stated at valuation as determined, on a cyclical basis not exceeding five years. The basis of valuation is optimised depreciated replacement cost, as reviewed by an independent engineering consultant.

Any surplus on revaluation is transferred directly to equity unless it offsets a previous decrease in value recognised in the statement of financial performance, in which case it is recognised in the statement of financial performance. A decrease in value is recognised in the statement of financial performance where it exceeds the surplus previously transferred to equity.

Disposal of Fixed Assets

Where a fixed asset is disposed of, the profit or loss recognised in the statement of financial performance is calculated as the difference between the sale price and the carrying value of the fixed asset.

Depreciation

Depreciation is calculated on a straight line basis to allocate the cost or revalued amount of an asset, less any residual value, over its useful life.

Major depreciation periods are:

Buildings	40 – 100 years
Distribution System	10 – 60 years
Motor Vehicles	5 – 10 years
Plant & Equipment	5 – 15 years

(B) Receivables

Receivables are stated at estimated realisable value after providing against debts where collection is doubtful.

(C) Inventories

Inventories are stated at the lower of cost or net realisable value. The estimated costs of marketing, selling and distribution are deducted in calculating net realisable value.

Cost is determined on a weighted average basis and includes expenditure incurred in acquiring the inventories and bringing them to their existing condition and location.

(D) Taxation

The income tax expense charged to the statement of financial performance includes both the current year's provision and the income tax effect of timing differences calculated using the liability method.

Notes to the financial statements (continued)

For the year ended 31 March 2006

Tax effect accounting is applied on a comprehensive basis to all timing differences. A debit balance in the deferred tax account arising from timing differences or income tax benefits from income tax losses, is only recognised if there is virtual certainty of realisation.

(E) Financial instruments

The Company is party to financial instruments as part of its normal operations. These financial instruments include bank accounts, investments, accounts receivable, accounts payable and term borrowings. All financial instruments are recognised in the statement of financial position and all revenues in relation to financial instruments are recognised in the statement of financial performance.

Except for those items covered by a separate accounting policy, all financial instruments are shown at their fair value.

(F) Employee Entitlements

A liability for annual leave and long service leave is accrued and recognised in the statement of financial position. The liability is calculated on an actual entitlement basis.

(G) Foreign Currency Transactions

Transactions denominated in foreign currencies are translated into the reporting currency using the exchange rate in effect at the transaction date.

Monetary items receivable or payable in a foreign currency, other than those resulting from short term transactions covered by forward exchange contracts, are translated at balance date at the closing rate. For transactions covered by short term forward exchange contracts, the rates specified in those contracts are used as the basis for measuring and reporting the transaction.

Exchange differences on foreign currency balances are recognised in the Statement of Financial Performance.

(H) Changes in Accounting Policies

There have been no changes in accounting policies. All Policies have been applied on bases consistent with those in the prior year.

Notes to the Financial Statements (continued)

For the year ended 31 March 2006

	2006 \$'000	2005 \$'000

Notes to the financial statements (continued)

For the year ended 31 March 2006

12 Bank and Intercompany Borrowings

In December 2005 Eastland Infrastructure Limited arranged bank funding from Commonwealth Bank and Westpac on behalf of the Eastland Infrastructure Group of Companies (Eastland Infrastructure Limited, Eastland Network Limited and Eastland Port Limited). The facility, initially for \$50 million increases to \$75 million over a three year period, is unsecured and subject to a Deed of Negative Pledge. The borrowings are in the name of Eastland Infrastructure Limited with the other two companies acting as guarantors.

Drawings under the facility commenced on 28 December 2005 and were on lent to clear existing borrowings by Eastland Port Limited and Eastland Network Limited.

Existing borrowings from ASB Bank were repaid progressively from 28 December 2005 using funds advanced by Eastland Infrastructure Limited as "group" borrower under the above facility. The final payment to ASB Bank was made on 28 February 2006. Borrowings at 31 March 2006 were \$34,100,000 advanced from Eastland Infrastructure Limited.

The company (and the "group") has a policy of hedging interest rates and at 31 March 2006, Eastland Network Limited had interest cover of \$33 million for up to 5 years. The average fixed rate cover at this date was 6.52%. \$19 million of these hedges are subject to a Novation Agreement dated 31 March 2006, transferring these hedges from Eastland Network Limited to Eastland Infrastructure Limited (and from ASB Bank to Commonwealth Bank). The transfers take effect at the next interest rate reset date progressively over the three months to 30 June 2006.

13 Net Cash Flow from Operating Activities

	2006	2005
	\$'000	\$'000

The following is a reconciliation between the surplus after tax shown in the Statement of Financial Performance and the net cash flow from operating activities.

Surplus after tax	<u>4,817</u>	<u>3,626</u>
Add(less) items classified as investing/financing activities		
Capitalised interest on constructed assets	-	(182)
Loss(gain) on sale of other non current assets	<u>(95)</u>	<u>4</u>
	(95)	(178)
Add(less) non-cash items		
Depreciation	3,486	2,979
Decrease in future tax benefit	<u>1,000</u>	<u>941</u>
	4,486	3,920
Add(less) movement in working capital		
Decrease(increase) in trade and other receivables	(113)	(311)
Decrease/(increase) in inventories	2	3
(Decrease)/increase in trade and other payables	<u>1,039</u>	<u>1,393</u>
	928	1,085
Net Cash flow from Operating Activities	<u>10,136</u>	<u>8,453</u>

Notes to the financial statements (continued)

For the year ended 31 March 2006

14 Contingent Liabilities

At 31 March 2006, the Company has a contingent liability of \$64,799 (2005 \$66,736) in respect of Subdivision Developers' Rebates on sections that are reticulated but undeveloped. The individual liabilities will be brought to charge as each section is developed and line charges become payable.

15 Commitments

There were no capital commitments not provided for at year end. The figure for 2005 was also nil.

16 Financial Instruments**Credit risk**

Financial assets which potentially subject the company to a credit risk are the book value of these financial instruments. However, the company considers the risk of non recovery of these amounts to be minimal.

Bank balances and investments in short term deposits are made with registered banks with satisfactory credit ratings. Exposure with any financial Institution is restricted in accordance with company policy.

Currency risk

The company had no material exposure to currency risk at 31 March 2006.

Interest risk

The interest rate risk is limited to bank borrowings. The company (and the "group") has a policy of hedging interest rates and at 31 March Eastland Network Limited had interest cover of \$33 million for up to 5 years. The average fixed rate cover at this date was 6.52%.

Fair values

The carrying value of cash and bank deposits, accounts receivable and accounts payable is equivalent to their fair value.

Notes to the financial statements (continued)

For the year ended 31 March 2006

17 Transactions with related parties**EASTLAND COMMUNITY TRUST**

Eastland Network Limited, Eastland Port Limited and Eastland Infrastructure Limited are related parties being 100% owned by Eastland Community Trust.

Other than payment of interest on Capital Notes and the payment of dividends there have been no significant transactions between company and the trust during the financial year.

EASTLAND INFRASTRUCTURE LIMITED

Eastland Infrastructure Limited provided management services to Eastland Network Limited for which management fees were paid to Eastland Infrastructure Limited. These fees amount to \$2.890 million. The portion relating to the "Non-Lines Business" has been excluded from these financial statements.

EASTLAND PORT LIMITED

Eastland Network Limited leases land from Eastland Port Limited for a substation. Lease payments are \$280 per annum.

18 Financial and efficiency performance measures under Requirement 14 of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

	2006	2005	2004	2003
1) Financial performance measures				
a) Return on funds	10.9	9.6	9.7	12.9
b) Return on Equity	10.7	8.8	8.8	15.0
c) Return on Investment	7.5	6.4	23.2	9.3
2) Efficiency performance measures				
a) Direct line costs per Kilometre	\$647	\$675	\$744	\$646
b) Indirect line costs per electricity consumer	\$77	\$70	\$61	\$67

CERTIFICATION OF VALUATION REPORT OF DISCLOSING ENTITIES

We, Trevor William Taylor and Roger Neil Taylor, directors of Eastland Network Limited certify that, having made all reasonable enquiry, to the best of our knowledge-

- (a) the attached valuation report of Eastland Network Limited, prepared for the purposes of requirement 19 of the Commerce Commission's Electricity Information Disclosure Requirements 2004 complies with those requirements; and
- (b) the replacement cost of the line business system fixed assets of Eastland Network Limited is \$187,619,000; and
- (c) the depreciated replacement cost of the line business system fixed assets of Eastland Network Limited is \$87,482,000; and
- (d) the optimised depreciated replacement cost of the line business system fixed assets of Eastland Network Limited is \$86,184,000; and
- (e) the optimised deprival valuation of the line business system fixed assets of Eastland Network Limited is \$86,184,000; and
- (f) the values in paragraphs (b) through to (e) have been prepared in accordance with the ODV Handbook (as defined in the Electricity Information Disclosure Requirements 2004). These valuations are as at 31 March 2004.

AUDITORS OPINION IN RELATION TO ODV VALUATION

EASTLAND NETWORK LIMITED

We have examined the valuation report of Eastland Network Limited and dated 6 December 2004, which report contains valuations of system fixed assets as at 31 March 2004.

In our opinion, having made all reasonable enquiry, and to the best of our knowledge, the valuations contained in the report, including the total valuation of system fixed assets of \$86,184,000 have been made in accordance with the ODV Handbook (as defined in the Commerce Commission's Electricity Information Disclosure Requirements 2004).

A handwritten signature in black ink, appearing to read 'Bruce Leader', is positioned above the typed name.

**REPORT OF THE AUDITOR-GENERAL
TO THE READERS OF THE FINANCIAL STATEMENTS OF EASTLAND NETWORK LIMITED
FOR THE YEAR ENDED 31 MARCH 2006**

We have audited the financial statements of Eastland Network Limited on pages 2 to 13. The financial statements provide information about the past financial performance of Eastland Network Limited and its financial position as at 31 March 2006. This information is stated in accordance with the accounting policies set out on pages 5 to 7.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of Eastland Network Limited as at 31 March 2006, and the results of its operations and cash flows for the year ended on that date.

Auditor's Responsibilities

Section 15 of the Public Audit Act 2001 and Requirement 30 of the Electricity Information Disclosure Requirements 2004 require the Auditor-General to audit the financial statements. It is the responsibility of the Auditor-General to express an independent opinion on the financial statements and report that opinion to you.

The Auditor-General has appointed Bruce Taylor of Deloitte to undertake the audit.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Directors in the preparation of the financial statements; and
- whether the accounting policies are appropriate to Eastland Network Limited's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with the Auditing Standards published by the Auditor-General, which incorporate the Auditing Standards issued by the Institute of Chartered Accountants of New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditor acting on behalf of the Auditor-General, we have no relationship with or interests in Eastland Network Limited.

Qualified Opinion

As explained in Note 1 in the Notes to the Financial Statements, these financial statements have been prepared in accordance with the Requirements and as such represent an aggregation of the financial statements of Eastland Network Limited's Lines Business and Eastland Infrastructures Limited's Line Business. While required by the Requirements this treatment does not comply with generally accepted accounting practice.

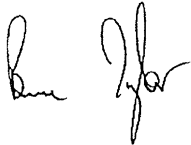

These two entities do not form a group as defined in Financial Reporting Standard No.37: *Consolidating Investments in Subsidiaries*, but are owned in common by The Eastland Energy Community Trust.

Deloitte

In our opinion –

- proper accounting records have been maintained by Eastland Network Limited as far as appears from our examination of those records;
- the financial statements of Eastland Network Limited's Lines Business on pages 2 to 13:
 - (a) do not comply with generally accepted accounting practice in New Zealand; and
 - (b) do not give a true and fair view of Eastland Network Limited's Lines Business's financial position as at 31 March 2006 and the results of its operations and cash flows for the year ended on that date, because of the non-compliance with Financial Reporting Standard No.37: *Consolidating Investments in Subsidiaries*.
- the financial statements of Eastland Network Limited's Lines Business on pages 2 to 13 do comply with the Electricity Information Disclosure Requirements 2004.

Our audit was completed on 22 November 2006 our qualified opinion is expressed as at that date.

Bruce Taylor
Deloitte
On behalf of the Auditor-General
Hamilton, New Zealand

This audit report relates to the financial statements of Eastland Network Limited's Lines Business for the year ended 31 March 2006 included on Eastland Network Limited's website. Eastland Network Limited's Board of Directors is responsible for the maintenance and integrity of Eastland Network Limited's website. We have not been engaged to report on the integrity of Eastland Network Limited's website. We accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website. The audit report refers only to the financial statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these financial statements. If readers of this report are concerned with the inherent risks arising from electronic data communication they should refer to the published hard copy of the audited financial statements and related audit report dated 22 November 2006 to confirm the information included in the audited financial statements presented on this website. Legislation in New Zealand governing the preparation and dissemination of financial statements and summary financial statements may differ from legislation in other jurisdictions.

Deloitte

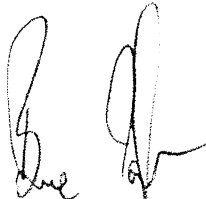

AUDITOR-GENERAL'S OPINION ON THE PERFORMANCE MEASURES OF EASTLAND NETWORK LIMITED

We have examined the information on pages 14 to 22, being –

- (a) the derivation table in requirement 15;
- (b) the annual ODV reconciliation report in requirement 16;
- (c) the financial performance measures in clause 1 of Part 3 of Schedule 1; and
- (d) the financial components of the efficiency performance measures in clause 2 of Part 3 of Schedule 1, –

that were prepared by Eastland Network Limited and dated 31 March 2006 for the purposes of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

In our opinion, having made all reasonable enquiry, and to the best of our knowledge, that information has been prepared in accordance with those Electricity (Information Disclosure) Requirements 2004.

Bruce Taylor
Deloitte

On behalf of the Auditor-General
Hamilton, New Zealand
22 November 2006

This opinion relates to the Performance Measures of Eastland Network Limited's Lines Business for the year ended 31 March 2006 included on Eastland Network Limited's website. Eastland Network Limited's Board of Directors is responsible for the maintenance and integrity of Eastland Network Limited's website. We have not been engaged to report on the integrity of Eastland Network Limited's website. We accept no responsibility for any changes that may have occurred to Performance Measures since they were initially presented on the website. The audit report refers only to the Performance Measures named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these summary financial statements. If readers of this report are concerned with the inherent risks arising from electronic data communication they should refer to the published hard copy of the Performance Measures and related audit report dated 22 November 2006 to confirm the information included in the audited summary financial statements presented on this website. Legislation in New Zealand governing the preparation and dissemination of financial statements and summary financial statements may differ from legislation in other jurisdictions.
