 - (p) prepared a statement of financial position for School C Limited as at 8 August 2003 that did not correctly present working capital and/or equity; in that:
 - (i) a bank balance of \$88,352.00 in the name of a company director was included as a company asset; and/or
 - (ii) a shareholders current account balance of \$257,104.00 was included as a component of equity; and/or
 - (q) failed to provide within 14 days information that was required by the professional conduct committee as set out in letters dated 6 November 2006 and 30 November 2006, in breach of Rule 21.4(b); and
- in his role as a chartered accountant in public practice and in relation to a complaint, the member:
- (r) failed to pay \$8,000.00, being the monetary penalty ordered by the disciplinary tribunal on 3 October 2006, to the institute within the specified timeframe; and/or
 - (s) failed to pay \$3,814.00, being costs and expenses ordered by the disciplinary tribunal on 3 October 2006, to the institute within the specified timeframe.

Reasons

The member has admitted the particulars and pleaded guilty to the charge. There are four elements to these proceedings – the first being the liquidation of S. M. Chan & Partners CA Limited, owing money to the Inland Revenue Department, the non-filing and non-payment of returns, GST and PAYE; the second being the NZQA attestation report particulars; the third the timeliness of responses to Mr X’s requests; and the fourth the dealings with the institute and the professional conduct committee.

The tribunal finds it unacceptable for a public practice certificate holder offering tax services to the public to fail to file their own tax returns, fail to account for PAYE and GST, and cause the company to cease trading leaving debts owing to the Inland Revenue Department. The tribunal finds the attestation certificate particulars of concern but minor relative to other matters.

In terms of responses to Mr X’s complaints – whilst there may have been a reply to queries, these failed to provide a response, that is the provision of the requested information. These are more significant than the attestation issues but taken as a group, not of overwhelming consequence.

The fourth relates to the member’s dealings with the institute, and here the tribunal must have regard to the fact that this is the member’s third appearance before the tribunal on similar matters.

Orders of the Tribunal

- (a) Pursuant to Rule 21.31(b) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Sam Ming Chan** be suspended from membership of the institute for three years.
- (b) Pursuant to Rule 21.31(d) of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that the certificate of public practice held by **Sam Ming Chan** be suspended for three years.

- (c) Pursuant to Rule 21.33 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal ordered that **Sam Ming Chan** pay to the institute the sum of \$35,000.00 (inclusive of GST) in respect of the costs and expenses of the hearing before the disciplinary tribunal and the investigation by the professional conduct committee.

In accordance with Rule 21.35 of the Rules of the Institute of Chartered Accountants of New Zealand, the disciplinary tribunal directed that the decision of the tribunal be published in the *Chartered Accountants Journal*, the *New Zealand Gazette*, the *New Zealand Herald* and on the institute’s website with mention of the member’s name and locality.

The publicity in the *Chartered Accountants Journal*, the *New Zealand Gazette*, and on the website will be the full version of the notice of decision, and the version in the *New Zealand Herald* will be an abbreviated version of the notice of decision with reference to the full decision being on the institute’s website.

Right of Appeal

Pursuant to Rule 21.41 of the Rules of the Institute of Chartered Accountants of New Zealand, which were in force at the time of the original notice of complaint, the member may, not later than 14 days after the notification of this tribunal to the member of the exercise of its powers, appeal in writing to the appeals council of the institute against the decision.

No decision other than the direction as to publicity shall take effect while the member remains entitled to appeal or while any such appeal by the member awaits determination by the appeals council.

R. J. O. HOARE, Chairman, Disciplinary Tribunal.

Electricity Commission

Electricity Act 1992

Notice of Making of Electricity Governance Amendment Rules (No. 56) 2007 and Notice of Reasons for Decision

1. Pursuant to section 172I of the Electricity Act 1992 (“Act”), I notify the amendment of the Electricity Governance Rules 2003 (“Rules”) under section 172H of the Act.
2. The empowering provision for the electricity governance regulations in relation to which the amendment to the Rules is made is section 172D of the Act.
3. A brief description of the nature of the amendment is to add an effective date for the Transmission Pricing Methodology (“TPM”) contained in Schedule F5 of Section IV of Part F of the Rules.
4. Pursuant to section 172Z(4) of the Act, the reasons for my decision to amend the Rules are that:
 - (a) Rule 8.4 of Section IV of Part F of the Rules requires the Electricity Commission (“Commission”) to make a recommendation to me about the adoption of a TPM, including a date that the TPM must take effect;
 - (b) the Commission has consulted extensively on the TPM, including specifically on the date from which the TPM must take effect; and
 - (c) I agree that 1 April 2008 is the most appropriate date for the TPM to take effect.
5. These Rules come into force on 13 September 2007.

6. Copies of the Rules may be inspected free of charge or purchased from the Electricity Commission, Level 7, ASB Bank Tower, 2 Hunter Street, Wellington. The Rules can also be viewed on the Commission’s website

Notice of Making of a Recommendation and Assessment Concerning the Electricity Governance Rules 2003 – Rule Amendment Proposal No. 104, 2007

1. This notice of a recommendation and assessment concerning the Electricity Governance Rules 2003 (“Rules”), Rule Amendment Proposal No. 104, is issued by the Electricity Commission (“Commission”), pursuant to section 172E(2)(c) of the Electricity Act 1992 (“Act”).

2. Section 172E(2)(c) of the Act provides that, no later than 10 working days after making a recommendation concerning the Rules to the Minister of Energy, the Commission must publicise the recommendation and the assessment completed under section 172F of the Act.

Recommendation

3. On 10 August 2007, the Commission made a recommendation that Rule 11.5.3 of Section IV of Part C of the Rules be amended.

Recommended Amendment to the Rules

4. The key differences between the existing Rule 11.5.3 of Section IV of Part C and the one recommended by the Commission are:

- (a) replacing the requirement to rebate event charges to availability cost “payees” with a requirement to effectively rebate such charges to “payers” of availability cost in accordance with the original intention of the rule; and
- (b) omitting the requirement to rebate availability cost to a special category (causers holding a dispensation including a rebate entitlement), because there is no mention in the Rules about the methodology of allocating payments, and hence no participants fall in this category.

5. A copy of the Commission’s recommendation and assessment is available, at no cost, on the Commission’s website

Recommendation

3. The Commission made a recommendation on 13 August 2007, that the Minister of Energy amend the Rules by adding a new sentence as paragraph 1.2 of Schedule F5 to Section IV of Part F of the Rules, which states that the Transmission Pricing Methodology must take effect from 1 April 2008, and that it will replace the methodology contained in the Electricity (Transpower’s Pricing Methodology) Regulations 2004.

Notes to the Financial Statements for the Year Ended 31 March 2007

1. Statement of Accounting Policies

The ASB Community Trust (“the trust”) is the reporting entity. The trust was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. Under the terms of the trust deed, the trust was settled with 60 million \$1 fully paid ordinary shares in ASB Bank Limited representing 100% of the issued capital. As at 31 March 1988, the net tangible asset backing of those 60 million shares was \$147,655,000. In 1989, 45 million shares were sold to the Commonwealth Bank of Australia for \$252,000,000 which was then donated to the ASB Charitable Trust. In October 2000, the remaining 15 million shares were sold to the Commonwealth Bank of Australia for \$545,000,000.

On 27 February 2006, the trustees of the ASB Charitable Trust resolved to distribute, on or before 31 March 2006, the capital of that trust (including all accumulations of income and capital to that date less accrued liabilities) *in specie* to the ASB Bank Community Trust. Subsequent to this distribution, the ASB Charitable Trust was wound up.

The ASB Bank Community Trust formally changed its name to the ASB Community Trust by way of deed dated 17 July 2006.

The measurement basis adopted is that of historical cost adjusted for the revaluation of certain assets. Reliance is placed on the fact that the trust is a going concern. The financial statements have been prepared in accordance with the requirements of the Financial Reporting Act 1993.

Consolidated Financial Statements

Consolidated financial statements have not been prepared as the subsidiary companies have not traded since incorporation.

Statement of Cash Flows

Cash comprises cash at bank and call deposits but does not include cash or deposits held by the fund managers. Therefore, the statement of cash flows does not reflect the cash flows within the fund managers' portfolios.

Dividends, Pooled Funds and Interest

Dividends are recognised as income on declaration date, and are recorded net of any imputation tax credits. Income from pooled funds is recognised on declaration date. Interest is recognised as income on an accrual basis.

Grants

Grants are accounted for as they are committed to be distributed to eligible organisations as approved by the trustees.

Expenses

Prior to 31 March 2006, some expenses were shared jointly between the ASB Community Trust and the ASB Charitable Trust. Whilst each trust bore its own specific costs, the joint expenses were allocated between each trust on the basis of the number of applications processed by each.

Joint expense allocations were:

	2007	2006
This trust	100%	50%
ASB Charitable Trust		50%

Fixed Assets

Fixed assets are valued at cost, less accumulated depreciation.

Depreciation

Depreciation is provided over the useful life of the assets. Buildings are depreciated on a straight line basis. Vehicle, office equipment and furniture are depreciated on a diminishing value basis. The rates used are those recommended by the Inland Revenue Department.

Land and buildings	2.5% – 3.0%
Office equipment and furniture	9.5% – 60.0%

Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date and all realised and unrealised gains and losses are recognised in income and expenditure for the period.

Investments

Investment in managed funds and other investments are stated at market value. Any gains or losses are recognised in income and expenditure for the period. Investment transactions are recorded by the fund managers on a settlement date basis.

Financial Instruments

All assets and liabilities of the trust are financial instruments and are recognised in the statement of financial position. All financial instruments are recorded at market value which equates to fair value.

The trust uses financial instruments to reduce exposure to fluctuations in foreign currency exchange rates. Forward exchange contracts are entered into to hedge foreign currency transactions. These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in the income and expenditure statement.

The quantitative disclosures required by FRS 31 Disclosure of Information about Financial Instruments have been included throughout the financial statements where material.

Reserves

Transfers to the capital maintenance reserve are based on the annual movement in the consumer price index. Transfers to all other reserves from the unallocated surplus are made at the discretion of the trustees.

Taxation

The Income Tax Act 1994 provides exemption from income tax for community trusts established under the Trustee Banks Restructuring Act 1988. The amendment applied from the 2005 income year, and consequently no taxation has been provided for in these financial statements.

Changes in Accounting Policies

There have been no material changes in accounting policies during the period.

These subsidiaries were incorporated on 29 March 2001. They have not traded since incorporation.

10. Financial Instruments

Currency Risk

The trust invests in securities that are denominated in foreign currencies and therefore result in a currency risk. In order to minimise the currency risk, foreign currency assets are hedged.

	<i>2007</i>	<i>2006</i>
	<i>\$000</i>	<i>\$000</i>

Total unhedged exposure at 31 March	<u>–</u>	<u>196,938</u>

Interest Rate Risk

The trust, through its fund managers, invests in securities that are subject to interest rate risk. The trust actively monitors this risk and changes asset allocations and maturity profiles accordingly.

Credit Risk

The trust, in the normal course of business, enters into arrangements with other parties. These arrangements give rise to credit risk for the trust and hence policies and procedures are maintained so that this risk is minimised.

For all classes of financial assets held by the trust, the maximum credit risk exposure to the trust is the carrying value.

Due to the diversification of the investment portfolio and the policies and procedures in place, there are no significant concentrations of credit risk. No collateral is required in respect of financial assets.

Fair Values

All financial instruments are carried at market value, which equates to fair value.

11. Foreign Currency Monetary Assets

As at 31 March 2007, the trust had fully hedged its foreign currency exposure. At 31 March 2006, the trust had the following foreign currency monetary assets (including assets received on distribution from the ASB Charitable Trust) that were not hedged.

Other than committed grants, the trust has no other capital commitments or contingent liabilities.

16. Adoption of International Financial Reporting Standards

In December 2002, the New Zealand Accounting Standards Review Board announced that New Zealand equivalents to International Financial Reporting Standards (NZ IFRS) will apply to all New Zealand entities for financial reporting periods commencing on or after 1 January 2007.

The trust has commenced assessing the differences between accounting policies under NZ IFRS and current accounting policies to identify key areas of the financial statements that will be impacted by the transition to NZ IFRS. This review has not been completed at balance date.

Audit Report

To the Trustees of ASB Community Trust:

We have audited the financial statements. The financial statements provide information about the past financial performance of the ASB Community Trust ("the trust") and its financial position as at 31 March 2007. This information is stated in accordance with the accounting policies.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements which give a true and fair view of the financial position of the trust as at 31 March 2007 and the results of its operations and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the trustees in the preparation of the financial statements;
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with New Zealand Auditing Standards. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

Our firm has also provided tax advisory services to the trust in respect of the year ended 31 March 2007. These services have not impaired our independence as auditors of the trust. The firm has no other relationship with, or interest in, the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion, the financial statements:

- comply with New Zealand generally accepted accounting practice;
- give a true and fair view of the financial position of the trust as at 31 March 2007 and the results of its operations and cash flows for the year ended on that date.

Our audit was completed on 28 May 2007 and our unqualified opinion is expressed as at that date.

KPMG, Auckland.
