15C.5 The chief executive may accept an application for grants in accordance with clause 15C.3 before an applicant leaves New Zealand if satisfied that paragraphs (a) to (d) of that clause and clause 15C.2 will apply to the applicant upon his or her arrival in the overseas country concerned, but no payments may be made earlier than that arrival.

15C.6 Grants under clause 15C.3 may be made on a weekly basis commencing no earlier than the date of application for the grant until the earliest of the following events—

- (a) the applicant becomes legally able to work in the country in which the custody and access proceedings are being determined and obtains employment suitable and sufficient to support himself or herself and the child;
- (b) the applicant becomes eligible to access financial assistance under the social security system of that country that is sufficient to support himself or herself and the child;
- (c) the applicant:
 - (i) departs from that country; or
 - (ii) ceases to be entitled to stay in that country by reason of the expiry and non-renewal, or cancellation, of any permit or visa;
- (d) the child attains the age when no order relating to his or her possession and care, or day to day care, may be made in the custody or access proceedings;
- (e) 28 days after the custody and access proceedings and any appeals from the decisions in those proceedings are finally determined.

15C.7 The weekly amount of a grant under clause 15C.3—

- (a) is in the discretion of the chief executive but except as provided in paragraph (c), must not exceed the weekly amount set out in clause 1 of Schedule 16 of the Act; and
- (b) must be reduced by \$1.00 for every \$1.00 of the applicant's income instead of in accordance with Income Test 1; and

(c) may, in respect of the applicant's accommodation expenses, be increased by an amount of not more than:

- (i) where the applicant and child are in New Zealand the weekly amount of an accommodation supplement under the Act that would be payable to the applicant if the applicant were a beneficiary; or
- (ii) in any other case, the weekly amount set out in clause 1(a) of Part 2 of Schedule 18 of the Act having regard to the circumstances of the applicant and his or her actual accommodation expenses.

15C.8 In clauses 15C.1 to 15C.7—

custody and access proceedings—

- (a) means proceedings for an order (however called) relating to the possession and care, or day to day care, of a child; and
- (b) includes proceeding:
 - (i) for an order (however called) relating to access to or contact with a child; or
 - (ii) for a parenting order under the Care of Children Act 2004.

limited purpose permit means a limited purpose permit issued under the Immigration Act 1987;

permanent resident means a person resident in New Zealand who holds, is deemed to hold, or is exempt from holding, a residence permit under the Immigration Act 1987;

temporary permit means a temporary permit issued under the Immigration Act 1987.”

Explanatory Note

This note is not part of the amendment but is intended to indicate its general effect.

This amendment to the Special Needs Grants Programme provides for discretionary financial assistance to adults who are the principal caregivers of children involved in custody and access disputes in the child's country of habitual residence where there is no other means of financial support available. The amendment comes into effect on the day after it is made.

Departmental Notices

ACC

Injury Prevention, Rehabilitation, and Compensation Act 2001

Consultation on Proposed ACC Levy Rates

Accident Compensation Corporation (ACC) is consulting on the following 2008/09 levies:

- Work levy (self-employed people and employers combined)
- Pre-1999 claims levy (residual claims levy)
- Earners levy
- Motor vehicle levy

The ACC Board invites all interested parties to provide input on its levy proposals prior to making recommendations to the Minister for ACC. This consultation is required under section 331 of the Injury Prevention, Rehabilitation, and Compensation Act 2001.

Why do levies change?

ACC meets the ongoing cost of claims from the levies it collects each year and the interest it earns by investing any unspent levies or reserves.

There are a number of factors that affect levy rates. These include the forecast trends in injury and death rates, the duration and cost of claimants' rehabilitation or compensation, and economic factors such as inflation and interest rates. Rising interest rates increase the future earnings expected from ACC's investments and decrease ACC's liability for past injuries and, as a result, reduce the levy rates. The opposite is true when interest rates reduce.

This is your chance to have your say on what you pay

Proposals for each group of levy payers**Self-employed and Employers**

Employer levies are based on their employee payroll. Employers pay:

- a levy to cover work-related injuries to their employees in 2008/09; and
- a levy to cover injury claims prior to 1999.

Self-employed levies are based on their earnings. Self-employed people pay:

- a levy to cover their work-related injuries in 2008/09;
- a levy to cover injury claims prior to 1999; and
- a levy to cover their non-work injuries in 2008/09.

ACC proposes:

- decreasing the combined levy rate for self-employed people and employers to an average of \$1.25 per \$100 of liable earnings by:
 - decreasing the levy rate to cover 2008/09 work claims from \$0.89 to \$0.78
 - increasing the levy rate to cover injury claims prior to 1999 from \$0.43 to \$0.47
- decreasing the number of risk groups to cover 2008/09 work injuries to 117, and maintaining the existing 41 risk groups for claims prior to 1999.

Earners

Earners levies are based on the earnings of employees and self-employed people, and pay for cover on their non-work injuries.

ACC proposes:

- increasing the levy rate to cover 2008/09 non-work claims to \$1.244 per \$100.00 of earnings.

Motorists

Motorists pay for all injuries involving motor vehicles on public roads, through a combination of:

- a levy paid by motor vehicle owners through their annual vehicle licensing fee (the levy is based on the type of vehicle)
- a levy on petrol sales paid by vehicle users.

ACC proposes:

- increasing the petrol levy for 2008/09 to 9.34 cents per litre and increasing the average licensing fee per petrol vehicle to \$136.48 resulting in a combined average levy rate of \$254.63 per petrol vehicle
- maintaining the existing nine vehicle classifications
- increasing the ACC component of the annual vehicle licensing fee for each vehicle type.
