WELLINGTON: WEDNESDAY, 5 MARCH 2008 — ISSUE NO. 52

SCANPOWER LIMITED

INFORMATION FOR DISCLOSURE

PURSUANT TO SECTION 57T OF THE COMMERCE ACT 1986

AUDIT NEW ZEALAND

Mana Arotake Aotearoa

AUDITOR-GENERAL'S OPINION ON THE PERFORMANCE MEASURES OF SCANPOWER LIMITED

We have examined the information on pages 18 to 24, being -

- (a) the derivation table in requirement 15;
- (b) the annual ODV reconciliation report in requirement 16;
- (c) the financial performance measures in clause 1 of Part 3 of Schedule 1; and
- (d) the financial components of the efficiency performance measures in clause 2 of Part 3 of Schedule 1, -

that were prepared by Scanpower Limited and dated 26 February 2008 for the purposes of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

In our opinion, having made all reasonable enquiry, and to the best of our knowledge, that information has been prepared in accordance with those Electricity Information Disclosure Requirements 2004.

Mark Maloney Audit New Zealand

MT

On behalf of the Auditor-General Palmerston North, New Zealand

26 February 2008

MATTERS RELATING TO THE PUBLICATION OF THE AUDITED PERFORMANCE MEASURES IN THE NEW ZEALAND GAZETTE

This audit report relates to the performance measures of Scanpower Limited for the year ended 31 March 2007 that have been published in the *New Zealand Gazette*. The *New Zealand Gazette* is required to publish hard copies of audited performance measures and the related audit report of Scanpower Limited for the year ended 31 March 2007, and to include an electronic version of the published *New Zealand Gazette* on the *New Zealand Gazette*'s website.

We have not been engaged to report on the integrity of the performance information of Scanpower Limited that have been published on the *New Zealand Gazette*'s website. We accept no responsibility for any changes that may have occurred to the performance information since they were initially signed and published.

This audit report refers only to the performance information named above. If readers of this audit report are concerned with the inherent risks arising from electronic data communication, they should refer to the original signed and published hard copy of the audited performance information and related audit report dated 26 February 2008 to confirm the information included in the audited performance information published in the *New Zealand Gazette* or on the *New Zealand Gazette*'s website.

Legislation in New Zealand governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

AUDIT NEW ZEALAND

Mana Arotake Aotearoa

REPORT OF THE AUDITOR-GENERAL

TO THE READERS OF THE FINANCIAL STATEMENTS OF SCANPOWER LIMITED FOR THE YEAR ENDED 31 MARCH 2007

We have audited the financial statements of Scanpower Limited on pages 2 to 17. The financial statements provide information about the past financial performance of Scanpower Limited and its financial position as at 31 March 2007. This information is stated in accordance with the accounting policies set out on pages 5 to 7.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of Scanpower Limited as at 31 March 2007, and the results of its operations and cash flows for the year ended on that date.

Auditor's Responsibilities

Section 15 of the Public Audit Act 2001 and Requirement 30 of the Electricity Information Disclosure Requirements 2004 require the Auditor-General to audit the financial statements. It is the responsibility of the Auditor-General to express an independent opinion on the financial statements and report that opinion to you.

The Auditor-General has appointed Mark Maloney of Audit New Zealand to undertake the audit.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Directors in the preparation of the financial statements; and
- whether the accounting policies are appropriate to Scanpower Limited's circumstances, consistently applied and adequately disclosed.

We conducted the audit in accordance with the Auditing Standards issued by the Institute of Chartered Accountants of New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

In addition to the audit, we have carried out an audit assignment for the company. This involved issuing an audit opinion on the statutory financial statements for the year ended 31 March 2007. Other than this assignment, we have no relationship with or interests in Scanpower Limited.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion -

- proper accounting records have been maintained by Scanpower Limited as far as appears from our examination of those records; and
- the financial statements of Scanpower Limited on pages 2 to 17:
 - (a) comply with generally accepted accounting practice in New Zealand; and
 - (b) give a true and fair view of Scanpower Limited's financial position as at 31 March 2007 and the results of its operations and cash flows for the year ended on that date; and
 - (c) comply with the Electricity Information Disclosure Requirements 2004.

Our audit was completed on 26 February 2008 and our unqualified opinion is expressed as at that date.

Mark Maloney Audit New Zealand

On behalf of the Auditor-General Palmerston North, New Zealand

MATTERS RELATING TO THE PUBLICATION OF THE AUDITED FINANCIAL STATEMENTS IN THE NEW ZEALAND GAZETTE

This audit report relates to the financial statements of Scanpower Limited for the year ended 31 March 2007 that have been published in the *New Zealand Gazette*. The *New Zealand Gazette* is required to publish hard copies of audited financial statements and the related audit report of Scanpower Limited for the year ended 31 March 2007, and to include an electronic version of the published *New Zealand Gazette* on the *New Zealand Gazette*'s website.

We have not been engaged to report on the integrity of the financial statements of Scanpower Limited that have been published on the *New Zealand Gazette*'s website. We accept no responsibility for any changes that may have occurred to the financial statements since they were initially signed and published.

This audit report refers only to the financial statements named above. If readers of this audit report are concerned with the inherent risks arising from electronic data communication, they should refer to the original signed and published hard copy of the audited financial statements and related audit report dated 26 February 2008 to confirm the information included in the audited financial statements published in the *New Zealand Gazette* or on the *New Zealand Gazette*'s website.

The accompanying notes and policies form an integral part of these Financial Statements

Scanpower Limited
Statement of Significant Accounting Policies
For the Year Ended 31 March 2007

Basis of Preparation

Scanpower Limited (Scanpower) is a public company registered under the Companies Act 1993. These financial statements have been prepared for the purposes of complying with the requirements of the Electricity Information Disclosure Requirements 2004.

The financial statements comprise separate a Statement of Financial Performance, Statement of Movements in Equity, Statement of Financial Position, and a Statement of Cash Flows for the Scanpower electricity distribution business. This business operates in the Southern Hawkes Bay area.

For general accounting purposes, the historic cost basis has been recognised as appropriate for the measurement and reporting of earnings and financial position, with the exception that certain fixed assets have been revalued.

The financial statements have been prepared in accordance with New Zealand generally accepted accounting practice. The policies that materially affect the measurement of financial performance, position and cash flows are set out below.

Operating Revenue

Revenue comprises amounts earned for the sale of the company's products and services net of returns, trade allowances and taxes paid. Interest income is accounted for as earned.

Taxation

The income tax expense is recognised on the operating surplus before taxation, adjusted for permanent differences between taxable and accounting income. Deferred tax is calculated using the comprehensive basis under the liability method. This method involves recognising the tax effect of all timing differences between accounting and taxable income as a deferred tax asset or liability in the Statement of Financial Position. The future tax benefit or provision for deferred tax is stated at the income tax rates prevailing at the balance date. Future tax benefits are not recognised unless realisation of the asset is virtually certain.

Goods and Services Tax

The Statement of Financial Performance and Statement of Cash Flows have been prepared so that all components are stated exclusive of GST. All items in the Statement of Financial Position are stated net of GST, with the exception of receivables and payables which include GST invoiced.

Receivables

Receivables are carried at anticipated realisable value after providing for doubtful receivables based on a review of all outstanding amounts at year end. Bad debts are written off in the year in which they are identified.

Inventories

Inventories are valued at the lower of weighted average cost and net realisable value.

Scanpower Limited
Statement of Significant Accounting Policies (Continued)
For the Year Ended 31 March 2007

Property, Plant and Equipment

Owned Assets

Property, Plant and Equipment is initially stated at cost and depreciated as outlined below. Initial cost includes the purchase consideration, and those costs directly attributable to bringing the asset to the location and condition necessary for its intended use. These costs include, where appropriate, site preparation costs, installation costs, borrowing costs and the cost of obtaining initial resource consents. Costs cease to be capitalised when substantially all the activities necessary to bring an asset to the location and condition for its intended use are complete.

Leased Assets

Leases in which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Assets acquired by way of finance lease are stated initially at an amount equal to the future minimum lease payments, and are depreciated as described below.

Revaluations

The Network Distribution assets were revalued as at 31 March 2004 on the basis of the Commerce Commission's "Handbook for Optimised Deprival Valuation of System Fixed Assets of Electricity Lines Businesses" issued 30 August 2004. The valuation was prepared by Mr J R Collins B Eng.(Elec.) MBA of Scanpower Limited and was reviewed by PricewaterhouseCoopers and Eddie Graham B.E.(Elec.) FIPENZ. The valuation is expressed on an optimised depreciated replacement cost (ODRC)/optimised deprival value (ODV) basis.

Land and Buildings are revalued to fair value with regard to highest and best use. Fixed assets within these classes are revalued on a cyclical basis with no asset being recognised at a valuation undertaken more than five years previously. The most recent Land and Building valuation was conducted by an independent registered valuer, Mr. I.R. Mollison ANZIV, of the firm Ian Mollison & Associates, Dannevirke, on 31 March 2007.

Depreciation

Depreciation of Property, Plant and Equipment, other than Freehold Land, is calculated on a straight line basis so as to expense the cost of the assets, or the revalued amounts, to their residual values over their useful lives. The useful economic lives used for depreciation purposes are as follows:

Distribution Assets	
Lines – wood	45
Lines – concrete	60
Lines – underground	45
Transformers	55
Substations	55
Switchgear	45
Air break switches	35
Customer connections	45

3 to 5

Scanpower Limited Statement of Significant Accounting Policies (Continued) For the Year Ended 31 March 2007

 Circuit breakers
 40

 Sectionalisers
 40

 Ring main units
 40

 Voltage regulators
 40 to 55

 Non standard assets
 15 to 60

 Buildings and Fixtures
 10 to 50

 Motor Vehicles
 3 to 10

Employee Entitlements

Computer Equipment

Employee Entitlements to salaries and wages, annual leave, long service leave and other benefits are accrued on an actual entitlement basis.

Financial Instruments

Financial Instruments carried on the Statement of Financial Position include cash and bank balances, receivables, and trade creditors. These financial assets and liabilities are, generally, carried at their estimated fair values except for loans and investments, which are recorded at cost. Where appropriate, particular recognition methods adopted are disclosed in the individual policy statements associated with them.

Statement of Cash Flows

The following are the definitions of the terms used in the Statement of Cash Flows:

- (a) Operating activities include all transactions and other events that are not investing or financing activities.
- (b) Investing activities are those activities relating to the acquisition, holding and disposal of property, plant and equipment, and of investments.
- (c) Financing activities are those activities that result in changes in the size and composition of the capital structure. This includes both equity and debt not falling within the definition of cash. Dividends paid in relation to the capital structure are included in financing activities.
- (d) Cash is considered to be cash on hand and current accounts in banks, and short term deposits, net of bank overdrafts.

Changes in Accounting Policies

There have been no changes in accounting policies and all policies have been applied on a basis consistent with those used in the previous year.

Note 11. Environmental Policy

Scanpower endeavours to adhere to a sustainable usage policy with a minimum of environmental disturbance. To date, Scanpower is unaware of any of its projects or operations that would not meet the above policy.

Note 12. Capital Commitments and Contingent Liabilities

As at 31 March 2007 the company did not have any capital commitments or contingent liabilities. (2006: capital commitment of \$295,000).

Note 13. Segment Information

Scanpower operates primarily in the electricity distribution industry – the ownership, management and operation of the electricity network in the Dannevirke region.

Note 14. Related Party Information

Scanpower Limited Customer Trust owns, through its nominees, all of the issued capital of Scanpower Limited.

Directors' transactions with the company were made under normal terms and conditions of supply and sale available to members of staff. There were no transactions between Directors and the lines business for the year ended 31 March 2007

Contestable contracting services in asset construction and maintenance were provided by Scanpower's contracting division at cost, including overheads, and as detailed respectively here and in Note 16 12(b)(i) below.

	2007	2006
	\$'000	\$'000
Construction of subtransmission assets	0	0
Construction of zone substations	0	0
Construction of distribution lines and cables	450	647
Construction of medium voltage switchgear	96	691
Construction of distribution transformers	164	219
Construction of distribution substations	5	25
Construction of low voltage reticulation	370	269
Construction of other system fixed assets	992	366
Maintenance of assets	655	604
Consumer connections and disconnections	0	0

An imputed rental of \$16,934 (2006 - \$16,766) is included in Note 16 12(b)(vii) as being paid to the "other" business.

Note 15. Financial Instruments

Scanpower has no off balance sheet financing, other than those disclosed in these notes, nor any foreign exchange exposure. The fair value of financial instruments is approximated by the carrying amount disclosed in the Statement of Financial Position.

Concentrations of credit risk with respect to receivables in the Company's core activity are managed by adequate safeguards in the use of system agreements entered into with energy retailers. No other form of security or collateral is required to support financial instruments with credit risk.

The interest rates on the company's deposits are presented in Note 6.

CERTIFICATION BY AUDITOR IN RELATION TO VALUATION

We have examined the valuation report of Scanpower Limited and dated 2 December 2004, which report contains valuations of system fixed assets as at 31 March 2004.

In our opinion, having made all reasonable enquiry, to the best of our knowledge, the valuations contained in the report, including the total valuation of system fixed assets of \$19,540,725, have been made in accordance with the ODV Handbook (as defined in the Commerce Commission's Electricity Information Disclosure Requirements 2004).

CERTIFICATION OF VALUATION REPORT OF SCANPOWER LIMITED

We, Peter Clayton and Christine Donald, Directors of Scanpower Limited certify that, having made all reasonable enquiry, to the best of our knowledge-

- (a) the attached valuation report of Scanpower Limited, prepared for the purposes of requirement 19 of the Commerce Commission's Electricity Information Disclosure Requirements 2004 complies with those Requirements; and
- (b) the replacement cost of the line business system fixed assets of Scanpower Limited is \$40,581,674; and
- (c) the depreciated replacement cost of the line business system fixed assets of Scanpower Limited is \$19,557,084; and
- (d) the optimised depreciated replacement cost of the line business system fixed assets of Scanpower Limited is \$19,540,725; and
- (e) the optimised deprival valuation of the line business system fixed assets of Scanpower Limited is \$19,540,725; and
- (f) the values in paragraphs (b) through to (e) have been prepared in accordance with the ODV Handbook (as defined in the Electricity Information Disclosure Requirements 2004). These valuations are as at 31 March 2004.

Refer Clayton/ 26 February 2008 **Christine Donald** 26 February 2008

CERTIFICATION OF FINANCIAL STATEMENTS, PERFORMANCE MEASURES, AND STATISTICS DISCLOSED BY SCANPOWER LIMITED

We, Peter Clayton and Christine Donald, Directors of Scanpower Limited certify that, having made all reasonable enquiry, to the best of our knowledge,-

- (a) The attached audited financial statements of Scanpower Limited prepared for purposes of requirement 6 of the Commerce Commission's Electricity Information Disclosure Requirements 2004 comply with those Requirements; and
- (b) The attached information, being the derivation table, financial performance measures, efficiency performance measures, energy delivery efficiency performance measures, statistics, and reliability performance measures in relation to Scanpower Limited, and having been prepared for the purposes of requirements 14, 15, 20, and 21 of the Electricity Information Disclosure Requirements 2004, comply with those Requirements.

The valuations on which those financial performance measures are based are as 31 March 2004.
