 for supply of (name of article)." In the
 event of a difference of opinion between the

 board of survey, composed of persons named
 by the Government. If the board shall decide
 that the article is not of a proper quality it
 must be immediately replaced by the Con-
 tractor, failing which it will be procured by
 the department requiring it, and the expense
 charged to the Contractor.

In cases where the article is of a perishable
 nature, or in which, from some other cause,
 injury would be sustained by waiting for a
 board of survey, the head of the department,
 or Officer in charge, for whom the supplies
 are to be received, shall have power to reject
 any article of a quality inferior to the approved
 sample, and to purchase others at the expense
 of the Contractor
