SIR,—I have the honor to transmit to you a letter which has been addressed to you from a Central Committee appointed by the General Committee formed for promoting the National Memorial to the lamented Prince Consort.

The object in appointing this Central Committee is to give a truly National character to the Memorial by affording to every class in the British Empire an opportunity of joining in this tribute of the Nation's gratitude, and in forwarding the Letter which has been addressed to you as Governor of New Zealand, I feel that it is quite unnecessary for me to recommend its object to your attention.

NATIONAL MEMORIAL TO THE
PRINCE CONSORT.

House of the Society of Arts,
Adelphi, London,
13th May, 1862.

SIR,—I have the honor to transmit to Your Excellency the proceedings of a meeting held in this Metropolis, to promote the National Memorial to the Prince Consort.

The Committee appointed for this object, in order to give a truly National character to the Memorial, have made arrangements to give to persons of every class in England an opportunity of joining in this tribute of the Nation's gratitude; so that the Fund may include the pence of the artizan and the labourer, as well as the shillings and pounds of the middle and the wealthy classes.

The Prince's constant aims to promote the interests of all were not limited to the United Kingdom, and the Committee feel it a part of their duty to provide that the same opportunity should be offered to Her Majesty's subjects in the Colonies. For this the Committee seek your Excellency's good offices, and solicit you to make the matter known to all classes in your Government, either at a general meeting, or in such other manner as you may deem best; and, by the aid of your officers, and other influential persons in the different districts, to arrange for the receipt of contributions, however small, to the intended Memorial.

I enclose some forms and suggestions, which may be adapted for the use of those whose assistance is sought.

I have, &c.,

ST. ALBANS.

His Excellency the Governor
of New Zealand.

P. Le Neve Foster, Esq.
John M. Clabon, Esq.

And other Ladies and Gentlemen,

Read the following Report of the Society of Arts:—

The Council of the Society of Arts, taking a deep interest in the success of the proposal to erect the National Monument to the memory of the Prince Consort, their lamented President, and considering that it is due to all the subjects of the Queen, that every individual amongst them, however humble, should have the opportunity of contributing his mite towards this object, having agreed to the following report:—

1. The subscriptions hitherto have been limited almost exclusively to those of the wealthy and mercantile classes, whilst a very small portion has been subscribed by the people generally. The nobility and gentry, the City Corporations, banks, mercantile firms, Municipal Corporations, and the like, have been addressed by the Committee presided over by the Lord Mayor of the City of London. No steps, however, have been taken, nor does it appear that any are contemplated, to make known to each individual man and woman constituting the body of the people, and residing either in the parishes and hamlets of the United Kingdom or in the Colonies, the Memorial which it is proposed to erect, nor has any opportunity been hitherto afforded them of adding their contributions to the general fund. If this were done, all would affectionately unite with their Queen in raising a monument to the memory of the Prince who neglected no opportunity to promote their welfare. It is only through very extended parochial and other agencies, that the necessary information can be generally given, and the Council has, therefore, determined forthwith to invite influential persons, representing all the great interests of the country, the Church of England, and other religious denominations, as well as the great employers of labour, to unite with them as a Committee to convey this information, and to make such arrangements as may afford to every one of Her Majesty's subjects throughout the United Kingdom and the Colonies, the opportunity of taking a part, however humble, in promoting the Memorial, by subscriptions however small.

The Queen, "following the movement of her people," has asked "to be allowed to take part with them in doing honor to her beloved Prince;"* and the Council, believing that the

* The following is a copy of Her Majesty's letter:—

Osborne, February 19, 1862.

MR LORD,—The Queen wishes me to add a few words to the answer to your letter, which you will receive with this, expressive in a more special manner of Her Majesty's personal wishes.

She is aware that she could not with any propriety contribute, as a wife, to a monument to her husband, but she is also the Sovereign of this great empire, and as such, she cannot but think she may be allowed to join with the nation in the expression of a nation's gratitude to one to whom she owes so much.

Who has a dearer interest than the Queen in the well-being and happiness of the people? And if it has pleased God to make her reign, so far, happy and prosperous, to whom, under Divine Providence, is this so much owing as to her beloved husband, in all matters of doubt or difficulty her sure counsel, her unfailing guide and support?

No one can know, as the Queen knows, how his every thought was devoted to the country—how his only aim

women of England especially will rejoice to work in concert with their Queen, intend to invite ladies to be members of the proposed Committee.

2. Should more funds be realized than will be required to carry properly into effect the Monument "on a scale of sufficient grandeur," as stated in the communication made by the Queen's command to the Lord Mayor, it will be for Her Majesty, who has already pointed out the character of the intended Monument, to decide on the application of any surplus to some object of comprehensive utility which the Prince Consort had at heart.

By order of the Council,
P. LE NEVE FOSTER,
Secretary.

Read a letter from the Archbishop of Canterbury, of which the following is an extract:—

"I shall be ready to concur, as far as I am able, in whatever measures may be thought desirable, for promoting the object which we all have so much at heart, and which I am sure needs only to be generally made known in order to elicit the ready sympathy of every class in the country."

Read, also, a letter from the Bishop of Oxford, expressing his desire to promote the object of the meeting.

Lord Henry Lennox, M.P., moved the following resolution:—

That this meeting cordially agrees with the report of the Council, and heartily concurs in the proposal that arrangements be made to afford to every one who desires it, the opportunity of taking part in the intended National Memorial of affection and gratitude to the Prince Consort.

This was seconded by the Hon. Arthur Kinnaird, M.P., and carried unanimously.

Mr. Henry Pownall, Chairman of the Middlesex Sessions, moved:—

That a General Committee be appointed, which shall represent all interests and all classes in the country, to give effect to the foregoing resolution by their collective and individual assistance in the formation of local sub-committees, and in the receipt of subscriptions.

(See list of Subscriptions enclosed.)

This was seconded by Mr. Kelk, and carried unanimously.

The Rev. G. R. Gleig (Chaplain-General) moved:—

That a Central Executive Committee be appointed, whose special duty it shall be to make known to each individual residing either in the parishes and hamlets of the United Kingdom, or in the colonies, the character of such Memorial as may be approved by her Majesty, and to obtain the subscriptions of all who desire to contribute to the fund; and that the Com-

mittee be instructed to appoint a chairman and a vice-chairman, as well as a treasurer, and that such Central Executive Committee have power to add names to the General Committee, and to their own body. The Central Executive Committee to consist of—

The Duke of St. Albans,
The Marquis of Salisbury, K. G.
The Earl of Derby, K. G.
The Earl of Malmesbury.
The Hon. F. Byng.
The Hon. Colonel Talbot.
Sir Thomas Phillips.
Mr. M. H. Marsh, M. P.
Mr. Henry Cold, C. B.
Mr. Harry Chester.
The Honorary Secretaries.

This was seconded by the Rev. Samuel Martin, and carried unanimously.

Mr. Henry Hoare moved:—
That Mr. John M. Clabon, Mr. Le Neve Foster, and Mr. Samuel Redgreave, be the Honorary Secretaries.

This was seconded by the Rev. Cannon Lonsdale, and carried.

The Earl of Malmesbury proposed the thanks of the meeting to the Marquis of Salisbury for his able conduct in the chair.

This was seconded by Mr. W. H. Bodkin, and carried by acclamation.

Superintendent's Office,

Auckland, 6th October, 1862.

THE following "Warrant," together with the "Regulations" referred to therein, are published for general information.

J. WILLIAMSON,
Superintendent.

Whereas, by the "Diseased Cattle Act, 1861," it was provided that the Governor in Council might, by warrant under his hand, from time to time, delegate to the Superintendent of any Province within the said Colony all or any of the powers vested in the Governor or Governor in Council by the said Act, subject to such Regulations as he might think fit, and might from time to time rescind such delegation.

Now therefore I, Sir George Grey, the Governor of the said Colony of New Zealand, with the advice and consent of the Executive Council thereof, and in pursuance and exercise of the said power and authority, do by this Warrant, under my hand, delegate to JOHN WILLIAMSON, Esquire, so long as he shall hold the office of Superintendent of the Province of Auckland, in the said Colony, the several powers vested in me by the second, fourth, fifth, seventh, ninth, and tenth sections of the said Act, subject to be rescinded as in the said Act provided, and subject to the Regulations of even date herewith, and to any other Regulations to be from time to time duly made.

Given under my hand, at the Government House, at Wellington, this fifteenth day of September, in the year of Our Lord One thousand eight hundred and sixty-two.

G. GREY.

By His Excellency's command,
ALFRED DOMETT.

was to improve the condition of the people, and to promote their best interests. Indeed, his untiring exertions in furtherance of these objects, tended, in all probability, to shorten his precious life.

Surely, then, it will not be out of place, that following the movement of her people, the Queen should be allowed to consider how she may best take part with them in doing honour to her beloved Prince, so that the proposed monument may be recorded to future ages as reared by the Queen and people of a grateful country to the memory of its benefactor.

I have the honour to be,
Your lordship's most obedient
and faithful servant,
C. GREY.

The Right Hon. the Lord Mayor.
