

Auckland Provincial Government Gazette.

PUBLISHED BY AUTHORITY.

Vol. XI.]

AUCKLAND, SATURDAY, MAY 16, 1863.

No. 11.

NOTICE.

I HEREBY nominate and appoint
GEORGE MAURICE O'RORKE, ESQ.,
 to be Returning Officer under the provisions
 of the "City Board Act, 1863." Dated this
 15th day of May, 1863.

ROBERT GRAHAM,
 Superintendent.

Superintendent's Office,
 Auckland, 11th May, 1863.

I HEREBY notify for public information,
 that under the authority of an Act of
 the General Assembly of New Zealand, inti-
 tuled "The Gaolers' Act, 1858," I have
 appointed

MR. HENRY JUSTIN,
 to be Gaoler for the Public Gaol situated in
 Queen-street, Auckland.

ROBERT GRAHAM,
 Superintendent.

NOTICE.

PLANS of the Government lands advertis-
 ed for sale on the 1st and 8th June,
 1863, have been sent for public reference, re-
 spectively, to the several places mentioned
 below, viz.—

Mahurangi village lands; to Mr. Scott's
 Inn, Mahurangi.

Matawhero block, Kaukapakapa; to Mr.
 Bonar's, Kaukapakapa.

Hikurangi block, Mongonui; to Mr. Gro-
 ver's, Mongonui.

Village of Cameron, on the Waikato; to
 the Mauku Inn.

Takapuna lots; to Mr. Callan's Inn, Taka-
 puna.

CHARLES HEAPHY,
 Deputy Waste Lands Commissioner.
 Land Office, 14th May, 1863.

NOTICE.

Superintendent's Office,
 Auckland, 13th May, 1863.

ALL Persons having any Claim to the WATER
 running through Mechanics' Bay from the
 Public Domain, are requested to send to this office, on
 or before the 1st day of June next, the particulars of
 such claim, stating also the amount of compensation
 required by them, in the event of such Water being
 diverted for the purpose of temporarily supplying the
 City of Auckland.

ROBERT GRAHAM,
 Superintendent.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the tools used for data collection.

3. The third part of the document presents the results of the experiments and discusses the implications of the findings. It highlights the key observations and the statistical analysis performed on the data.

4. The fourth part of the document provides a comprehensive overview of the theoretical background and the underlying principles that guide the research. It includes references to relevant literature and theoretical models.

5. The fifth part of the document discusses the limitations of the study and suggests directions for future research. It acknowledges the constraints of the experimental design and the need for further exploration in this field.

6. The sixth part of the document concludes the report by summarizing the main findings and the overall contribution of the study. It reiterates the significance of the research and the potential applications of the results.

7. The seventh part of the document provides a list of references and sources used throughout the report. It includes books, articles, and other relevant publications that informed the research.

8. The eighth part of the document contains the appendix, which includes additional data, tables, and figures that support the main text. It provides a detailed look at the raw data and the intermediate calculations.

9. The ninth part of the document is the index, which allows readers to quickly locate specific information within the report. It lists the page numbers for each section and subsection.

10. The tenth part of the document is the glossary, which defines the key terms and concepts used in the report. It ensures that all readers have a clear understanding of the terminology used throughout the document.
