Superintendent's Office,  
Auckland, 2nd March, 1865.

THE following letter received from the Chief Judge of the Compensation Court, is published for general information.

ROBERT GRAHAM,  
Superintendent.

Compensation Court Office,  
Auckland, 27th February, 1865.

SIR,—Very considerable embarrassment has been caused to me by a statement alleged to have been made by Mr. Newman in the Provincial Council relative to his proposed method of dealing with a block of land at Pukaki, and another block of land at Thumatoe, the property of Aboriginal Natives. As neither of these blocks of land have been dealt with under the "New Zealand Settlements' Act 1863," I have been unable to offer to the Natives who have written to me and visited me on the subject any satisfactory reason for Mr. Newman's interference with them.

Under the circumstances I have the honor to request that your Honor will have the goodness in such manner as you think best to announce publicly that any statement made by any person to the effect that the lands referred to have been taken by the Crown or could be interfered with at present by officers of Government is incorrect.

I should add that I have not seen the speech of Mr. Newman myself, but judge of its purport and effect from the complaints of the Maories.

I have, &c.,  
F. D. FENTON,  
Chief Judge Compensation Court.

His Honor the Superintendent.

Superintendent's Office,  
Auckland, 2nd March, 1865.

THE Superintendent has no power to interfere with the debates in Council or desire to take cognisance of them; but he considers it his duty, in order obviate public inconvenience, to inform all whom it may concern, that no such statement as that complained of in Mr. Fenton's letter, has been made in any place, by authority or consent of the Provincial Government.

ROBERT GRAHAM,  
Superintendent.

#### NATIVE LAND COURT.

##### Notice of Times and Places for Instigating Claims.

NOTICE is hereby given that the claims on behalf of themselves and others, of the several persons whose names are mentioned in the first column of the Schedule hereunder written to the several Blocks of Land of which the Names and Localities are

mentioned in the second column, will be investigated at Whangarei on the days mentioned in the third column.

F. D. FENTON,  
Chief Judge of the Court.
