WEDNESDAY, OCTOBER 23, 1867.

[No. 46.

PUBLIC NOTIFICATION.

Superintendent's Office,
Auckland, October 23rd, 1867.

THE following is re-published from the *New Zealand Gazette* for general information.

J. A. GILFILLAN,
For the Superintendent.

G. GREY, Governor.

ORDER IN COUNCIL.

At the Government House at Wellington,
the seventh day of October, 1867.

Present:

HIS EXCELLENCY THE GOVERNOR IN
COUNCIL.

WHEREAS by "The Gold Fields Act, 1866," it is amongst other things enacted that it shall be lawful for the Governor, by order in Council, from time to time to constitute for any Gold Field, or for any part thereof, Wardens' Courts, for the administration of justice therein, and to appoint Wardens of such Courts with power to act alone or with assessors, and in such manner and to exercise all or any of the powers hereinafter mentioned as the Governor shall think fit to direct:

Now therefore, His Excellency the Governor, by and with the advice and consent of the Executive Council of the Colony, doth hereby, in pursuance and exercise of the

power and authority vested in him for this purpose, appoint

ALLAN BAILLIE, Esq.,

to be a Warden of all Wardens' Courts now constituted or hereafter to be constituted within the Gold Fields of the Province of Auckland, with power to him to act alone, or with assessors, and to exercise all or any of the powers vested in or imposed on Judges of Wardens' Courts.

This appointment to date and take effect from the first day of September, 1867.

FORSTER GORING,
Clerk of the Executive Council.

THE HISTORY OF THE

CHAPTER I

OF THE

SECTION I

The first part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

SECTION II

The second part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

The third part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

SECTION III

The fourth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

The fifth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

SECTION IV

The sixth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

The seventh part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

SECTION V

The eighth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

The ninth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.

The tenth part of the history of the world is the history of the human race, from the beginning of the world to the present time. It is a history of the progress of the human mind, and of the various states of society which it has passed through. It is a history of the human condition, and of the various causes which have influenced it.
