**W**HEREAS, by delegation from His Excellency the Governor, under "The Gold Fields Act, 1866," the power has been given to me as Superintendent, to make and prescribe Rules and Regulations for the management of Gold Fields situate within the Province of Auckland, and from time to time to alter and revoke such Rules and Regulations;

## GOLD-FIELD AT TAPU CREEK.

Superintendent's Office,  
Auckland, 25th January, 1868.

**T**HE following Report, this day received from James Mackay, Esq., Gold-field's Commissioner, at Shortland, is published for general information.

J. WILLIAMSON,  
Superintendent.

Gold-field's Office,  
Shortland, 23rd January, 1868.

SIR,—I have the honor to inform you that there is every prospect of there being a permanent field for gold mining at Waipatukahu, or Tapu Creek. In proof of which I may mention, that on Monday last (20th) instructions were given for laying off a small township there, and yesterday, on the frontages of the allotments being pegged out, the whole (forty-nine in number) were at once taken up for business sites by persons then on the ground. I was not able to visit the

claims, owing to my time being fully occupied elsewhere; but the above shows the confidence displayed by those who have been there for some time past.

I have, &c.,

JAMES MACKAY, JUNR.

Commissioner.

His Honor the Superintendent, Auckland.

Given under my hand at Auckland, this twenty-fifth day of January, one thousand eight hundred and sixty-eight.
