[No. 40.

[Republished with amendments from Supplement of 13th August, 1873.]

INFORMATION for Highway Boards in reference to taking Land for permanent Works under an Act of the General Assembly—"The Highway Boards Empowering Act, 1871."

The mode of proceeding is as follows:—

Sec. 29.—Plans and Specifications of the proposed work must be prepared by a Surveyor in conformity with this section and deposited at the Office of the Highway Board or at some other place within the district to be appointed by the Board for the inspection of all persons interested for 40 clear days after notice of the deposit shall have been given in the Provincial Gazette.

Sec. 30.—The Highway Board must then publish a notice in the Gazette and twice in a newspaper which notice may be in the form No. 1 annexed, and a notice must also be served within one week after such publication in the Gazette on every person interested in the land. It may be in form No. 2 annexed and must be served.—

The Superintendent after taking certain prescribed steps may either confirm the order with or without variation, or disallow it, as he thinks fit.

Sec. 34.—If the order is confirmed, the Board after having paid the compensation to the parties interested are authorised to execute the work.

The amount of compensation is to be fixed under the Land Clauses Consolidation Act, 1863, which prescribes the mode of proceeding.

If the Highway board can agree with the parties interested, they are authorised to purchase.

If they do not agree, the Act fully provides for all the numerous cases which may arise, but the matter is too complicated to be dealt with by Highway Boards without professional assistance,

2. Public notice in some newspaper usually circulated in the District must be given of the intention to levy such a rate, at least one calendar month before it is levied. The Notice may be in the form "A."

which the rate is to be levied and fixing the amount of the rate may be made by the Board. This order may be in the form "B."

5. When made, the order must be sent to the Superintendent for his approval. No further step can be taken till this approval is obtained, but when obtained the Board may proceed.

10. The rate must be paid as required by section 42 of the Highways Act 1871 and if not so paid may be recovered as therein provided.
