## COMMISSIONERS' REPORT.

## SHIP "BLUE JACKET."

THE Commissioners have much pleasure in giving a favorable report in every respect upon the arrangements in the above vessel.

Every compartment was found to be in the most satisfactory condition, both as to cleanliness and order.

The Immigrants were all in good health, and, without exception, satisfied with the treatment they had received during the voyage, and gratified for the attention they had received from the Master, Surgeon, and Officers.

The Matron (Miss Bowling) is highly commended by the Surgeon Superintendent, and recommended for an extra gratuity; a recommendation which the Commissioners have much pleasure in endorsing, to the extent of, say five pounds (£5).

The condenser (Normandy's) had worked well throughout. No case of illness requiring admission into hospital had occurred on the voyage.

The Commissioners have much pleasure in recommending the payment of all gratuities; and, in mentioning the Surgeon Superintendent (Dr. Macdonald) for further em-

ployment, have to express their gratification in the fact that each ship of which he has had medical charge has arrived in an exemplary state of cleanliness and discipline.
