Present:

HIS EXCELLENCY THE GOVERNOR IN

WHEREAS by the fourth section of an Act of the General Assembly of New Zealand, intituled "The Diseased Cattle Act Amendment Act, 1865," it is enacted that the Governor may, by any Order in Council, from time to time, annul, make void, or alter, or vary, and make anew any Orders in Council, regulations, appointments, or prohibitory or other declarations made and published by the Governor under the authority of "The Diseased Cattle Act,

VOL. XV., No. 41.

1861," or of the Act now in recital, or by the Superintendent of any Province, under or in pursuance of any power delegated to him under any of the powers of delegation contained in "The Diseased Cattle Act, 1861." And whereas by the sixth section of the said first mentioned Act it is provided that all Orders in Council, and all regulations made by the Governor under the authority of the said Act, or the Act now in recital, shall be published in the *New Zealand Gazette*, and all such orders in Council and regulations shall take effect from and after such day, being a day subsequent to the first publication thereof in such *Gazette*, as shall be prescribed in that behalf by the Governor in such Orders and regulations respectively, and not before. And that it shall be lawful for the Governor, if he shall deem it expedient so to do, to direct that all Orders in Council and regulations so made by him under the authority of the said Acts, shall be published in any one or more of the Government *Gazettes* of the Provinces within the Colony, as well as in the *New Zealand Gazette* as aforesaid, but the publication thereof in any Provincial Government *Gazette* shall not be necessary, nor shall the omission of such publication in any Provincial *Gazette* invalidate any such Orders or regulations.

And whereas William Rolleston, Esquire, Superintendent of the Province of Canterbury, by virtue of the powers to him delegated by the Governor, did by proclamation dated the ninth day of June last, and published in the *New Zealand Gazette* on the twelfth day of June last, proclaim and declare that after the date of the publication thereof in the *New Zealand Gazette*, the several Colonies of Australia (that is to say), the Colony of Victoria, of New South Wales, of Queensland, of South Australia, and

Western Australia, as well as the Colony of Tasmania, and the Colony of the Cape of Good Hope, should be deemed to be infected districts within the meaning of the said Acts; and did also proclaim and declare the regulations contained in the said proclamation for prohibiting the importation of cattle into the Province of Canterbury from such districts, and for the landing or driving of such cattle, and for the destroying of cattle imported, landed, or driven contrary to the said regulations. And whereas it is expedient that the said regulations should be altered and varied in certain respects: Now therefore, His Excellency the Governor, in exercise and pursuance of all powers and authorities vested in him in this behalf, and with the advice and consent of the Executive Council of New Zealand, doth hereby order that the said regulations shall be altered and varied in manner hereinafter appearing, that is to say:—

Instead of the penalty of fifty pounds in the first, second, and fourth of the said regulations respectively mentioned, any person offending against the provisions of the said regulations, in any of the cases therein respectively mentioned, shall for every such offence be liable to a penalty of any sum not being less than five pounds and not exceeding fifty pounds.

And in further pursuance and exercise of the powers vested in him as aforesaid, His Excellency the Governor, by and with the like advice and consent as aforesaid, doth hereby further order that this present Order in Council shall be published in the Government *Gazette* of the Province of Canterbury, and shall take effect from and after the eleventh day of August, 1868.
