And whereas by section 5 of the said Amendment Act, "as to regulations, appointments, and prohibitory and other declara-

tions made by Superintendents of Provinces in pursuance of any powers delegated under the powers of delegation contained in the said Act, or this Act, the power of annulling, making void, or altering, or varying and making anew any such regulations, appointments, or prohibitory or other declarations vested in the Governor by this Act, may from time to time be delegated by the Governor in Council, by warrant under his hand, to the Superintendent of any Province:"

* This consists chiefly of hilly land, and although perhaps not strictly agricultural, will still be purchased at £2 per acre.

† These Districts contain a large proportion of timbered land, mostly on the hill sides, and although not strictly agricultural, is yet being purchased at £2 per acre, being well suited for grazing purposes

‡ It is probable that if a Bridge is built over the Rakaia a considerable amount of land will be purchased.
