COMMISSIONER'S REPORT.

SHIP "MEROPE."

SIR,—I have the honour to report having inspected the above Ship on her arrival from London, after a rapid passage of 76 days.

I found the Immigrants in good health and spirits, satisfied with the treatment they had received at the hands of the Captain, Surgeon-Superintendent, and Officers of the Ship, and contented in respect to the provisions supplied during the passage.

The Distilling Apparatus has worked well throughout the voyage, and the supply of water was unlimited.

The several compartments were well ventilated and cleanly; that occupied by the married people reflected great credit on their observance of the sanitary regulations.

I have much pleasure in recommending the payment of all gratuities, and the further employment of the Surgeon-Superintendent, should he desire it.

FREDK. D. GIBSON,
Immigration Commissioner.

Lyttelton, August 29, 1871.

His Honor the Superintendent,
