Colonial Secretary's Office,
Auckland, July 25, 1863.

SIR,—I have to request your Honor to be good enough to direct the Police in the Province of Hawke's Bay to exercise the utmost vigilance in preventing under the Arms Act the illegal sale of Arms and Ammunition.

The present circumstances of the Northern Island render this vigilance a matter of vital importance.

I have the honor to be,

Sir,

Your most obedient servant,

ALFRED DOMETT.

His Honor

The Superintendent,

THE following Report made by Capt. Gibson of the s. ship *Auckland*, is published for general information.

DONALD McLEAN,
Superintendent.

Report made by Capt. Gibson, s. ship Auckland:—
11th August, 1863, 7:45 a.m., weighed and canted ship; she set on full speed, and rounded Ahuriri Bluff: 8:20 a.m., ship heading S.E. by E., grazed a rock without stopping her headway; immediately stopped the engines, closed the valves in the watertight bulkheads, and sounded each compartment. Depth of water alongside nine fathoms; tide three quarters ebb; ship's draught forward 11ft, aft 12ft 6in. Compass bearing, taken immediately after striking—north-eastern extreme of Ahuriri Bluff, West Cape Kidnappers S.E., having no deviation with the ship heading S.E. by E. I can confidently state the bearings to be correct. 8:30 finding the ship making no water, proceeded at half-speed; hand lead kept constantly going, and pump works sounded half-hourly.
