Superintendent's Office,
Napier, Dec. 28, 1864.

THE following Report by Dr. Brown, Surgeon of the “Strathallan,” with the reply thereto, is published for general information.

DONALD M'LEAN,
Superintendent.

Napier, Hawke's Bay,
Dec. 23, 1864.

SIR,—I beg to inform you that the “Strathallan” arrived here on the 24th November, after a passage of 105 days from England.

I have much pleasure in informing you of the good health of all the emigrants on their arrival, having had very little sickness during the voyage. Three births took place on the ship: on the 10th August, Mrs. Inglis of a daughter; on the 12th, Mrs. Wilson of a daughter; and on the 26th, Mrs. Price of a son. In the month of August a few cases of diarrhoea, and in the month of September a few cases of simple fever.

I can speak in the highest terms of the good conduct of the emigrants during the voyage; and, I am certain, had we brought out 200 or 300 they could have found immediate employment.

All the emigrants speak in the highest terms of the kind manner they were received by the Government on their arrival.

I remain, Sir,
Yours, obediently,

WM. BROWN,
