[No. 29.]

PROCLAMATION.

By His Honour WILLIAM DOUGLAS HALL BAILLIE, Esquire, Superintendent of the Province of Marlborough.

WHEREAS by an Act of the General Assembly of New Zealand, intituled "The Provincial Reserved Bills Act, 1858," it is provided, whenever any Bill shall have passed the Provincial Council of any Province, and shall have been reserved by the Superintendent for the signification of the Governor's pleasure thereon, such Bill shall not have any force or authority within the said Province until the Superintendent shall signify, either by speech or message to the Provincial Council, or by Proclamation in the *Government Gazette* of the said Province, that such Bill has been laid before the Governor, and that the Governor has assented to the same:

And whereas "An Act to Promote Education in the Province of

Marlborough," and "An Act to further Appropriate the Revenue for the year commencing the 1st day of July, 1861, and ending the 30th day of June, 1862," and "An Act to Repeal the Alteration of Roads Act, 1860," were passed by the Provincial Council of Marlborough during their Third and Fourth Sessions, but were respectively reserved for the signification of the Governor's pleasure thereon.

Now, therefore, I, William Douglas Hall Baillie, do hereby proclaim and notify that the above-mentioned Acts, having been duly laid before His Excellency the Governor, and the Governor having assented to the same, are, under the provisions of the said recited Act of the General Assembly, in full force and authority within the Province of Marlborough from the date of this Proclamation.

Dated this 17th day of December, 1861.

W. D. H. BAILLIE,

Superintendent's Office,
Marlborough, Dec. 3rd, 1861.

IT is notified that the undermentioned portions of the Waste Lands of the Crown within the Province of Marlborough, as hereinafter described, have been Reserved, in order that they may be laid out in Suburban Sections, and sold as such in accordance with the Provisions of the Land Regulations, 1856, viz.:—

The land lying between a line from the base of Mount Fyffe on the River Gohi, to a spot 50 chains from the high-water mark of the mouth of the River Hapuka and the sea, and all the timbered land on Mr. George Fyffe's Run.

W. D. H. BAILLIE,
Superintendent.

THE attention of the Provincial Government Officers of Marlborough is hereby directed to the following circular, and they are requested to Act in conformity with the same.

W. D. H. BAILLIE,
Superintendent.

Colonial Secretary's Office,
Auckland, 1st Nov., 1861.

SIR,—Instances have recently come under the notice of the General Government of very unsatisfactory relations existing between some of its Officers in the Provinces and the Provincial Authorities.

Officers of the General Government should remember that the General and Provincial Governments are parts of one machinery of government established under the same Constitution and having for their common object the promotion of the welfare and prosperity of the Colony as a whole. Unfriendly relations between Officers of the two Governments impede the public service, lead to lengthy, angry, and unprofitable correspondence, and generate difficulties which the time of the Ministers is very wastefully employed in adjusting or removing.

It is the duty of Officers of the General Government to co-operate in a friendly spirit with all Provincial Authorities with whom the duties of their office may bring them into contact, and particularly to avoid as far as possible all irritating and offensive controversy, either personal or in writing. Any marked or repeated inattention to this

caution must be regarded as conclusive proof of their unfitness for the Public Service.

You will take care to call the attention of your subordinate officers to this circular.

I have forwarded a copy of this circular to the several Superintendents of the Colony with a request that they will bring the subject under the notice of the Provincial Officers in the same manner.

I have the honour to be, Sir,
Your most obedient servant,
WILLIAM FOX,
Colonial Secretary.

And whereas the said John Ford not having deposited at this office any certificate or plan of the same within nine months from the date of the said decision, in accordance with the Land Regulations now in force in this Province, I do hereby declare the said Run to be open to be applied for by any other person.
