By His Honor THOMAS DICK, Esquire, Superintendent of the Province of Otago.

I, THOMAS DICK, Esquire, Superintendent of the Province of Otago, do hereby in pursuance and exercise of the power and authority delegated to and vested in me in this behalf, make, proclaim and declare the Regulations aftermentioned for the issue of Depasturing Licenses on Runs numbered 2, 3, 4, 5, 6, 7, 8, 9, 12, 13, 14, 15, 16, 17, 18, and 19, in the Wakatipu Reserve, in the said Province, that is to say:—

REGULATIONS.

1. Mode of disposal.

Depasturing licenses for any or all of the aforesaid Runs shall be sold by Public Auction to the highest bidder, at such times and places as His Honor the Superintendent shall hereafter appoint, and subject to the Regulations and conditions hereinafter set forth.

2. Term of License.

The term or period for which such depasturing licenses or any of them shall be in force, shall be ten (10) years.

3. Annual Assessment.

In addition to the price or premium to be paid for any such Run, the licensee shall pay annually, in ad-

vance, the assessment or sum of seven pence (7d.) for each head of sheep or other small cattle, and three shillings and six-pence (3s. 6d.) for each horse or head of great cattle, and such payment shall be estimated in accordance with the assessed capabilities of every such Run, which shall be declared at or before the time of the sale thereof, provided that for the first year of the license, the rent shall only be charged on one-third of the assessed capabilities.

4. Terms of payment of premium.

The purchaser of any depasturing license as aforesaid, shall pay one-fourth or 25 per cent. of the purchase money, in cash, immediately upon his being declared the purchaser by the auctioneer, who shall be appointed to conduct the sale, and the balance of the purchase money shall be paid by approved Bills, payable respectively at four (4), eight (8), and twelve (12) months, from the day of sale.

5. Privilege to holders of Miners' Rights.

The holder of a miners' right or business license shall at all times be permitted to run one horse or milch cow without charge upon any lands included within any run for which a depasturing license shall or may be granted as aforesaid.

6. Mining Operations.

Nothing in these Regulations contained, or in the depasturing licenses to be issued in accordance therewith, shall be construed as authorising the licensee to interfere with mining operations, nor with prospecting upon the land over which any such license shall be granted, nor with the free diversion of water, and all rights and privileges accorded by the Gold Fields' Act, and by the Gold Fields' Rules and Regulations, to the holders of miners' rights and business licenses, shall have full force and effect thereupon and therefor.

7. Mining and Agricultural Leases.

The Superintendent reserves to himself the right to grant gold mining and mineral leases upon lands held under such depasturing licenses without compensation to the licensee, and also to grant agricultural leases thereupon upon payment to the licensee of a sum to be calculated at per acre for land so granted for agricultural leases, and at the rate of double the price paid per acre as premium for the run whereupon such agricultural lease or leases shall be granted.

8. Pre-emptive Right.

The licensee shall be entitled to purchase not exceeding eighty (80) acres of non-auriferous land without competition on any portion of the run for which he shall hold a depasturing license under these Regulations, provided that such purchase shall be made within two (2) years from the date of the license, and that such land shall be selected in not more than two (2) pieces or parcels.

9. Execution of Lease.

Every depasturing license shall be dated on the day of execution thereof, and the term shall commence and be computed from the first day of January, one thousand eight hundred and sixty-eight (1868).

10. Valuation.

At the expiration of the term of any depasturing license so granted, valuation will be allowed and paid to the licensee for any improvements which he may have made upon the run held by him hereunder, but such valuation shall not exceed three (3) years' assessment, except any such improvements shall be of a special character, and shall have been specially authorised or sanctioned by the Superintendent.

11. Roads.

The Superintendent reserves the right to make roads and tracks through any and all of the aforesaid runs, without compensation.

12. Cancellation of Licenses.

Any depasturing license purchased and granted under these Regulations will be liable to forfeiture and

cancellation without compensation at the pleasure of the Superintendent, if any of the aforesaid Regulations is infringed or violated, or if any bill given in payment of the premium is not paid when it falls due.

13. *Excepting certain portions of Runs numbered 16 and 18.*

Notwithstanding anything in these Regulations contained or expressed, no compensation will be allowed or paid on account of the granting of agricultural leases upon Block I, South Wakatipu District, containing 931 acres, more or less, situated within the boundaries of runs numbered 16 and 18; but the licensee shall be entitled to depasture cattle upon lands comprised within the said blocks prior to the issue of such agricultural leases.
