Present :

His Honor the Superintendent ;
The Provincial Secretary and Treasurer ;
The Secretary of Land and Works ; and
John Hughes, Esquire,
Members of the Executive Council of the Province of Otago.

WHEREAS Thomas Dick, Esquire, then Superintendent of the Province of Otago, by virtue and in exercise of the powers delegated to and vested

in him in that behalf, did, by Proclamation in the *Government Gazette* of the said Province, bearing date twenty-ninth day of January, one thousand eight hundred and sixty-seven, constitute and appoint all the territory therein described to be a Gold Field, under the provisions of the "Gold Fields Act, 1866" to be called "Otago Gold Field." And whereas by "The Gold Fields Act Amendment Act 1867," it is enacted that within any Province in which by any Act or Ordinance, it is provided that the Superintendent shall, in the administration of the Government thereof, act by and with the advice and consent of an Executive Council, it shall be lawful for the Governor in Council, under his hand, and under the Public Seal of the Colony, from time to time, as occasion may require, to delegate to the Executive Government for the time being of such Province, subject or not to any restrictions or limitations as he shall think fit, all or any of such powers vested in the Governor or the Governor in Council by the "Gold Fields Act 1866," as under or by virtue of the one hundred and ninth Section of the said Act may be delegated by the Governor in Council, and in like manner to revoke any such delegation: And whereas by an Ordinance of the Superintendent and Provincial Council of the Province of Otago, intitled the "Executive Council Ordinance 1861," it is provided that the Superintendent of the said Province shall, in the administration of the government thereof, act by and with the advice and consent of an Executive Council: And whereas the Governor hath, with the advice and consent of the Executive Council of New Zealand, and in pursuance of the power and authority for that purpose vested in him by the "Gold Fields Act 1866," and subject to its provisions, delegated unto the Executive Government for the time being of the Province of Otago all such powers vested in the Governor or the Governor in Council by the said last-mentioned Act, as under or by virtue of the one hundred and ninth section of the said last-mentioned Act may be delegated by the Governor in Council, to have, hold, and exercise the said powers within the said Province of Otago: And whereas by Section XXVIII of the said Gold Fields Act 1866 it is enacted that it should be lawful for the Governor in Council from time to time to make, alter, and revoke regulations for imposing on the holders of licenses granted under the said Act, or any preceding Act, or under any rules and regulations that formerly had been then were or thereafter might be in force, empowering such holders to cut, construct, and use water races, dams, and reservoirs, such periodical rents, fees, or other payments as he might think fit, Provided that no less rate than five shillings nor more than twenty shillings per sluice-head per annum should be imposed upon or demanded on account of any water race lawfully held, occupied, and used by virtue of a license at the date of the passing of the said Act: And whereas it is expedient to impose a rate of five shillings per sluice-head per annum upon the holders of all licenses now in force empowering such holders to cut, construct, and use any water race within the limits of the Otago Gold Field:

Now, therefore, His Honor James Macandrew, Superintendent of the Province of Otago, by and with the advice and consent of the Executive Council of the said Province, and by virtue and in exercise of the powers delegated to the Executive Government of the said Province of Otago in this behalf, doth hereby order that from and after the day of the date hereof the holder of every license granted under the said "Gold Fields Act 1866," or any preceding Act, or under any Rules and Regulations that formerly have been or now are in force, empowering the holder of such license to cut, construct, and use any water-race, shall pay for or in respect of each and every sluice-head of water mentioned in such license the rent or sum of five shillings per annum.
