DUNEDIN, WEDNESDAY, JUNE 17, 1868.

No. 552.

[WITH SUPPLEMENT.]

#### ADDRESS OF HIS HONOR THE SUPERINTENDENT,

ON PROROGUING THE TWENTY-FOURTH SESSION OF THE PROVINCIAL COUNCIL OF THE PROVINCE OF OTAGO, THURSDAY, 11TH JUNE, 1868.

*Mr. Speaker and Gentlemen of the Provincial Council—*

I have now to congratulate you on the conclusion of an unusually long Session.

I have assented, on behalf of the Governor, to the Imprest Supply Ordinance 1868, and to the Appropriation Ordinance 1868-9, the former on the 29th day of May last, and the latter on the 10th day of June current.

I now assent, on behalf of the Governor, to the following Bills, also passed by you :—

Gunpowder Ordinance 1868.

Fencing Ordinance 1868.

Inflammable Oils Ordinance 1868.

Education Reserves Abandonment Ordinance 1868.

Sheep Ordinance 1867 Amendment Ordinance 1868.

Cattle Trespass Ordinance 1858 Amendment Ordinance 1868.

Goat Nuisance Ordinance 1868.

Appropriation Ordinance No. 2 1868-9.

And the following Bills, which you have also passed, I now reserve for the signification of the Governor's pleasure thereon :—

The Roads Diversion Ordinance 1865, and Roads Diversion Ordinance (No. 2) 1865, Amendment Ordinance 1868.

The Papakaio Accommodation House Site Sale Ordinance 1868.

Havelock Cemetery Reserves Ordinance 1868.

Port Chalmers Reserves Management Ordinance 1868.

Queenstown Reserve Management Ordinance 1868.

Warepa Schoolmaster's Residence and Glebe Lands Leasing Ordinance 1868.

Dunedin Reserves Leasing and Sale Ordinance 1868.  
Shag Point Coal Reserves Leasing Ordinance 1868.  
Roads Diversion Ordinance 1868.  
Harbor Reclaimed Land Sale and Leasing Ordinance 1868.

With reference to the various Addresses which have been transmitted to me, I have to assure you that the respective subjects thereof will receive the best attention of the Government during the recess.

I may observe, with reference to the expenditure for the current financial year, that, unless the revenue comes fully up to the amount estimated, it will be impossible to give effect to the whole of the votes which, on your recommendation, have been placed on the Estimates. It will be my endeavour, however, to apportion the expenditure, whatever that may amount to, equitably throughout the Province.

The only question to which I need specially allude is that of the proclamation of additional Hundreds, with respect to which I may observe that the necessary steps are being taken to give effect to your resolutions. Upon this subject, I have to assure you that it is my desire fully to keep pace with the requirements of agricultural settlement; and I shall be glad if, during the recess, arrangements can be made (by means of the money vote which you have placed at my disposal) for extinguishing pastoral tenures, and acquiring additional land for settlement.

I am led to make these remarks in consequence of the unfounded and reckless assertions with which it has been sought to prejudice the public mind, to the effect that I am adverse to the settlement of the country by men and women. I can safely aver that, if there be one thing more than another which I have aimed at during the past twenty years, it has been the colonising of this Province; and I deem it due to myself most emphatically to disclaim the charge of seeking to favor one particular class at the expense of another—a charge which will not bear the shadow of truthful investiga-

ion. I may add that, while I did my best to prevent the passing of the present Land Act, it is my duty now to deal with the law as it stands, fairly and impartially.

With regard to a resolution asking me to recommend His Excellency the Governor to dissolve this Council in December next, I have reserved coming to any decision as to the recommendation I shall give until the result of your subsequent resolutions upon the same subject is known.

Gentlemen, as an earnest upholder of the right of the people to local self-government, and cherishing a well-founded conviction that the progress, both of the Provinces and of the Colony, will be best promoted by Provincial independence, as provided by the Constitution Act, I may be pardoned if I express my sincere sorrow that, at a time when above all others it is essential that Provincial institutions should possess a warm place in the affections of the people, the tendency of the proceedings of the Session now ended has been to alienate those affections. Gentlemen, there can be no question but "an enemy hath done this." I earnestly hope and trust, however, that when the excitement of the Session is over, it will give place to calm reflection, and that the people of the Province will be found uniting as one man in working out the destiny which, I believe, has been assigned to them, that, namely of colonising this portion of New Zealand in their own way, without let or hindrance.

I now declare this Council prorogued, and it stands prorogued accordingly.

#### APPOINTMENT

*Of Mr. Henry Porson Morse, Officer under the "Destitute Persons Relief Ordinance, 1862."*

WHEREAS by an Ordinance passed by the Lieutenant Governor and Legislative Council of New Zealand, Session VII, No. IX, intituled "An Ordinance for the Support of Destitute Families and Illegitimate Children," it is amongst other things enacted that in the event of any person leaving his wife or children without means of support it shall be lawful for any two Justices of the Peace to issue an order for the payment by any such person or the recovery out of the means and estate of any such person of money towards the support of the wife or children of such person as the case may be: And that in case the person who may be bound by any such order as aforesaid, shall attempt to remove from the Colony, it shall be lawful for any two Justices of the Peace, on the application of any officer appointed by the Governor to Act in that behalf, to cause such person to be arrested and to be detained in safe custody until he shall give security to the satisfaction of such Justices for the due performance of such order, or shall make a composition for the same as therein provided. And whereas by the Ordinance of the Superintendent and Provincial Council of the Province of Otago, intituled "The Destitute Persons Relief Ordinance, 1862," it is enacted that the power vested in the Governor in this and other respects by the above-recited Ordinance should be vested in and exercised by the Superintendent of the Province of Otago within the said Province, and that the provisions of the said recited Ordinance applicable to any person quitting the colony should equally apply to any person quitting the said Province leaving his wife or children without means of support.

Now therefore I, James Macandrew, Superintendent of the Province of Otago, in pursuance of the powers so vested in me, do hereby appoint
