No. 673.

A DDRESS OF HIS HONOR THE SUPERINTENDENT AT THE PROROGATION OF THE COUNCIL.

MR. SPEAKER AND GENTLEMEN OF THE PROVINCIAL COUNCIL,—

The business of the session having now come to a termination, I have to express my earnest hope that the important deliberations in which you have been engaged may be productive of those benefits to the Province at large which I am sure is the desire of us all.

I have also to assure you that it shall be my endeavor to give effect so far as practicable to the various resolutions which you have transmitted to me. With respect to many of the sums which, at your request, have been placed upon the Supplementary Estimates, it will of course be obvious that unless the receipts for the year should turn out to be in excess of the estimated revenue, such sums can only be expended to the extent to which the expenditure under the main estimates is likely to fall short of the amount voted.

On behalf of the Governor, I have assented to the following Bills passed by you, viz. :—

Cemeteries Management Ordinance 1870
 Management of Rivers Ordinance 1870
 Thistle Prevention Ordinance 1862 Repeal Ordinance 1870
 High School Ground Ordinance 1870
 Hospitals Ordinance 1870
 The Dunedin and Port Chalmers Railway Agreement Validation Ordinance 1870
 Otago Representation Ordinance 1870
 Licensed Theatres Ordinance 1870
 Impounding Ordinance Amendment Ordinance 1870
 Appropriation Ordinance 1870

The Road Boards Ordinance 1870

Taieri Ferry Land Sale Ordinance 1870

The following Bills are reserved for the signification of the Governor's pleasure thereon :—

District Roads Compulsory Land Taking Ordinance 1870.

Oamaru Racecourse Reserve Management Ordinance 1870.

Lawrence Athenæum and Mechanics Institute Reserve Leasing Ordinance 1870.

Dunedin and Port Chalmers Railway Land Compulsory Taking Act 1870.

Tokomairiro School Reserve and Glebe Land Sales Ordinance 1870.

Roads Diversion Ordinance 1870.

Gentlemen—As this is probably the last occasion on which I shall have the honor of addressing you, perhaps I may be permitted to say a few words expressive of my own individual views with regard to a question which, sooner or later, must be grappled with—one which deeply affects our future position. I allude to our present style or system of Government.

Gentlemen—The conviction has long forced itself upon my mind that our present system of Government, both Colonial and Provincial, is unnecessarily costly and complex—there is far too much of state about it. The fact that, amidst all its depression, Otago has actually contributed to the General Government during the past year £137,000, not one farthing of which has been expended within the Province, must, I think, speak for itself as showing that some change is absolutely imperative in this direction.

As regards the system that has grown up among ourselves, it appears to me to be, to a great extent, incompatible with a political organisation, so limited in its sphere of action as a New Zealand Provincial Govern-

ment must necessarily be under existing circumstances.

Gentlemen—as a general rule, I think it will be found that divided responsibility is not conducive to efficient and economical administration.

Gentlemen—I feel persuaded, could we see our way to exercise the important functions which have been conferred upon us as a Province, without the formality of Parliamentary Government, “with its outs and its ins,” and its ministerial crises—that instead of circumlocution, we should have direct action, and the public service would be conducted with more vigor and at less cost. I think that this might be effected without substantially diminishing that responsibility of the Executive to the Legislature, of which the latter is naturally and properly so tenacious.

Gentlemen—I shall not trespass upon your patience further than to express my earnest hope that, if any change does take place in our system of Government, it may be for the better and not for the worse—change not forced upon us from without, but which shall spontaneously emanate from the intelligent convictions of the people throughout the Province.

Gentlemen, I now declare this Council prorogued, and it stands prorogued accordingly.
June 13, 1870.

Ordinances assented to on the respective days mentioned after each:—

- Imprest Supply Ordinance 1870 (29th April, 1870)
- Sheep Ordinances Amendment Ordinance 1870 (10th May, 1870)
- University of Otago Endowment Ordinance 1870 (1st June, 1870)
- Licensing Ordinances Amendment Ordinance 1870 (1 June, 1870)
