A Justice of the Peace for the Colony  
 of New Zealand.

Provincial Secretary's Office,  
 Dunedin, 31st January, 1871.

THE following communication having been received from the General Government on the subject of the introduction into the Colony of some Norwegian and Swedish emigrants, is published for general information.

Although the Provincial Government considers the present Provincial system of immigration to be sufficient and the best adapted to meet the requirements of the Province, yet it will gladly forward to Wellington any

applications that may be received for the said emigrants, and will give every assistance to encourage their settlement in the Colony.

JOHN L. GILLIES,  
 Pro Provincial Secretary.

Colonial Secretary's Office,  
 Wellington, 24th January, 1871.

SIR,—I have the honor to enclose a New Zealand Gazette, No. 66, of the 19th November last, containing a memorandum from the New Zealand Commissioners, stating certain steps which they had taken for the introduction into this Colony of some Norwegian and Swedish emigrants.

The "Celceno," I have since learned, left the English Channel at the commencement of November last for Wellington, with emigrants on board, a descriptive list of whom I enclose for your Honor's information.

I shall feel obliged if you would inform me whether the Provincial Government of Otago would wish to have any of these emigrants sent to that Province; and, if so, I have to request you to be good enough to specify their number and description.

I have the honor to be Sir,  
 Your most obedient servant,

W. GISBORNE.

His Honor the Superintendent of Otago.

**PRIVATE PETITIONS.**—The following resolution by the Private Petitions Committee, which was afterwards adopted by the Provincial Council, is published for general information:—

"In concluding their labours, your Committee would recommend to the consideration of the Council the advisability of laying down as a rule of this House, that all Petitions should be first submitted to the Government, if possible, during the recess, before being presented to the Provincial Council; so that the Government may be prepared beforehand with any evidence they wish to procure bearing on the prayer of the Petitions; and all applications for Reserves should be made to the Government during the recess, and brought down to the Council with their opinion thereon.

"JOHN L. GILLIES, Chairman.

The samples of fibre should not be less than 20 lbs. in weight, and 10 or 15 fathoms of each kind of rope will be sufficient.
