NOTICE.

FREE NOMINATED IMMIGRATION.

(Extract from Order in Council, 15th October, 1873.)
REGULATIONS FOR THE CONDUCT OF IMMIGRATION TO NEW ZEALAND, ON THE NOMINATION OF IMMIGRANTS BY PERSONS RESIDENT THEREIN.

1. Any person resident in the Colony, desirous of nominating relatives or friends in Europe for passages to New Zealand, may do so by applying to an Immigration Officer, in the form at foot, copies of which can be obtained at all immigration and Post Offices.

The persons nominated, if approved by the Immigration Officer and the officers of the Home Agency, will receive free passages to the Colony.

2. Every adult emigrant will be required, before embarkation, to pay, unless specially remitted by the Agent-General, 20s. (and children in proportion), for bedding, blankets, and mess utensils.

3. The cost of conveyance to the port (unless the Agent-General agrees to pay it), and to the residence of their friends after arrival in the Colony, must be defrayed by the emigrants themselves.

4. All the ships employed in this service will be under the provisions of the Passenger Act.

5. It is to be distinctly understood, that notwithstanding the applications are forwarded to the Agent-General by the Immigration Officers, the Agent-General in London may refuse passages where the intending emigrants are in ill health, or in any way unfitted, according to his judgment, to emigrate.

6. The Regulations, issued upon 21st April, 1873, for the payment of bonuses to the nominators upon the arrival of the nominated immigrants, are hereby rescinded: and no certificates for the payment of such bonuses will be given after the date hereof.

To the IMMIGRATION OFFICER,

, 187

I have the honor to state that, in my opinion, the persons named below would be not unwilling to emigrate to New Zealand, and would be desirable colonists.

I have, therefore, to advise that such persons should be communicated with, and invited to emigrate to the Colony.

I have, &c.

4. It shall not be necessary to award a scholarship to the best, or any other candidate, unless he or she shall have gained, in the aggregate, at least 70 per cent. of the number of marks attainable; and the Board shall be at liberty to suspend or terminate any scholarship on account of wilful misconduct or neglect of studies on the part of the holder.

5. Each holder of a Provincial Scholarship shall receive free education at the High School and a payment of £30 per annum.

6. Free education for terms of not less than two years nor more than four years may, at the discretion of the Board, be granted to the unsuccessful competitors for Scholarships who shall have gained a satisfactory percentage of the whole number of marks attainable; such Free Scholars may attend the High School, a Grammar School, or an approved Main District School, at their option.
