WE, the undersigned Auditors of the Provincial Accounts of Southland, from the 1st of April to the 31st July 1861, find that between the above dates monies were received and expended under the authority of the Government of Otago, and of the Colonial Treasurer, Mr. Richardson; and that during this period the sum of Six Hundred and seventy-nine pounds was paid by Capt. Elles to the Agent for the Otago Government, but no balance sheet having been submitted to us, and the Vouchers for certain expenditure being at Auckland and Dunedin, we are not able to give the total revenue and expenditure during the above three months.

We also find that Nine Hundred and sixty-five pounds eighteen shillings and eleven pence have been expended on public works, under private guarantee, but without authority, the Vouchers for which expenditure we have examined and found correct.
