VOL. IX. NEW PLYMOUTH, WEDNESDAY, OCTOBER 9, 1861. No. 21.

Superintendent's Office,
New Plymouth, 8th October, 1861.

THE following Address from the inhabitants of Taranaki to Governor GORE BROWNE, C.B., and the reply of His Excellency thereto, are published for general information:—

E. L. HUMPHRIES,
Deputy-Superintendent.

To His Excellency Colonel THOMAS GORE BROWNE, Companion of the Most Honourable Order of the Bath, Governor and Commander-in-Chief in and over Her Majesty's Colony of New Zealand, and Vice-Admiral of the same, &c., &c., &c.

SIR,—We, the undersigned inhabitants of Taranaki, desire upon your Excellency's approaching departure from New Zealand to express our appreciation of your administration of the Government of the Colony, and more especially of the measures taken by your Excellency in connection with the natives of this district.

Although great suffering and loss to our community have resulted from the hostilities which afterwards ensued in this Province, we cannot hesitate to express our

conviction that the measures referred to were proper and necessary, and consistent with the rights and interests of both races. Compelled, as we had been, for years to be passive spectators of the lawlessness of the natives towards ourselves, and latterly of their own internecine feuds, we hailed with unqualified satisfaction the announcement of your Excellency's determination to put an end to so disastrous a state of affairs. That your Excellency's intentions were not more ably seconded we have had ample cause to deplore, but we look forward with confidence to the eventual success of the policy with which your Excellency's name will always be associated, believing that it is founded in strict justice, and that it will confer on both races a degree of prosperity and happiness that could not otherwise be attained.

In bidding your Excellency farewell and expressing a hope that health and happiness may attend your Excellency in your new command, we would wish to associate the name of Mrs Gore Browne.

We have the honor to be

Sir,

Your Excellency's obedient and faithful servants.

New Plymouth, Taranaki,
26th August, 1861.

Government House,
Auckland, 30th September, 1861.

SIR,—I have the honor to acknowledge the receipt of an Address signed by almost all the adult male inhabitants of your Province, and I beg you to accept and convey to those who signed it my most sincere thanks for this gratifying proof of their good will.

I have always felt that the Colonists of Taranaki desired only the suppression of lawless violence, and the permanent establishment of law and order; and by their gallantry, and the patience with which they have endured suffering and loss, they have proved that they were and are willing to risk all men value most dearly in order to secure them. That neither time nor suffering has altered their sentiments, or weakened their determination, is as honorable to them as it is gratifying to me.

I earnestly hoped to have seen the set-

tlers of Taranaki re-occupying their homes and reaping the harvests of their labour without fear of interruption, and I looked forward to a not distant future when an increased prosperity (the result of established order) would make them forget the past, and consider their exertions not ill requited. It is a subject of very great regret to me that I am obliged to leave New Zealand without seeing the fulfilment of this expectation; but I earnestly hope and believe that the time is not far distant when they will enjoy the blessings of permanent peace and prosperity, for which they have—and will always have—my earnest prayers and most sincere wishes.

I have, &c.,

T. GORE BROWNE.

His Honor
The Superintendent,
Taranaki.
