Notice is Hereby Given, that in any case in which the boundaries of land to be granted to a Claimant, in pursuance of such Report, cannot be accurately defined upon application at this Office, a Conveyance by such Claimant of his interest in the land to another person, (providing it contain a recital of the Report, and be at once deposited with the Commissioner, with a request from the Vendor that the Grant may be issued to the Vendee), will be duly recorded in this Office, and the grant prepared in the name of such Vendee accordingly, as the person properly entitled to the same, under title of the New Zealand Company.
