ORDER IN COUNCIL.

At the Government House, at Wellington, the 24th day of August, 1866.

Present:

His Excellency the Governor in Council.

WHEREAS by "The Diseased Cattle Act, 1861," and by "the Diseased Cattle Act Amendment Act, 1865," it is enacted that it shall be lawful for the Governor by Order in Council to declare that, if at any time it shall be made to appear to the Governor that any infectious or contagious disease has broken out in any district out of the Colony, such district is infected within the meaning of the said Acts, and from time to time to make such Regulations as to him shall seem fit for prohibiting
