Present :

HIS EXCELLENCY THE GOVERNOR IN
COUNCIL.

WHEREAS by "The Wellington Special Settlements Act, 1871," it is, among other things, enacted that it shall be lawful for the Superintendent of the Province of Wellington, with the advice of his Executive Council, by Proclamation in the Government *Gazette* of the said Province, to set aside out of the waste lands within the Province of Wellington, the Native title of which has been extinguished, or any block or blocks, for the purpose or special settlement, not exceeding in the whole one hundred thousand acres, on such terms as may be sanctioned by the Governor in Council, anything in the existing regulations for the management or disposal of the waste lands in the Province to the contrary notwithstanding: And whereas the said Superintendent, with the advice of his Executive Council as aforesaid, hath proposed to set aside a certain block of land at Sandon, in the said Province, containing five thousand and eight acres two roods and thirty-two perches, or thereabouts, as a special settlement under the said Act for the members of an Association known as the "Hutt Small Farm Association," upon the terms hereinafter mentioned: And whereas the said Superintendent, with the advice of his Executive Council as aforesaid, hath requested the Governor to sanction the said terms:

Now therefore, His Excellency Sir George Ferguson Bowen, the Governor of the Colony of New Zealand, in persuasion and exercise of the power and authority vested in him by the said Act, and by and with the advice and consent of the Executive Council of the said Colony, doth hereby sanction the terms set forth in the Schedule hereto as the terms under which the said proposed special settlement shall be made under the said Act.

FOSTER GORING,
Clerk of the Executive Council.

SCHEDULE.

TERMS AND CONDITIONS

For the Occupation and Purchase of the Block of Land proposed to be set aside for Special Settlement as aforesaid.

Interpretation.

1. In the construction of these terms and conditions, unless the context shall otherwise require, the following expressions shall have the meanings hereby assigned to them:—"Association" shall mean the "Hutt Small Farm Association." "Land" shall mean the block of land described in the foregoing Proclamation. "Purchaser" shall mean any

members of the Association, or the Trustees thereof, who may purchase any of the land hereby set aside. "The said Act." "The Wellington Special Settlements Act, 1871."

To whom Purchase Money to be Paid.—Limitation of Time.

2. All monies required to be paid by any purchaser of the said land under these terms and conditions, shall be paid to the Receiver of Land Revenue, at Wellington, and receipts given by him shall be sufficient evidence of such payments as may be therein expressed.

The payment of purchase money, under these terms and conditions, shall not extend beyond a period of three years from the date of the foregoing Proclamation.

Rules of Association so far Applicable.

3. Subject to the foregoing terms and conditions, the Rules of the Association hereinafter set forth shall, so far as applicable, be deemed to regulate the terms on which the special settlements shall be made and occupied under the said Act.

RULES.

1. The object of the Association shall be the establishment of a Small Farm Settlement and Township in the District of Manawatu, in the Province of Wellington.

2. The business of the Association shall be managed by a Committee of seven persons, including Secretary and Treasurer, to be elected by the Shareholders annually, whose duty it shall be to carry out the objects of the Association.

3. No question of vital importance to the Association shall be decided by the Committee, so as to bind the members, unless resolved upon at a general meeting of members, due notice of which shall be given and all questions carried and decided upon by a majority of the members then present shall be binding upon the Association, unless contrary to the rules and law under which the Association shall be formed.

4. The members of the Association shall be males not under eighteen years of age, who shall hold at least one share, and shall undertake to occupy and pay for the land in conformity with these Regulations.

5. Occupation shall be the enclosing of at least five acres of land with a good and substantial fence, and the erection of a tenement the value of which shall be ten pounds, before the end of the second year, and the actual residence of a member himself, or a son of not less than seventeen years of age, during the whole of the third and last year for which the reserve is proclaimed.

6. The settlement shall be divided into allotments of from forty to two hundred acres, according to requirements of shareholders, with a quarter-acre town allotment for each and every forty acres of rural land, together with reserves for public purposes, which will be laid aside by the Government.

7. Each share shall represent forty acres of rural land and a quarter-acre town allotment, and no member shall be allowed to subscribe for or occupy more than five such allotments.

8. The town shall be laid off in such manner as a majority of the shareholders may decide at a meeting called for business purposes, and no member shall be allowed to draw for more than three town allotments fronting the main road, the same to be fixed according to the following scale, that is to say:—A member holding 200 acres of rural land may have three town sections fronting the main road; holding 160 acres may have two sections on main road; holding 120 acres may have two sections on main road; holding 80 acres may have one on main road; but any member having only one forty acre allotment may choose his town section on either of the main roads; the remaining allotments that members are entitled to may be taken on any of the other streets in the town. The surplus town allotments shall be disposed of in such a manner as a majority of the members may think best.

9. Rural sections shall be chosen by ballot, and any member who may have the last order of choice of farm sections shall have first choice in each series for town allotments that he may be entitled to.

10. The price of each 40 acres shall be £40, payable every three months, at the rate of one pound for each share per month, until the members shall have paid £40 for each and every share he may hold, but every member will be at liberty to pay larger instalments or the whole purchase money in one payment, should it suit his convenience so to do. The price of each quarter-acre town allotment shall be one pound, payable on the day of drawing.

11. Each member shall pay or cause to be paid his instalments from time to time to the Treasurer, whose receipt shall be a sufficient voucher for such payment. Payment shall be made on the first Friday in September, on the first Friday in December, on the first Friday in March, and on the first Friday in June in each year.

12. Any surplus money arising out of the sale of town allotments, fines, or entrance fees, shall be applied by the Committee to the payment of preliminary expenses which have and will be incurred by the Committee in establishing the Association, and to any other purpose which a majority of the members shall decide at a general meeting.

13. All moneys paid to the Treasurer on account of the Association shall be placed in the Bank of New Zealand to the credit of the Association, and all moneys drawn from the Bank shall be by cheque signed by the Treasurer and counter-signed by two of the Committee.

14. Any member who shall fail to pay his quarterly instalments on or before the day appointed, shall pay to the

Committee, for the benefit of the Association, a fine of one shilling per share for the first omission, doubling the fine each quarter that a member neglects or fails to make payment.

15. In the event of the death of a member before being put in possession of his land, his interest in the allotment or allotments will revert to his heirs or executors, who may dispose of it to a *bonâ fide* settler: Provided always that no member shall be allowed to hold in all more than 200 acres; but should the deceased leave a widow or children, they shall be at liberty to occupy, irrespective of age or sex.

16. Should any member be necessarily compelled to leave the district previous to his being entitled to his Crown Grant and before completing the requisite term of occupation, it shall be competent for the Committee to permit such member to transfer his right, title, and interest in the Association to another *bonâ fide* settler: Provided always that no member shall be allowed to hold more than 200 acres.

17. Any member of the Association who may be found to have taken shares for speculative purposes, and not with a view to *bonâ fide* settlement, shall, upon sufficient proof thereof to the satisfaction, of a majority of the members, forfeit his interest in the Association, and the Committee shall re-allot his shares to a *bonâ fide* settler; and these Rules shall be sufficient authority for such forfeiture and re-allotment.

18. Should any member of the Association fail to comply with Rule 14, or any part thereof, he shall forfeit his interest in the Association, and the Committee shall have power to dispose of his shares to a *bonâ fide* settler.

G. F. BOWEN, Governor.

WHEREAS by "The Immigration and Public Works Act Amendment Act, 1871," the Governor is, among others things, empowered to enter into arrangements for the acquisition of particular portions of land in the North Island, for the purpose of mining for gold, for the establishment of special settlements, or for the purposes of railway construction. And by the said Act it is also provided that it shall be lawful for the Governor, whenever he shall have determined to enter into negotiations for the purchase of such land, to insert a notice in the *New Zealand Gazette* that it is his intention to enter into such negotiations, and after such notice is inserted it shall not be lawful for any one to purchase or acquire from the Native owners any right, title, or interest, or contract for the purchase or acquisition from the Native owners of any right, title, or interest, in the lands specified in such notice, unless the notice be cancelled by the Governor: Provided that no such notice shall have longer operation than for the period of two years:

Now therefore, I, Sir George Ferguson Bowen, the Governor of the Colony of New Zealand, in pursuance, of the provisions of the hereinbefore in part recited Act, do hereby give notice that it is my intention forthwith to enter into negotiations for the purchase from the Native owners of the block or parcel of land situate in the Province of Wellington, and described as follows (that is to say):—

All that parcel of land commencing at the mouth of the Patea River; and thence along the north-western boundary line of the Province, until it strikes the northern boundary of the said Province, and along said northern boundary to its termination; thence along the eastern boundary of the said Province until it strikes the Manawatu Gorge, and thence along the Tararua Range to the northern boundary of the Wainui and Waikanae Block; thence westerly along the said northern boundary of the Wainui and Waikanae Block to the sea coast; thence northerly along the sea coast to the starting point.

Given under the hand of His Excellency Sir George Ferguson Bowen, Knight Grand Cross of the Most Distinguished Order of Saint Michael and Saint George, Governor and Commander-in-Chief in and over Her Majesty's Colony of New Zealand and its Dependencies, and Vice-Admiral of the same, at the Government House, at Wellington, this twenty-first day of February, in the year of our Lord one thousand eight hundred and seventy-two.
